TRUSTEES' REPORT FOR THE YEAR ENDED 31st MARCH 2022

The Trustees present their annual report and accounts for the year ended 31st March 2022

Objective of the Trust

The Dyfed Archaeological Trust is an educational charity and a private limited company. The Trust was established in 1975 as part of a network of four independent archaeological organisations covering the whole of Wales. The object for which the Trust is established is to advance the education of the public in archaeology.

Mission statement

Promoting the understanding, conservation and appreciation of the historic environment of Wales.

Promoting the historic environment

All of the Trust's activities directly or indirectly promote the historic environment. However, some projects and activities were specifically aimed at raising awareness of the historic environment as one of Wales's greatest assets.

Understanding the historic environment

All of the Trust's work assists in advancing the understanding of the historic environment. Some work, however, was specifically designed with this objective in view, including excavations, surveys, assessments, watching briefs and building recording projects.

Conserving the historic environment

Cadw grant-aid enabled the Trust to provide a comprehensive heritage management service across the whole of the region, including: responding to a large number of consultations on a variety of issues affecting the historic environment; providing advice to organisations and individuals; representing the Trust on local, regional and national committees; and contributing to the activities of numerous external groups. All of the Trust's activities help inform this advice.

Public benefit

The Trustees can confirm that they have complied with the duty in Section 4 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charities Commission. Significant activities that we undertook during the year that demonstrate public benefit are set out in the above pages.

Structure, governance and management

The Trust is one of the four Archaeological Trusts originally established in the 1970s to cover the whole of Wales.

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Reference and Administrative Details

Registered Company number: 1198990 (England and Wales)

Registered Charity number: 504616

Officers and Registered Office

During the year Mr K Murphy was the Company Secretary and Chief Executive of the Trust.

The Trust's Registered Office is at Corner House, 6 Carmarthen Street, Llandeilo, Carmarthenshire, SA19 6AE. The National Westminster Bank plc, 59 King Street, Carmarthen are the Trust's bankers. Red Kite Law LLP, 14-15 Spilman Street, Carmarthen, serve as the Trust's legal advisors. Clay Shaw Butler, 24 Llammas Street, Carmarthen, SA31 3AL are the Trust's auditors.

Trustees

The Trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015).

The table below is of Trustees who served during the year, of their attendance at Management Committee Meetings and at the AGM:

	09.04.21	26.04.21	04.08.21	27.10.21	26.01.22	17.03.2022	AGM 13.12.21

Nic Wheeler OBE BA (resigned 28.09.2021)							_

At the 13th December 2021 AGM the retiring Trustees, J Wainwright, J Davies and C Delaney offered themselves for re-election and, under Article 41 of the Trust's Articles, were deemed re-elected.

The Trust has a Management Committee that is a delegated committee of the Board of Trustees.

Existing Trustees review the membership on a regular basis and offer Trustee positions to existing Members as they see fit. New Trustees are provided with information detailing the Trust's structure, objectives, and policies along with literature on the responsibilities of being charity Trustees. All new Trustees have an induction meeting with the Chief Executive, which includes a detailed review of the company/charity structure, policy, organisation, staffing and work programme. New Trustees are made aware of the wide range of guidance available from the Charity Commission in both hard copy and digital format.

Statement of Trustees Responsibilities

The Trustees (who are also the directors of Dyfed Archaeological Trust Ltd for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.
- The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
- In so far as the Trustees are aware:
- there is no relevant audit information of which the charitable company's auditors are unaware
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Management Committee Meetings

The Management Committee comprises the Board of Trustees and four senior staff members: Chief Executive Officer, Head of DAT Archaeological Services, Office Manager and one of three senior Heritage Management staff in rotation. The Committee met six times during the year. In advance of meetings and to assist Trustees in discharging their responsibilities Trustees are provided with sets of papers which include: quarterly accounts; an updated risk register; a review of progress on the Trust's strategic plan; a report on any health and safety issues; a rolling programme of reviewing policies and procedures; a report on the activities of the Trust in the previous quarter and other relevant papers. During 2021-22, the management committee was kept fully informed of the impact Covid-19 was having on the Trust, and the measures being taken to mitigate the impact.

An Archaeological Organisations Pension Scheme (AOPS) sub-group of the management committee was

established during the year to report to the Management Committee on AOPS issues. It met three times.

Membership of the Trust

All members of the Trust, including Trustees, voluntarily contribute their unpaid time and expertise to the charitable objects of the Trust. The extent of this contribution is not reflected in the Trust's financial statements but the Trust is heavily dependent upon the services and expertise provided by its members serving as Trustees or members of the Management Committee, together with the valuable advice and specialist contributions to individual projects provided by other individual members.

