Risk

The Board of Trustees carry out a Risk Assessment on a quarterly basis through monitoring Management Accounts and regularly review operational policies including the Business Plan, Health and Safety Policy, Equal Opportunities Policy, Education Policy, Artistic Policy, Safeguarding policy, and Disciplinary Procedures.

The 4-year business plan identifies the following key risks for the organisation along with the mitigating actions to be undertaken:

Risk	Mitigating Action
Loss of earned income. Need to gain Core Income	One of our projects which earns income towards core funding is a nightclub for learning disabled adults and, due to COVID, this had to be suspended over the last 24 months. We have been able to open again from April 2022, and have developed a new delivery structure, which should ensure a consistent small earned income return. We are working to increase our potential for earned income in 2022/23 with a new digital project and with grant bids to MKC for organisational development and a digital uplift which will help our objectives to set up long term digital projects which can earn money. We have diversified our fundraising to include small 'asks' to small Trusts for general costs. Our new 4 year plan contains financial targets for medium to long term funding to include an uplift in core funding. We build a percentage towards core funding into each funding bid.
Failure to achieve financial stability. The grant from MKC has switched from core support to project funding.	The Board will keep a firm hold on finances and funding by continuing with bimonthly meetings. As our 3 year funding from Children in Need ends in 2023, we will seek a further 3 year funded grant. We are also applying to the Paul Hamlyn Foundation for 3 year funding for the Zerena project. Should the Friday Show pilots be successful, then we will apply to the CareTech foundation for 3 year funding to develop the show into an income earning model.

YEAR ENDED 31 MARCH 2023

Risk	Mitigating Action
Board Development	In order to be credible to funders and partners and to be able to provide the Interim Director and incoming team with sufficient support, resource and challenge, the Board has expanded in number and skill base through the appointment of two new trustees who are able to be fully active and engaged. Specific new key skills include a local councilor who has lived experience of complex disabilities and a care foundation executive with skills in strategic planning for charities. This has been achieved in part through new recruits.
Competition	Our work over the last 4 years has consolidated Inter-Action MK as a leader and strong partner within our sector locally. The work proposed requires specialist skills and clear commitment to deliver to a high standard that are not necessarily held by the most likely competitors. Other artists and organisations developing programmes with shared objectives can help to build visibility, audiences and demand for such work. Collaboration will be encouraged at all times. Inter-Action have developed a new 4-year plan which will include actions towards the objective of becoming the 'GoTo' organization within our sector by year 4.

ACHIEVEMENTS AND PERFORMANCE

The contribution made by Inter-Action (Milton Keynes) Limited to the community is recognised by revenue support from Milton Keynes Council and project grants from the National Lottery Community Fund and trusts and foundations including Children in Need and the CareTech Charitable foundation.

The programme for 2022/23 included:

Young Carers Projects: We ran additional Music Clubs for Young Carers, with Club in conjunction with Unit 9 Music venue and recording studio.

Young Carers attended a song writing course via zoom and then came to the music venue where they recorded their songs. BBC local radio featured a cover of Imagine recorded by the Young Carers and an interview with Inter-Action on Children in Need Day. Funding is from BBC Children in Need

Little Acorns: We have developed a medium term project in conjunction with local Children's Centres and our hosts at City Discovery Centre. The project focuses on working with families with pre school children on creative growing and cooking projects. We have begun a transformation of Rainbow Centre's Outdoor space which will continue into 23/34, and a project on birds with Windmill Family Centre. Funding is from National Lottery.

The Friday Show: We are developing a digital tv show with and for adults with additional needs. We received funding to develop a number of pilots from CareTech Foundation and Community Foundation. This year we recruited participants and film makers, set up focus groups, and began running sessions. This project will continue into 2023/24

The Zerena Project: We received funding from MKC to support Living archive and MAKE in setting up a legacy project and the promotion of a documentary about a vintage Inter-Action project in the late 80's championing immersive creative education. The programme included a screening at MK Gallery with a keynote speech by author Michael Rosen. Zerena will continue into 23/24

Groovy Gecko: Our long running nightclub with and for adults with additional needs finally relaunched from April 2022 and much fun and joy is being had by all. We now have regular theme nights and occasional guests. The programme pays for itself and also contributes to our core funding.

Financial Review

The surplus on the ordinary activities of the company during the year amounted to £10,033 (2022: surplus of £5,140).

The principal funders of the organisation during the year were Milton Keynes Council, National Lottery Community Fund, CareTech Foundation and Children in Need.

Total funds held by Inter-Action MK as at 31 March 2023 were £23,167 (2022: £13,134), consisting of unrestricted funds of £5,467 (2022: £2,690) and restricted funds of £17,700 (2022: £10,444).

The trustees are confident that Inter-Action MK is able to continue to meet its liabilities as they fall due for the foreseeable future and that the accounts should be prepared on a going concern basis.

Reserves Policy

The trustees aim to keep enough in unrestricted reserves to ensure sufficient resources are available to cover all notice and redundancy costs and future lease commitments in the event that they are required. In addition, the trustees aim to have sufficient unrestricted funds available to cover on-going projects should funding fail.

Funding

Inter-Action MK approaches fundraising as a team activity with the Director leading, and a range of approaches are taken to raise funds from the Arts Sector, Community Sector, Corporate Sector and Trusts. Inter-Action MK does not use the services of professional fundraisers or commercial participators to assist with its fund development. No complaints have been received regarding its fund development activities.

PLANS FOR FUTURE PERIODS

We plan to work on projects over 3-5 years and to achieve medium term funding to carry this out.

Projects include:

The Friday Show and Groovy Gecko
Little Acorns and a Children's Garden
The Zerena Project
Young Carers and Looked after children

TRUSTEES'-RESPONSIBILITIES STATEMENT

The trustees (who are also the directors of Inter-Action (Milton Keynes) Limited for the purposes of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant information of which the charitable company's independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

The charitable company's trustees consider that an audit is not required for this year (under section 144(2) of the Act) and that an independent examination is required.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. Inter-Action (Milton Keynes) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

The trustees are confident that Inter-Action MK is able to continue to meet its liabilities as they fall due for at least, but not limited to, 12 months from the date the accounts are approved.

Cash flow statement

The trustees have taken advantage of the exemption in SORP Bulletin 1, published in February 2016, which exempts small charities from preparing a cash flow statement.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in the furtherance of the general objectives of the charity and which have not been designated for other purposes. Restricted funds are funds which are used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributable to particular headings they have been allocated on a basis consistent with use of resources. Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management carried out on the premises.

Pension costs

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the statement of financial activities.

Income

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.
