Abrapower Limited (in Liquidation)
Progress Report to Members and Creditors

1. Introduction

- 1.1** Pursuant to Paragraph 83 of Schedule B1 of the Act, Daniel Plant and Simon Franklin Plant were appointed Joint Liquidators of the Company on 13 February 2014. Definitions and further details of terms used in this report are provided in **Appendix I** and further statutory information regarding the winding up is provided in **Appendix II**.
- 1.2** This report is prepared pursuant to Section 104A of the Act in relation to the Company. It details the progress of the administration of the Company's estate in the Review Period, i.e. the twelve month period since the date that the Company moved from Administration to CVL. This report should be read in conjunction with the Joint Administrators' Final Report dated 13 February 2014.

2 Action to Date – Asset Realisations

- 2.1** Attached at **Appendix III** is the Joint Liquidators' Abstract of Receipts and Payments for the Review Period. The contents are in the main self explanatory.
- 2.2** The sum of £7,024, which was the balance remaining on the account in the control of the Joint Administrators at the end of the Administration, has been transferred to the Liquidation account. This differs from the balance of £3,809, as reported in the Joint Administrators' Final Report, as a payment of £3,215 was received in respect of repayment of an inter-company loan account after the Joint Administrators' Final Report was sent, but before the Company transferred to CVL.
- 2.3** A VAT refund of £7,567 requested during the Administration period was received and banked into the Liquidation estate.
- 2.4** As detailed in the Final Report, an agreement was entered into in relation to an inter-company loan account. The agreement was that the amount of \$150,000 would be repaid over an 18 month period.
- 2.5** The amount of £36,811 was received in the Administration period and a further £55,189 was expected to be collected during the Liquidation. Monthly payments are being received in accordance with the agreement and the sum of £35,988 has been received during the Review Period. It is anticipated that these monthly payments will continue until May 2015.
- 2.6** The only other receipts during the Review Period have been a refund of bank charges of £10 and bank interest of £7.

3 Administration of the Liquidation

- 3.1** Throughout the Review Period, the Joint Liquidators have responded to the queries of creditors and noted creditors' claims.
- 3.2** The Joint Liquidators have complied with obligations imposed by statute and their regulatory body, which include but are not limited to the submission of returns to Companies House and HMRC and the maintenance of bonding.

Progress Report to Members and Creditors

4. Investigation

- 4.1 In accordance with the Joint Liquidators' statutory duty, a requisite D Form addressing the directors' conduct has been submitted to the Department for Business, Innovation and Skills Enquiries into the affairs of the Company were conducted by SFP Corporate Solutions
- 4.2 As detailed in the Final Report, SFP Corporate Solutions' investigations are now complete following an agreement in relation to an inter-company loan account Payments in the amount of \$5,556 are being collected each month in settlement of this loan account Payments are expected to continue until May 2015
- 4.3 Although creditors were invited to provide any relevant information to the Joint Administrators, they are invited similarly to provide to the Joint Liquidators information in respect of any concerns relating to the way in which the company's business has been conducted

5 The Joint Liquidators' Remuneration

- 5.1 In accordance with Rule 4 127(5A) of the Rules, the basis of remuneration as agreed in the Administration applies in the Liquidation As reported in their Final Report, the Joint Administrators' fees had been fixed by reference to the time properly given by the Joint Administrators and their staff Consequently, this basis applies similarly to the Joint Liquidators' remuneration
- 5.2 A breakdown of the time costs between the grades of staff allocated to the administration and the investigation of this matter is detailed in Appendix IV The charge out rates of the Joint Liquidators and their staff are detailed in Appendix V During the Review Period, time costs totalling £9,990 have been incurred
- 5.3 Creditors may access a Guide to Liquidators' Fees at <http://panel.sfpgroup.com> or a hard copy will be provided on request