Membership of the Trust is by invitation of the Trustees. A Membership Search Committee has been established to identify potential new members and to make recommendations relating to membership to the Trustees. The Search Committee did not meet in the 2021-22 year. Members are listed in Appendix Δ

Risks review

The Management Committee reviews the Trust's risk register at each quarterly meeting. This process includes an analysis and, if necessary, updating of the systems that have been established to mitigate identified risks.

The Archaeological Organisations Pensions Scheme (AOPS) is the most significant risk identified. This is a multi-employer pension scheme which operates for the benefit of the employees of the four Welsh Archaeological Trusts. The assets of the scheme are invested and managed independently of the finances of the Trust. Triennial valuations are carried out by an independent actuary. The most recent valuation for which information is available was carried out on 6th April 2021. At that time the liabilities of the pension scheme were greater than its assets, full details can be found in note 22 and more information in the Financial Review below. A deficit recovery plan agreed with the Pension Regulator is in place to eliminate the deficit.

Conflicts of Interest

The Trust has a Trustees Conflict of Interest Policy. All Trustees complete an annual register of interest and declare any changes at the beginning of each management committee meeting. The Trust also has a Heritage Management—Contracting Conflicts of Interest Policy, and a Members of Staff Conflict of Interest Policy, which includes a declaration of interests form.

Reporting Serious Incidents

It is the Trustees duty to declare any serious incidents that may pose a threat to the Trust's beneficiaries, services, assets or reputation. The Trustees declare that no such incidents were reportable during 2021-22.

Health and Safety

The Trust has a Health and Safety Policy and supporting documentation. On 21st February 2022, South Wales Safety Consultancy carried out an health and safety compliance visit. Their report noted one issue that needed improvement: implement a physical restraint to steps down into the cellar—this restraint has been commissioned and will be installed in the near future. Health and Safety is a standing item on the agenda of Management Committee meetings.

Staff

The average number of employees during the year was 21 A list of staff as at 31^{st} March 2022 is contained in Appendix B.

Management pay is based on the National Joint Council pay-scales, and pay grades and bands which are reviewed periodically by the Board of Trustees.

Professional and Other Registration

The Trust is a Registered Organisation of the Chartered Institute for Archaeologists and a member of FAME (Federation of Archaeological Managers & Employers).

Dyfed HER Charitable Trust

The Dyfed HER Charitable Trust was established in 2008, with the Dyfed Archaeological Trust as the sole Trustee. The purpose of this Trust is to safeguard the Historic Environment Record (HER) for public use in the event of insolvency of The Dyfed Archaeological Trust (the parent Trust). Six Trustee meetings were held during the year and on the 26th January 2022 a Deed of Transfer was signed, transferring records created during the year by the Dyfed Archaeological Trust to the Dyfed HER Charitable Trust.

Financial review

As a voluntary sector organisation the Trust continues to be heavily dependent upon grant-aid from Cadw. This grant-aid accounted for 35% of the Trust's total incoming resources (2020–21: 42%). We are most grateful for this continued support.

For the year ended 31st March 2022, 4% of the total resources were expended on governance of the charity (2020–21: 6%), a small amount on publicity and advertising, and the rest on direct charitable expenditure on the activities described above.

During the year the Trust made a surplus of £233,758 prior to any adjustments for the defined benefit pension scheme. Following the pension adjustments, which are explained further in note 22, the Trust generated net income of £214,018.

As at 31 March 2022, the Trust has a surplus on unrestricted funds of £150,303 (2020-21 deficit £405,909).

As at 31 March 2022, there is a deficit of £658,000 on the defined benefit pension scheme. A recovery plan has been agreed with the Regulator, setting the level of recovery payments and the term over which the deficit will be paid. There is therefore no reason to believe that the Trust cannot continue to pay its debts as they fall due and to continue to operate as a going concern.

Reserves policy

The Trust has a reserves policy that is required in order to maintain services should temporary problems be experienced in any of the major areas of income or expenditure, or should the Trust become exposed to an unexpected financial contingency. It is intended that the reserve would cover any financial shortfall in the short term until appropriate action could be taken to remedy the situation. The reserve would only be used in the following circumstances: redundancy costs when all other sources were exhausted; essential operating costs when all other sources were exhausted; and when entering any enforced overdraft.

