At any time after the Security Interests created under this Deed has become enforceable, the Lender may (without prejudice to any other of its rights and remedies and without notice to any Chargor) do all or any of the following:

- (a) serve notice on any bank at which a Charged Account is open, terminating the Chargor's right to operate such Charged Account;
- (b) exercise all the Rights given to mortgagees by the Act, as varied and extended by this Deed, without the restrictions contained in sections 103 or 109(1) of the Act;
- (c) exercise the power of leasing, letting, entering into agreements for leases or lettings or accepting or agreeing to accept surrenders of leases in relation to any Security Asset, but without the restrictions imposed by sections 99 and 100 of the Act;
- (d) to the extent that any Security Asset constitutes Financial Collateral, appropriate it and transfer the title in and to it to the Lender insofar as not already transferred, subject to paragraphs (1) and (2) of Regulation 18;
- (e) subject to clause 10.1 (*Appointment*), appoint one or more persons to be a Receiver or Receivers of all or any of the Security Assets;
- (f) appoint an administrator of any Chargor; and
- (g) taking any other action it may decide in any jurisdiction other than England.

### 9.3 Disposal of the Security Assets

In exercising the powers referred to in clause 9.2 (*Powers on enforcement*), the Lender or any Receiver may sell or dispose of all or any of the Security Assets at the times, in the manner and order, on the terms and conditions and for the consideration determined by it.

### 9.4 Application of proceeds

All money received by the Lender or a Receiver under or in connection with the Finance Documents (whether during, or before, enforcement of any Security Interest under this Deed or any other Finance Document) will be applied in accordance with and subject to the terms of any Intercreditor Agreement and to the extent there is no Intercreditor Agreement, in the following order:

- (a) **first**, in satisfaction of, or provision for, all costs, charges and expenses incurred, and payments made by the Lender or any other Secured Party and of all remuneration due to the Receiver in connection with this Deed or the Security Assets;
- (b) **secondly**, in or towards satisfaction of the remaining Secured Obligations; and
- (c) **thirdly**, in payment of any surplus to a Chargor or other person entitled to it

## 10 Appointment and Powers of Receiver

### 10.1 Appointment

A Receiver must be appointed by the Lender by an instrument in writing, and otherwise in accordance with the Insolvency Legislation. The appointment of a Receiver may be made subject to such limitations as are specified by the Lender in the appointment. If more than one person is appointed as a Receiver, each person will have power to act independently of any other, except to the extent that the Lender may specify to the contrary in the appointment. Subject to the Insolvency Legislation, the Lender may remove or replace any Receiver.

### 10.2 Powers

A Receiver will have the powers given to him by the Insolvency Legislation, the powers given to a mortgagee or a receiver by Act, but without the restrictions contained in section 103 of the Act and the power to do, or omit to do, on behalf of a Chargor, anything which that Chargor itself could have done, or omitted to do, if its assets were not the subject of Security Interests and that Chargor were not in insolvency proceedings. Except to the extent provided by law, none of the powers described in this clause 10 will be affected by an Insolvency Event in relation to a Chargor.

### 10.3 Status and remuneration

- (a) A Receiver will be the agent of the relevant Chargor, which will be solely responsible for his acts and defaults and for the payment of his remuneration.
- (b) The Lender may from time to time determine the remuneration of any Receiver.

### 10.4 Third parties

A person dealing with the Lender or with a Receiver is entitled to assume, unless it has actual knowledge to the contrary, that:

- (a) those persons have the power to do those things which they are purporting to do; and
- (b) they are exercising their powers properly.

## **11 Preservation of Security Interests**

### **11.1 Waiver of defences**

Neither the Security Interests created by this Deed nor the obligations of any Chargor under this Deed will be affected by an act, omission, matter or thing which, but for this clause 11.1, would reduce, release or prejudice that Security Interests or any of those obligations under this Deed (whether or not known to it or the Lender or any other Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Chargor or other person;
- (b) the release of any Chargor or any other person under the terms of any composition or arrangement with any creditor of any Chargor or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Chargor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Chargor or any other person;
- (e) any amendment (however fundamental) or replacement of a Finance Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

### **11.2 Immediate recourse**

Each Chargor waives any right it may have of first requiring the Lender to proceed against or enforce any other rights or security or claim payment from any person before enforcing the Security Interests constituted by this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

### **11.3 Appropriations**

Until the expiry of the Security Period, the Lender may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Lender in respect of the Secured Obligations, or apply and enforce the same in accordance with any Intercreditor Agreement; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability in respect of the Secured Obligations.

### **11.4 Deferral of Chargors' rights**

Until the expiry of the Security Period, and unless the Lender otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents:

- (a) to be indemnified by any other Chargor;

- (b) to claim any contribution from any other guarantor of any Chargor's obligations under the Finance Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Lender's rights under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Lender.

