- 5.2 The Chargor will notify the Issuer immediately in the event of any creditor exercising diligence against it or any of the Charged Assets or taking any steps which might be expected to lead thereto.

6. ENFORCEMENT

- 6.1 At any time upon or after the occurrence of (a) a Servicer Termination Event, or (b) an Insolvency Event in respect of the Chargor, the power to appoint a receiver of the Charged Assets shall be immediately exercisable in relation to the security created by the Chargor by or pursuant to this Instrument, and the Issuer may then by instrument in writing appoint any person or persons (if more than one with power to act both jointly and severally) to be a receiver of the Charged Assets. In addition and without prejudice to the foregoing provisions of this Clause 6.1, in the event that any person appointed in pursuance hereof to be a receiver as aforesaid shall be removed by a court or shall otherwise cease to act as such, then the Issuer shall be entitled so to appoint another person as receiver in his place.
- 6.2 A receiver so appointed shall have and be entitled to exercise all the powers conferred upon such a receiver by the Insolvency Act and in addition to and without limiting these powers, such receiver shall have power to:
 - (a) implement and exercise all or any of the Chargor's powers and/or rights and/or obligations under any contract or other agreement forming a part of the Charged Assets;

7.1 Any receiver appointed under Clause 6 (*Enforcement*) shall be the agent of the Chargor for all purposes and (subject to the provisions of the Insolvency Act) the Chargor alone shall be responsible for his contracts, engagements, acts, omissions, defaults and losses and for liabilities incurred by him and for his remuneration and his costs, charges and expenses, and the Issuer shall not incur any liability therefor (either to the Chargor or any other person) by reason of the Issuer making his appointment as such receiver or for any other reason whatsoever.

7.2 Any receiver appointed under Clause 6 (*Enforcement*) shall be entitled to remuneration for his services and the services of his firm appropriate to the responsibilities involved upon the basis of charging from time to time adopted by the receiver in accordance with the current practice of the receivers of his firm. Such remuneration shall be payable by the Chargor alone and the amount of such remuneration shall form part of the Secured Liabilities and accordingly be secured on the Charged Assets under the floating charge created by this Instrument.

8. APPLICATION OF ENFORCEMENT MONIES

All monies received by the Issuer or any receiver shall be applied by them, subject to the claims of any creditors ranking in priority to or *pari passu* with the claims of the Issuer hereunder, in the following order:

- (a) in or towards payment of all costs, charges and expenses of or incidental to the appointment of a receiver and the exercise of all or any of his powers, including his remuneration and all outgoings properly paid by and liabilities incurred by him and/or the Issuer as a result of such exercise;
- (b) in or towards satisfaction of the Secured Liabilities in accordance with the Transaction Documents; and
- (c) any surplus shall be paid to the Chargor or any other person entitled thereto.

9.1 The Issuer may at any time release the Chargor from any or all of its obligations under or pursuant to this Instrument and/or all or any part of the Charged Assets from the security created by this Instrument upon such terms as the Issuer may think fit but nothing in this Instrument, shall constitute or is intended to constitute a release of any of the Charged Assets.

9.2 Upon irrevocable payment or discharge in full of the Secured Liabilities, the Issuer shall at the Chargor's request and cost release to the Chargor (or as it may direct) the Charged Assets from the floating charge hereby created.