The reserve fund was established in 2000-01 with an initial sum of £15,000. The Trustees have decided to transfer 10% of any operating surplus, or £5,000, whichever was the lower, into the reserve fund on an annual basis. The reserve currently stands at £129,760.

Prospects for 2022–23

The Trust has negotiated a Cadw grant of £318,500 for 2022–23, compared with £301,881 for 2021–22. At the end of the 2021–22 financial year, some £356,000 from other sources had already been secured for 2022–23 (£169,342 for the year 2021–22).

Covid-19

Most Trust staff members continued to work at home throughout the year, if not engaged in fieldwork. By far the biggest impact of Covid-19 has been on the Trust's community engagement and participation work, although we ran four very successful community excavations. Other normal engagement activities

— talks, walks, day schools, exhibitions — were scaled back or cancelled and resources diverted to digital engagement, including redesigning the Trust's website.

Potential merger of the four Welsh archaeological trusts

During the year the four Welsh archaeological trusts initiated discussions on a potential merger. The trusts were fortunate to obtain pro bono advice from the Worshipful Company of Management Consultations. Cadw provided funding for the trusts to obtain legal advice and to carry out a due diligence exercise. Advice obtained to date indicates there is no legal impediment to merger. It is anticipated that due diligence will be completed in the first quarter or early in the second quarter of 2022 –23. A decision whether to merge or not will be made later in the financial year.

Statement as to disclosure of information to Auditors

So far as the Trustees are aware, there is no relevant audit information of which the company's auditors are unaware, and individual Trustees have taken all the steps that they ought to have taken as a Trustee in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Auditors

The auditors, Clay Shaw Butler Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Dyfed Archaeological Trust Ltd for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Clay Shaw Butler Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Page 2

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF DYFED ARCHAEOLOGICAL TRUST LTD

Opinion

We have audited the financial statements of Dyfed Archaeological Trust Ltd (the 'charitable company') for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainties relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF DYFED ARCHAEOLOGICAL TRUST LTD

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF DYFED ARCHAEOLOGICAL TRUST LTD

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was considered capable of detecting irregularities, including fraud

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the industry and sector, control environment and business performance including the design of the Charity's remuneration policies and performance targets;
- results of our enquiries of management about their own identification and assessment of the risks of irregularities;
- any matters we identified having obtained and reviewed the Charity's documentation of their policies and procedures relating to:
- identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of noncompliance;
- detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud:
- the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- the matters discussed among the audit engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in relation to revenue recognition. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Mark Jones BSc ACA (Senior Statutory Auditor) for and on behalf of Clay Shaw Butler Limited Statutory Auditors and Chartered Accountants 24 Lammas Street Carmarthen Carmarthenshire SA31 3AL

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. STATUTORY INFORMATION

Dyfed Archaeological Trust Ltd is a company limited by guarantee incorporated in England and Wales. The registered office is The Corner House, 6 Carmarthen Street, Llandeilo, Carmarthenshire SA19 6AE.

The financial statements are presented in Sterling (£), the charity's functional currency, and rounded to the nearest pound.

The principal activities and nature of the charity's operations is to enhance the education of the public in archaeology.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years unless otherwise stated.

2. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

INCOME

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

EXPENDITURE

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

TANGIBLE FIXED ASSETS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold Property

Computer Equipment
Office Equipment

Excavation and Survey Equipment

Photographic Equipment

2% on written down value

33% on cost per annum and 33% on written

down value

33% on written down value

33% on written down value

33% on written down value

STOCKS

Work in progress is valued at the lower of cost and net realisable value.

Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

TAXATION

The charity is exempt from corporation tax on its charitable activities.

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2022

2. ACCOUNTING POLICIES - continued

FUND ACCOUNTING

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

PENSION COSTS AND OTHER POST-RETIREMENT BENEFITS

The Trust operates a Defined Benefit Pension Scheme. This is a multi-employer pension scheme. The Trust accounts for the pension liability under Financial Accounting Standard 102 (FRS102). The FRS102 deficit figure has been calculated by the scheme actuary as at 31st March 2022, using a Gilts plus approach.

In year ended 31 March 2020 and earlier it was not possible in the normal course of events to identify on a reasonable and consistent basis the share of underlying assets and liabilities belonging to the individual participating employers. Accordingly, due to the nature of the scheme, the accounting charge for those periods represented the employer's contribution payable. Payments into the Scheme were charged to the Statement of Financial Activities (SOFA) in the year incurred.

A deficit repayment plan has been entered into by the Trust, the present value of these additional contributions was recognised as a liability in the balance sheet in the year ended 31 March 2020 and earlier. The SOFA reflected the finance cost in respect of unwinding the discount on this liability.