6. The Joint Liquidators' Expenses

- 6.1 As advised in the Joint Administrators' Final Report, any remuneration and expenses of the Joint Administrators, including those payable to third parties, that remained unpaid were charged on and payable out of the funds and assets transferred to the Joint Liquidators' control As detailed in the Joint Liquidators' Abstract of Receipts and Payments attached at Appendix III, payments on account of these fees and expenses have been made and the remaining sums payable, totalling £132,058, will be discharged from future realisations, where possible
- 6.2 Creditors may recall that the Joint Administrators' final report provided a breakdown of their time costs up to the date that the Administration moved to Liquidation. As the Joint Administrators were required to issue a final report immediately after the Administration had ended, that breakdown had excluded the time costs incurred in drafting and issuing the final report and in carrying out other minor tasks to close our Administration files These time costs amounted to £2,560

Arapower Limited (in Liquidation)
Progress Report to Members and Creditors

- 6.3 It is a statutory requirement that the Joint Liquidators report all expenses incurred in the Review Period, whether or not they have been paid. Creditors will note that details of expenses paid during the Review Period are provided in the Joint Liquidators' Abstract of Receipts and Payments attached at **Appendix III**.
- 6.4 The Joint Administrators had been authorised to draw, from the funds held in the insolvent estate, their firm's disbursements calculated on the bases described in **Appendix V**. During the Administration, creditors also resolved that the fees and costs of the Associated Entities, as described also in **Appendix V**, may be paid from the funds held in the insolvent estate. In accordance with SIP9, these authorisations apply similarly to the Joint Liquidators.
- 6.5 The Associated Entities have been established by SFP to perform functions to which either the office holder or outside agencies could undertake. It is considered that by virtue of their specialist nature and close proximity to SFP they will achieve better results than the office holder, his team or any outside agencies would be able to accomplish.
- 6.6 The following appendices contain breakdowns of the time that has been incurred by the Associated Entities during the Review Period together with the fees paid.

<u>Associated Entity</u>	<u>Appendix</u>
SFP Corporate Solutions	VI
SFP Recoveries	VII
SFP Property	VIII
SFP Datastore	IX

- 6.7 In addition, the following expenses were incurred by SFP and the Associated Entities during the Review Period

<u>Party</u>	<u>Expenses incurred</u>	<u>Amount outstanding</u>
SFP	£468	£468
SFP Datastore	£7	£7

7. Anticipated Outcome for Creditors

- 7.1 Preferential claims totalling £32,521 have been received. It is anticipated that there will be sufficient funds to pay a dividend to preferential creditors subject to the receipt of the remaining funds as per the agreement detailed in **Section 2**, above.

- 7.2 The non-preferential creditors' claims are summarised below

Creditor	Claims Received as at 13 February 2015 £
HMRC – VAT/PAYE/NIC	31,115
Employee / RPO claims	186,722
Trade and Expense	632,890

- 7.3 It is considered unlikely that there will be sufficient funds to pay a dividend to non-preferential unsecured creditors.

8 Conclusion

- 8.1** At present the only issue preventing closure is the collection of payments in respect of the agreement for repayment of the inter-company loan account, as set out in section 25
- 8.2** The Joint Liquidators will issue a further progress report, which will provide an update on all matters described above that are yet to be concluded, shortly after the next anniversary of the appointment, or when they are in a position to conclude the winding up, if that is sooner
- 8.3** Should you have any questions or queries regarding this report, please contact the Manager dealing with this matter, Richard Hunt, on 020 7538 2222 or by email on richardh@sfpgroup.com

A minimum period of 2 years' storage is charged up front in respect of all Administration appointments at a rate of £20.80 per box held. In addition, a destruction charge of £9 per box is also charged up front.

The minimum charge is based on the assumption that the Administration will continue for a period of one year, plus the requirement to then hold records for a further period of one year once the Company has been dissolved. In the event that the Administration is concluded early, the Company is dissolved early and the records are held for less than the anticipated two year period, any fees billed and paid in advance will be credit noted and the funds repaid to the estate as necessary. In the event that the Administration is extended, any additional charges incurred by SFP Datastore Limited will be paid as they are incurred.

Direct Expenses (Category 1 Disbursements)

Category 1 Disbursements as defined by SIP 9, which can be specifically identified as relating to the administration of the case will be charged to the estate at cost, with no uplift. These include, but are not limited, to such items as advertising, bonding and other insurance premiums and properly reimbursed expenses.
