Statement of Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the company and of the profit or loss of the company for that year. In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors

In accordance with Section 385 of the Companies Act 1985, a resolution proposing that PricewaterhouseCoopers LLP be reappointed as auditors of the company will be put to the Annual General Meeting.

This report was approved by the Board on 24 June 2005 and signed on its behalf by

Marie L. Glanville
Secretary

Chrisdell Limited

Independent auditors' report to the members of Chrisdell Limited

We have audited the financial statements of Chrisdell Limited for the year ended 30 September 2004 which comprise the profit and loss account, the balance sheet, the statement of accounting policies and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board. This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Chrisdell Limited

Chrisdell Limited

Notes to the financial statements for the year ended 30 September 2004

1. Statement of accounting policies

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently, is set out below.

1.1. Accounting convention

The financial statements have been prepared on the going concern basis, under the historical cost convention and in accordance with the Companies Act 1985.

The company has consistently applied all relevant accounting standards.

1.2. Cash Flow

The company is a wholly owned subsidiary of Grainger Trust plc and the cash flows of the company are included in the consolidated cash flow statement of Grainger Trust plc. Consequently, the company is exempt under the terms of Financial Reporting Standard No 1 (Revised 1996) from preparing a cash flow statement.

1.3. Turnover

Turnover comprises gross rentals, gross sale proceeds of trading properties and land, and sundry other income, exclusive of VAT. Sales of properties are only accounted for when the cash proceeds are received in full or the company has entered into a legally binding undertaking.

1.4. Stock

Trading properties are shown in the financial statements at the lower of cost to the company and net realisable value. Cost to the company includes legal and surveying charges incurred during the acquisition plus improvement costs. Net realisable value is the net sale proceeds which the company expects on sale of a property with vacant possession.

Repairs are expensed in the profit and loss account as incurred. Improvement costs are capitalised.

1.5. Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less tax with the following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold;

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

2. Turnover

The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the UK as defined in the directors' report.

3. Profit on ordinary activities before taxation

The audit fee has been included in the overall audit fee for the Grainger Trust group, which has been paid for by Grainger Trust plc.

There are no persons holding service contracts with the company. None of the directors received any remuneration from the company during the year, or in the previous period.
