for the year ended 31 December 2012

The directors of KAC Alarm Company Ltd present the report and audited accounts of the company for the year ended 31 December 2012

Principal activities

The principal activity of the company is that of manufacture and distribution of fire alarms

| Business review and future developments Management monitors the business using the following key indicators | 2012 % | <u>2011</u> <u>%</u> |
|--|-----------------------|-------------------------|
| Turnover % change compared with previous year, due to Volume | 1 6 1 6 | 26 |
| Gross profit % Operating result % of turnover Headcount % change compared with previous year | 33 8 22 2 (1 0) | 33 1 22 8 12 5 |

Turnover

A key action in 2012 was retaining existing business. In 2012 a new product range was introduced which has increased demand. Capital and resources have been invested in new products to be launched in 2013 which is expected to generate future growth for the company.

Gross profit

New product introduction, increased productivity and an increase in demand are key contributors to this performance

Operating result

The increase is driven by the gross margin contribution, offset by investment into R&D for new product launches

Headcount

Despite a small decrease the workforce has remained stable during 2012

The results for the year are in line with the directors' expectations

Strategy

The company maintains market share and sustainable growth through the following strategies

- Focus on customers, by delivering enhanced value year on year
- Continued operational excellence
- High quality products combined with superior customer service
- · Strong brand recognition through effective brand and channel management

Principal risks and uncertainties

The management of the business and the execution of the company's strategy are subject to a number of risks. The key business risks affecting the company are

- · changes in spending and capital investment patterns
- · fluctuation in customer demand
- · adverse economic conditions
- · raw material price fluctuations
- · obsolescence arising from a shift in technology
- · changes in legislation or government regulations or policies
- cost of employee retirement benefits
- · health and safety of employees and contractors

In response to the risks the company

- maintains a UK-wide presence and aims to have a competitive installed cost and integrated product solutions through technology and productivity,
- ensures continued recognition of brand and quality to maintain market position,
- · maintains a high technology offering while widening its product base and expanding into new areas,
- · implements supply chain and procurement initiatives,
- actively investigates new technologies and market trends,
- · monitors applicable regulations to ensure products and systems provide high quality solutions for current needs,
- ensures that pension schemes are adequately funded, and
- the company ensures that all reasonable steps are taken to provide a safe working environment

The company expects to continue its activities and its current level of performance for the foreseeable future

Financial risk management

Hedges

The company hedges its exposures to significant foreign currency movements

At 31 December, the fair value of unrealised assets/(liabilities) under hedge contracts was not material (2011 £nil)

Other risks

The company's exposure to risks such as prices, credit risk, liquidity, and cash flow is within reasonable commercial limits and these exposures are not hedged

Results and dividends

The company's profit for the financial year was £4,263,000 (2011 £4,418,000 profit) which will be transferred to reserves. The results for the year are shown on page 5

The directors do not recommend the payment of a dividend (2011 £nil)

Directors

The directors of the company who held office during the year and up to the date of signing these accounts were

David Wilson John Hakanson

Directors' indemnities

Pursuant to the Company's articles of association, the directors were throughout the year to 31 December 2012 and are at the date of this report entitled to a qualifying indemnity provision as defined in section 236 of the Companies Act 2006

Research and development

Research and development expenditure for the year amounted to £586,000 (2011 £503,000)

Directors' responsibilities statement

The directors are responsible for preparing the Directors' report and the accounts in accordance with applicable law and regulations

Company law requires the directors to prepare accounts for each financial year. Under that law the directors have prepared the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom accounting standards and applicable law). Under company law the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing these accounts, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts,
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will
 continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

In the case of each of the persons who is a director at the time this report is approved

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- each director has taken all the steps that he/she ought to have taken as at director to make him/herself aware of any relevant audit information and to establish that the company's auditors are aware of that information

Independent auditors' report

to the members of KAC Alarm Company Ltd

Registration number 01205354

We have audited the financial statements of KAC Alarm Company Ltd for the year ended 31 December 2012 which comprise the profit and loss account, the balance sheet and the related notes

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Respective responsibilities of directors and auditors

As explained more fully in the Directors responsibilities statement set out on page 3 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the report and accounts to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2012 and of its profit for the year then ended.
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice,
 and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Notes to the accounts

for the year ended 31 December 2012

KAC Alarm Company Ltd Registration number 01205354

1 Accounting policies

These accounts are prepared on a going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The accounting policies which have been applied consistently throughout the year are set out below.

