#### **About Inter-Action MK**

Inter-Action MK (www.interactionmk.org.uk) is an arts charity that has been improving the life chances and choices of people who face challenge across Milton Keynes since 1975. Almost as old as the City itself, we work across communities including schools work and open events, and we also create amazing projects with amazing people including Groovy Gecko, our nightclub for learning disabled adults, creating new community garden spaces with partners City Discovery Centre which offer opportunities for volunteering and events for a range of people who face challenge alongside local communities, work with Young Carers and creative digital projects. We work with trusted partners and have the support of our sector.

Our focus through 2021/2022 has involved:

- Continuing to adapt our projects to online or hybrid delivery.
- Researching new digital projects for our target communities of interest.
- Preparing a new 4-year plan.
- Developing new projects with medium to long term funding partners in view.

#### Risk

The Board of Trustees carry out a Risk Assessment on a quarterly basis through monitoring Management Accounts and regularly review operational policies including the Business Plan, Health and Safety Policy, Equal Opportunities Policy, Education Policy, Artistic Policy, Safeguarding policy, and Disciplinary Procedures.

The 4-year business plan identifies the following key risks for the organisation along with the mitigating actions to be undertaken:

Risk	Mitigating Action
Covid 19. Loss of earned income.	One of our projects which earns income towards core funding is a nightclub for learning disabled adults and this had to be suspended over the last 24 months.  We have been able to open again from April 2022, and have developed a new delivery structure, which should ensure a consistent small earned income return.
Failure to achieve financial stability. The programmes of work proposed for IAMK's future are highly fundable, and indeed have been identified as a priority locally and nationally across a portfolio of funding sources. We were successful in achieving 3-year project funding from Children in Need but the challenge remains attracting consistent core funding. Our reserves have again had to be deployed in this financial year to achieve the core funding required despite an increase in overall turnover and fundraising. The grant from MKC have switched from core support to project funding.	The Board will keep a firm hold on finances and funding by continuing with bimonthly meetings. Inter-Action has set up a Finance subgroup of 2 Trustees who meet monthly with the Director and the Accountant to monitor financial activity against projections.  We are working to increase our potential for earned income in 2022/23 with a new digital project and with grant bids to both MKC and ACE for organizational development and a digital uplift which will help our objectives to set up long term digital projects which can earn money.  Our new 4 year plan contains financial targets for medium to long term funding to include an uplift in core funding.  We build a percentage towards core funding into each funding bid.

#### TRUSTEES' ANNUAL REPORT (continued)

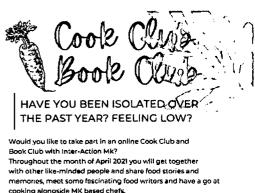

Risk	Mitigating Action
Board Development	In order to be credible to funders and partners and to be able to provide the Interim Director and incoming team with sufficient support, resource and challenge, the Board has expanded in number and skill base through the appointment of two new trustees in 2021/22 who are able to be fully active and engaged. Specific new key skills include a local councilor who has lived experience of complex disabilities and a care foundation executive with skills in strategic planning for charities. This has been achieved in part through new recruits.
Competition	Our work over the last 2 years has consolidated Inter-Action MK as a leader and strong partner within our sector locally. The work proposed requires specialist skills and clear commitment to deliver to a high standard that are not necessarily held by the most likely competitors. Other artists and organisations developing programmes with shared objectives can help to build visibility, audiences and demand for such work. Collaboration will be encouraged at all times. Inter-Action have developed a new 4-year plan which will include actions towards the objective of becoming the 'GoTo' organization within our sector by year 4.

#### **ACHIEVEMENTS AND PERFORMANCE**

The contribution made by Inter-Action (Milton Keynes) Limited to the community is recognised by revenue support from Milton Keynes Council and project grants from Milton Keynes Community Foundation, National Lottery and trusts and foundations including Children in Need.

#### The programme for 2021/22 included:

Young Carers Projects: . We ran a number of zoom clubs for Young Carers, with accompanying packs including the Magic Story Club and a Music Club in conjunction with Unit 9 Music venue and recording studio.

Young Carers attended a song writing course via zoom and then came to the music venue where they recorded their songs.

#### **Book Club Cook Club**

YEAR ENDED 31 MARCH 2022

#### Financial Review

The surplus on the ordinary activities of the company during the year amounted to £5,140 (2021: deficit of £3,984).

The principal funders of the organisation during the year were Milton Keynes Council, Youth Fund UK, Children in Need and Milton Keynes Community Foundation.

Total funds held by Inter-Action MK as at 31 March 2022 were £13,134 (2021: £7,994), consisting of unrestricted funds of £2,690 (2021: £994) and restricted funds of £10,444 (2021: £7,000).

The trustees are confident that Inter-Action MK is able to continue to meet its liabilities as they fall due for the foreseeable future and that the accounts should be prepared on a going concern basis.