The transistion to FRS102 accounting took place in the year ended 31 March 2021.

The Trust also operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

FINANCIAL INSTRUMENTS

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

LEASING COMMITMENTS

Rentals paid under Operating Leases are charged to the SOFA as incurred over the terms of the lease.

	-	11,973	<u> </u>	11,973
TOTAL FUNDS	323,144	<u>(717,080</u>)		<u>(393,936</u>)

Comparative net movement in funds, included in the above are as follows:

	Incoming resources £	Resources expended £	Gains and losses	Movement in funds
Unrestricted funds	_		_	
General fund	377,747	(316,519)	(790,281)	(729,053)
Restricted funds				
Cadw Grants	306,293	(306,293)	-	-
The Foyle Foundation	10,000	(8,327)	-	1,673
This Time fund	22,265	(11,965)	-	10,300
LEADER Polygon pilot fund	4,499	(4,499)	-	
	343,057	(331,084)	<u> </u>	11,973
TOTAL FUNDS	720,804	<u>(647,603)</u>	<u>(790,281</u>)	<u>(717,080</u>)

Grants received from Cadw: Welsh Historic Monuments are subject to specific conditions, including a requirement that a separate audited account be submitted on a project by project basis. Grants from this source and corresponding expenditure are therefore treated as Restricted Funds.

Cadw grants are awarded for specific projects as agreed by Cadw in their offer of grant each year. The funds are to enable the Trust to: conserve and protect the historic environment of Wales including threat-related archaeological recordings, surveys, assessments, excavations and watching briefs; to identify historic assets of national importance; to provide curatorial services related to the regional Historic Environmental Record, including planning advisory services; to promote public understanding and appreciation of the Welsh Heritage; and to support community engagement with the historic environment.

The Foyle Foundation fund - £10,000 was received from the Foyle Foundation in year ended 31 March 2021 towards development of the charity's website and online resources to support digital outreach and engagement.

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2022

21. **MOVEMENT IN FUNDS - continued**

A General Reserve Policy has been established in order to maintain services should temporary problems be experienced in any of the major areas of income or expenditure, or if the Trust should become exposed to an unexpected financial contingency. It is intended and expected that the reserves would cover such financial shortfall in the short term until appropriate remedial action has been taken.

These funds have been recognised as a separate designated fund within the accounts.

22. **EMPLOYEE BENEFIT OBLIGATIONS**

The Trust is a member of a defined benefit pension scheme operated for the benefit of the employees of a number of archaeological organisations, called The Archaeological Organisations Pensions (AOP) Scheme, which requires contributions to be made to a separately administered pension fund. The assets of the scheme are invested and managed independently of the finances of the Trust. The latest triennial actuarial valuation using the Projected Unit Method was undertaken by an independent qualified Actuary, Quantum, as at 31 March 2021.

The pension scheme is a multi-employer scheme and is shared by three other charities. In year ended 31 March 2020 and earlier the actuarial reports did not enable each charity to identify its share of the underlying assets and liabilities on a consistent or reasonable basis. As a result the charity was unable to comply with the full provisions of FRS102. Disclosure was therefore made as if the scheme was a defined contribution scheme.

For the year ended 31 March 2021 sufficient information become available to enable the Trust to use defined benefit accounting, as such a net defined benefit is recognised in these and subsequent accounts.

There is currently a recovery plan in place to reduce the deficit on the pension scheme, this aims to eliminate the deficit by August 2030. In year ending 31 March 2020 and earlier a liability was recognised in the financial statements for these payments.

The main assumptions used in the actuarial valuations are as follows:

	2022	2021
Discount rate	2.70%	2.00%
RPI price inflation	3.70%	3.30%
CPI price inflation	3.00%	2.60%
Rate of increase in pensions in payment (LPI5)	3.50%	3.20%
	S3PxA (CMI	S3PxA (CMI
	2021 projections	2020
	with 1.25% LTR)	projections with
Post retirement mortality	ŕ	1.25% LTR)

The major categories of scheme assets are as follows:

•	2022	2022	2021	2021
	£	%	£	%
Equities	1,103,000	32.3%	1,485,000	43.3%
Bonds	606,000	17.8%	625,000	18.2%
Alternative	769,000	22.6%	363,000	10.6%
Annuities	669,000	19.6%	759,000	22.2%
Cash	263,000	7.7%	195,000	5.7%
	3,410,000	00.0%	3,427,000	00.0%