## **12 Duration of the Security Interests**

- (a) The liabilities of each Chargor under the Finance Documents and the Security Interests created by this Deed will continue until the Secured Obligations have been irrevocably and unconditionally paid or discharged in full, regardless of any intermediate payment or discharge in whole or in part.
- (b) If any payment by a Chargor or any other security provider or any release given by the Lender (whether in respect of the Secured Obligations or any security for them or otherwise) is avoided or reduced as a result of an Insolvency Event or any similar event:
  - (i) the liability of such Chargor under this Deed will continue as if the payment, release, avoidance or reduction had not occurred; and
  - (ii) the Lender will be entitled to recover the value or amount of that security or payment from such Chargor, as if the payment, release, avoidance or reduction had not occurred.
- (c) Section 93 of the Act will not apply to this Deed.

## **13 Expenses, liability and indemnity**

- (a) Each Chargor will, within three Business Days of demand:
  - (i) pay the Lender the amount of all costs and expenses (including legal and valuation fees) reasonably incurred by the Lender in connection with the negotiation, preparation, printing and execution of this Deed and any other documents referred to in this Deed; and
  - (ii) pay all other costs and expenses (including legal fees) incurred from time to time in connection with the enforcement of or preservation of rights under this Deed by the Lender, any Receiver or other person appointed by the Lender under this Deed or by statute, and keep each of them indemnified against any failure or delay in paying the same.
- (b) Neither the Secured Parties nor a Receiver nor any of their Officers will be in any way liable or responsible to a Chargor for any loss or liability of any kind arising from any act or omission by it of any kind (whether as mortgagee in possession or otherwise) in relation to the Security Assets or this Deed, except to the extent caused by its own gross negligence or wilful misconduct.
- (c) Each Chargor shall promptly indemnify the Lender, any Receiver and every Delegate against any cost, loss or liability reasonably incurred by any of them as a result of:
  - (i) the taking, holding, protection or enforcement of the Security Interests under this Deed in accordance with its terms;
  - (ii) the exercise of any of the rights, powers, discretions and remedies vested in the Lender and each Receiver and Delegate by this Deed or by law; and

- (iii) any default by any Chargor in the performance of any of the obligations expressed to be assumed by it in the Finance Documents.
- (d) The Secured Parties and any Receiver will be entitled to be indemnified out of the Security Assets in respect of the actions, proceedings, demands, claims, costs, expenses and liabilities referred to in this clause 13.

## 14 Power of Attorney

- (a) Each Chargor, by way of security, irrevocably appoints each of the Lender and any Receiver severally to be its attorney to do anything:
  - (i) which the Chargor is obliged to do under the Finance Documents; or
  - (ii) which the attorney may require to exercise any of the Rights conferred on it by this Deed or by law,

following the occurrence of an Event of Default which is continuing or following the failure by that Chargor to comply within ten Business Days from receipt of a written request from the Lender in accordance with the terms of this Deed, to take any action and sign or execute any further documents which that Chargor is required to take, sign or execute in accordance with this Deed.

- (b) Each Chargor agrees, on the request of the Lender or any Receiver, to ratify and confirm all such action taken.

## 15 Remedies

- (a) The Rights created by this Deed are in addition to any other Rights of the Secured Parties against the Chargors or any other security provider under any other documentation, the general law or otherwise. They will not merge with or limit those other Rights, and are not limited by them.
- (b) No failure by a Secured Party to exercise any Right under this Deed will operate as a waiver of that Right. Nor will a single or partial exercise of a Right by a Secured Party preclude its further exercise.
- (c) If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision in any other respect or under the law of any other jurisdiction will be affected or impaired in any way.

## 16 Notices

Any communications to be made under or in connection with this Deed will be made in accordance with clause 15 (*Notices*) of the Loan Agreement.

## 17 Miscellaneous

### 17.1 Accession of Affiliates

- (a) To the extent that any Affiliate of the Original Chargor is required by the terms of the Finance Documents to provide Security Interests over its assets under English law, it may do so by executing a Deed of Accession and such Affiliate will on the date which such Deed of Accession is executed by it become a party to this Deed in the capacity of a Chargor and this Deed will be read and construed for all purposes as if such

company had been an original party to this Deed as a Chargor (but for the avoidance of doubt the security created by such company will be created on the date of the Deed of Accession).

- (b) Each Chargor (other than the Original Chargor) by its execution of this Deed or any Deed of Accession, irrevocably appoints the Original Chargor to execute on its behalf any Deed of Accession without further reference to or the consent of such Chargor and such Chargor will be bound by any such Deed of Accession as if it had itself executed such Deed of Accession.

## 17.2 Charged Accounts

At any time before the Security Interests created by this Deed has become enforceable, in the absence of any directions from the Lender to the contrary, any amount permitted by the terms of the Finance Documents to be paid into a Charged Account will on payment into such account stand released from the fixed charge created by clause 3.3 (*Fixed charge*) and will stand subject to the floating charge created by clause 3.5(a) (*Floating charge*), provided that such release will in no respect prejudice the continuance of any fixed charge created by clause 3.3 (*Fixed charge*) in respect of any other amount.

## 18 Governing Law and Jurisdiction

### 18.1 Governing Law

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

### 18.2 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).
- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This clause 18.2 (*Jurisdiction*) is for the benefit of the Secured Parties only. As a result, no Secured Party will be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, a Secured Party may take concurrent proceedings in any number of jurisdictions.

This Deed has been executed as a deed, and it has been delivered on the date stated at the beginning of this Deed.