Changes in accounting policies

The accounting policies have been reviewed by the board of directors in accordance with FRS18 "Accounting policies"

There were no changes to accounting standards in 2012 which were applicable to the company

Turnover and revenue recognition

Turnover comprises sales to customers and service revenues net of value added tax

Revenue from product and service sales is recognised on delivery and when acceptance by the customer has occurred

Leases

Rental costs under operating leases are charged to the profit and loss account in equal amounts over the period of the lease

Bad debt provision

An allowance for doubtful debts is made against trade debtors which exceed 180 days past due date. Provisioning made against debts subsequently settled after 180 days past due are released back to the current profit and loss account.

Research and development

All costs associated with research and development are written off to the profit and loss account in the year of expenditure

Foreign currency

Transactions denominated in foreign currency are booked using daily or monthly exchange rates prevailing when the transaction is recorded. Monetary assets and liabilities which are denominated in foreign currencies are translated into Pounds sterling at rates of exchange approximating to those ruling at the balance sheet date. Exchange gains or losses resulting from the year's trading are reflected in the operating results for the year. Exchange gains and losses from financing activities are recognised in interest income and expense. Gains or losses on foreign currency hedges obtained from the ultimate parent company are recognised when realised. The fair value of unrealised hedges at the year end is disclosed in the Directors' report if material.

Taxation

Current tax is the amount of tax estimated to be payable or recoverable in respect of the taxable profit or loss for a period, along with adjustments to estimates in respect of previous periods

Deferred tax

Deferred tax is recognised in respect of the future estimated tax consequences of transactions or events recognised in the accounts of the current and previous periods

Deferred tax assets are recognised to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis

Tangible assets and depreciation

Tangible assets are stated at historical purchase cost less accumulated depreciation. Depreciation is calculated using the straight line method at rates calculated to write down the cost to the estimated residual value over the estimate useful life. Cost comprises purchase costs together with any incidental expenses of acquisition. The annual depreciation rates used for the major assets are

| Buildings - short leasehold | Shorter of lease period or expected life |
|-----------------------------|--|
| Plant & machinery | 14% to 33% |
| Fixtures & fittings | 14% |

Land is not depreciated

Stocks are stated at the lower of cost incurred in bringing each product to its present location and condition, and net realisable value. The cost of raw materials, consumables and goods for resale represents purchase cost on a first-in, first-out basis The cost of work in progress and finished goods is the cost of direct materials and labour plus attributable overheads based on a normal level of activity Net realisable value is based on estimated selling price less any further costs expected to be incurred to completion and disposal Provisions for obsolete and slow moving stocks are made where appropriate Consignment stock is held by certain customers as part of maintenance agreements between the company and those customers this stock is replenished when used

Provisions

The company recognises a provision when it has a present obligation, either legal or constructive, which can be reliably measured and it is probable that the transfer of economic benefits will be required to settle that obligation Provisions are based on the best estimate of expenditure required to settle the obligation

Defined contribution plans are externally funded, with the assets of the plan held separately from those of the company in separate trustee administered funds Contributions to such plans are charged to the profit and loss account as they become payable

2 Cash flow statement and related party transactions

The company is a wholly owned subsidiary company of a group headed by Honeywell International Inc , and is included in the consolidated accounts of that company, which are publicly available. Consequently, the company has taken advantage of the exemption within FRS 1 "Cash flow statements" (revised 1996) from preparing a cash flow statement

In accordance with the exemptions available under FRS 8 "Related party disclosures", transactions with other wholly owned undertakings within the Honeywell group are not required to be disclosed in these accounts, on the grounds that this company is a wholly owned subsidiary of Honeywell International Inc, whose accounts are publicly available

18 Contingent liabilities

The company, with other Honeywell group companies in the UK, has provided a bank guarantee under a composite accounting agreement. Under this agreement, bank interest is calculated on the net group position after setting off positive and overdrawn cash balances. The maximum contingent liability under this agreement is the total of overdrawn balances held by group companies, amounting to £431,583,000 (2011 £568,591,000).

Positive cash balances held by the group exceeded overdrawn balances in 2012 and 2011.
