The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30th April 2010

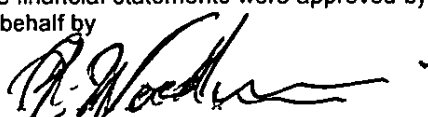

The members have not required the company to obtain an audit of its financial statements for the year ended 30th April 2010 in accordance with Section 476 of the Companies Act 2006

The directors acknowledge their responsibilities for

- ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies

The financial statements were approved by the Board of Directors on 26 8 10 and were signed on its behalf by

 Mr R J Woodiwiss - Director

The notes form part of these abbreviated accounts

NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 30TH APRIL 2010

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared in accordance with the special provisions of part 15 of the Companies Act 2006 relating to small companies and with the Financial Reporting Standard for Smaller Entities (Effective April 2008)

Accounting convention

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Plant and machinery	- 10% on reducing balance
Fixtures and fittings	- 10% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Research and development

Expenditure on research and development is written off in the year in which it is incurred

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

Grants

Revenue grants are credited to the profit and loss account so as to match them with the expenditure to which they relate.
