The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

1

Turnover represents the invoiced value of services provided, in the form of ground rents

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Freehold property

- not provided

Fixtures and fittings

- 20% on reducing balance

The directors consider that the freehold property is maintained in such a state of repair that its residual value is at least equal to the net book value. As a result, the corresponding depreciation would not be material and therefore is not charged in the profit and loss account.
