To the Directors of Norman Knights Limited

We have examined the Abbreviated Accounts on pages 4 to 7 together with the full Accounts of Norman Knights Limited for the year ended 31 December 1995.

The scope of our work for the purpose of this report was limited to confirming that the Company is entitled to the exemptions conferred in Part III Section A and the Abbreviated Accounts have been properly prepared in accordance with Schedule 8 from the full Accounts.

In our opinion, the Company is entitled to the exemptions conferred in Part III Section A of Schedule 8 and the Abbreviated Accounts have been properly prepared in accordance with Schedule 8.

We reported as auditors of Norman Knights Limited to the members on 3 May 1996 on the Company's full Accounts prepared under Section 226 of the Companies Act 1985 for the year ended 31 December 1995 and our audit opinion was as follows:

"We have audited the Accounts on pages 5 to 15 which have been prepared under the Accounting Policies set out on pages 9 and 10.

Respective Responsibilities of Directors and Auditors

As described on page 9 the Company's Directors are responsible for the preparation of Accounts. It is our responsibility to form an independent opinion, based on our audit, on those Accounts and to report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the Accounts. It also includes an assessment of the significant estimates and judgments made by the Directors in the preparation of the Accounts, and of whether the Accounting Policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the Accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the Accounts.

Opinion

In our opinion the Accounts give a true and fair view of the state of the Company's affairs as at 31 December 1995 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985."

Statement of Directors' Responsibilities

Company law requires the Directors to prepare Accounts for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing those Accounts the Directors are required to:

- select suitable Accounting Policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the Accounts;
- prepare the Accounts on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to ensure that the Accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Accounting Policies selected are set out below.

Accounting Policies**Basis of Accounting**

The Accounts are prepared under the historical cost basis of accounting, and comply with applicable Accounting Standards.

Comparative Figures

The comparative figures are for the fifteen months ended 31 December 1994.

Turnover

Turnover represents amounts invoiced to outside customers excluding VAT, less returns and allowances.

Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost or valuation of each asset, less any estimated residual value, evenly over its expected useful life. The expected useful lives of the principal categories are:

Leasehold land and buildings	-	over the lease term
Leasehold improvements	-	over the remaining lease term
Plant and machinery	-	over 10 years
Office equipment	-	over 5 years

Stocks

Stocks are valued at the lower of cost and net realisable value.

Cost includes costs incurred in bringing each product to its present location and condition and is calculated on the following basis:

Raw materials	Purchase cost on a first-in, first-out basis.
Work-in-progress and finished goods	Cost of direct materials and labour plus attributable overheads based on normal levels of activity.

Net realisable value is based on estimated selling price less further costs expected to be incurred to completion and disposal.

Leasing Commitments

Rentals paid under operating leases are charged to income as incurred.

Deferred Taxation

Deferred Taxation is provided at anticipated tax rates on differences arising from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the Accounts. Provision is made to the extent that it is likely that the liability will crystallise in the foreseeable future.

Pensions

The Company operates a Defined Contribution Scheme for its factory and office employees. Amounts payable are charged to the Profit and Loss Account when incurred.