#### **Reserves Policy**

The trustees aim to keep enough in unrestricted reserves to ensure sufficient resources are available to cover all notice and redundancy costs and future lease commitments in the event that they are required. In addition, the trustees aim to have sufficient unrestricted funds available to cover on-going projects should funding fail.

#### **Funding**

Inter-Action MK approaches fundraising as a team activity with the Director leading, and a range of approaches are taken to raise funds from the Arts Sector, Community Sector, Corporate Sector and Trusts. Inter-Action MK does not use the services of professional fundraisers or commercial participators to assist with its fund development. No complaints have been received regarding its fund development activities.

#### Covid-19

During the financial year, Inter-Action MK, along with other charities and organisations, was impacted by the Covid-19 pandemic. In addition to the Risk as outlined in the Risk register on page 4 and the associated Mitigating Actions listed, alternative funding sources are constantly under review and robust systems are in place to monitor and ensure that levels of cash/reserves are sufficient to sustain future planned expenditure. Our focus going forward will be to expand our capacity for earned income and to seek 2-3 year funding for extended project strands.

#### PLANS FOR FUTURE PERIODS

We will resume Groovy Gecko Nightclub.

We will continue to deliver projects with Young Carers and will look to our current funder for this work (Children in Need) for a new 3-year funding package from 2023/4 onwards.

We will run a pilot for a new online project for learning disabled adults which we hope eventually will run nationally and which will bring earned income to our core funding requirements.

We will run a pilot schools project with partners Living Archive and MAKE concentrating on encouraging creativity across the curriculum. This will form a new ongoing strand of work. We will run programmes in our gardens, starting this year with a partnership with local family

centres for parents with pre-school children leading off from the Queen's jubilee.

We achieve public benefit by the delivery of the above services; helping to provide Community Arts and Arts Development.

#### TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees (who are also the directors of Inter-Action (Milton Keynes) Limited for the purposes of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant information of which the charitable company's independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

The charitable company's trustees consider that an audit is not required for this year (under section 144(2) of the Act) and that an independent examination is required

#### **SMALL COMPANY PROVISIONS**

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Signed on behalf of the trustees

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2022 which are set out on pages ten to nineteen.

#### Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

#### Independent examiner's statement

I confirm that I am qualified to undertake the examination because I a member of The Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

#### NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED 31 MARCH 2022

#### 1. ACCOUNTING POLICIES

#### Basis of accounting

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) — (charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. Inter-Action (Milton Keynes) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

#### Covid-19 and going concern

In response to the Covid-19 pandemic, the Trustees have performed a robust analysis of forecast future cash flows taking into account any potential impacts on the charity of any possible future scenarios arising from the impact of Covid-19. This analysis also considers the effectiveness of available measures to assist in mitigating the impact. Based on these assessments and having regard to the resources available to the charity, the Trustees have concluded that there is no material uncertainty arising from the Covid-19 pandemic and that they can continue to adopt the going concern basis in preparing the annual report and accounts. The trustees are confident that Inter-Action MK is able to continue to meet its liabilities as they fall due for at least, but not limited to, 12 months from the date the accounts are approved. This statement has been prepared at a time when the immediate threat to our operations from Covid have receded. We are now well placed to pivot our work back to a hybrid or largely digital model.

#### Cash flow statement

The trustees have taken advantage of the exemption in SORP Bulletin 1, published in February 2016, which exempts small charities from preparing a cash flow statement.

#### Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in the furtherance of the general objectives of the charity and which have not been designated for other purposes. Restricted funds are funds which are used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

#### Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributable to particular headings they have been allocated on a basis consistent with use of resources. Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management carried out on the premises.

#### Expenditure

All fixed assets are initially recorded at cost. Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Computer equipment

- 50% straight line

Fixtures and fittings

- 33% straight line

#### 1. ACCOUNTING POLICIES (continued)

#### **Pension costs**

#### Income

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Summer Challenge. We ran a summer challenge for children including a Design a Children's Garden competition, a family growing and cooking challenge and a Book Club. Aware of 'zoom fatigue', we combined digital online workshops with lovely hand-on packs full of beautifully crafted elements which were delivered to participant's doors. We ran small online groups and allowed for wider participation through the website.

Anglian Water. This funding via the local Community Foundation enabled us to run the CookClub Book Club project with older adults, isolated through Covid.

Friday Show. We have secured funding from Care Tech Foundation and small amounts from Community Foundation to set up a pilot for a digital TV show with and for adults with additional support needs

Youth Fund UK. This funding enabled us to stabilize our core and reserves and to run Music Clubs and other work with young people

Nature Fest: In collaboration with the City Discovery Centre, Inter-Action Mk created and managed a week long online NatureFestival which encouraged participation and linked with both local and national organisations and opportunities with a new theme each day. We ran creative tutorials, we linked with citizen science projects and ran 'How To' films and articles for families and individuals.