10. PROTECTION OF SECURITY

- 10.1 The security created by this Instrument shall be a continuing security notwithstanding any settlement of account or other matter or thing whatsoever, and in particular (but without prejudice to the generality of the foregoing) shall not be considered satisfied by an intermediate repayment or satisfaction of part only of the Secured Liabilities, and shall continue in full force and effect until total and irrevocable satisfaction of all the Secured Liabilities.
- 10.2 The security created by this Instrument shall be in addition to and shall not in any way prejudice or be prejudiced by any collateral or other security, right or remedy which the Issuer may now or any time hereafter hold for all or any part of the Secured Liabilities.
- 10.3 No failure on the part of the Issuer to exercise and no delay on its part in exercising any right, remedy, power or privilege under or pursuant to this Instrument or any other document relating to or securing all or any part of the Secured Liabilities will operate as a waiver thereof, nor will any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies provided in this Instrument and any such other document are cumulative and not exclusive of any right or remedies provided by law.
- 10.4 Each of the provisions in this Instrument shall be severable and distinct from one another and if at any time any one or more of such provisions is or becomes or is declared null and void, invalid, illegal or unenforceable in any respect under any law or otherwise howsoever the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby.
- 10.5 Neither the security created by this Instrument nor the rights, powers, discretions and remedies conferred upon the Issuer by this Instrument or by law shall be reduced, discharged, impaired or otherwise affected by reasons of:
- (a) any present or future security, guarantee, indemnity or other right or remedy held by or available to the Issuer being or becoming wholly or in part void, voidable or unenforceable on any ground whatsoever or by the Issuer from time to time exchanging, varying, realising, releasing or failing to perfect or enforce any of the same; or
 - (b) the Issuer compounding with, discharging or releasing or varying the liability of, or granting any time, indulgence or concession to, the Chargor or any other person or renewing, determining, varying or increasing any accommodation or transaction in any manner whatsoever or concurring in accepting or varying any compromise, arrangement or settlement or omitting to claim or enforce payment from the Chargor or any other person; or
 - (c) any act or omission which would not have discharged or affected the liability of the Chargor had it been a principal debtor instead of cautioner or by anything done or omitted which but for this provision might operate to exonerate the Chargor from the Secured Liabilities; or

- (d) any legal limitation, disability, incapacity or other similar circumstances relating to the Chargor.

10.6 The Issuer shall not be obliged, before exercising any of the rights, powers or remedies conferred upon it by or pursuant to this Instrument or by law, to:

- (a) take any action or obtain judgment or decree in any court against the Chargor;
- (b) make or file any claim to rank in a winding-up or liquidation of the Chargor; or
- (c) enforce or seek to enforce any other security taken, or exercise any right or plea available to the Issuer, in respect of any of the Chargor's obligations other than this Instrument.

11. FURTHER ASSURANCE

The Chargor shall execute and do all such assurances, acts and things and deliver all such documents as the Issuer may require for perfecting or protecting the security created by or pursuant to this Instrument over the Charged Assets in accordance with Clause 7 (*Further Assurance*) of the Receivables Purchase Agreement and shall, in particular, execute all fixed securities, floating charges, assignments, securities, transfers, dispositions and assurances of the Charged Assets whether to the Issuer or to its nominee(s) or otherwise and give all notices, orders and directions which the Issuer, acting reasonably, may think expedient.

12. MANDATE AND ATTORNEY

12.1 The Chargor hereby irrevocably appoints the Issuer and any receiver to be its mandatory and attorney for it and on its behalf and in its name or otherwise and as its act or deed to create or constitute, or to make any alteration or addition or deletion in or to, any documents which the Issuer or receiver may require for perfecting or protecting the title of the Issuer or receiver to the Charged Assets or for vesting any of the Charged Assets in the Issuer or receiver or its nominees or any purchaser and to re-deliver the same thereafter and otherwise generally to sign, seal and deliver and otherwise perfect any fixed security, floating charge, document or act which may be required or may be deemed proper by the Issuer or receiver on or in connection with any sale, disposition, realisation, getting in or other enforcement by the Issuer or receiver of all or any of the Charged Assets.

12.2 The Chargor hereby ratifies and confirms and agrees to ratify and confirm whatever any such mandatory or attorney shall do in the exercise or purported exercise of all or any of the powers, authorities and discretions referred to in this Clause 12.

13. INDEMNITY

The Issuer, every receiver and every attorney, manager, agent or other person appointed by the Issuer or any such receiver in connection herewith shall be entitled to be indemnified out of the Charged Assets in respect of all liabilities and expenses properly incurred by them or him in the execution or purported execution of any of the powers, authorities or discretions vested in them or him pursuant hereto and against all actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted in any way relating to the Charged Assets, but excluding any FATCA deduction, and the Issuer and any receiver may retain and

pay all sums in respect of the same out of any monies received under the powers hereby conferred.

14. AVOIDANCE OF PAYMENTS

Any amount which has been paid by a party to the Issuer and which is, in the opinion of the Issuer, capable of being reduced or restored or otherwise avoided in whole or in part in the liquidation or administration of that party, shall not be regarded as having been irrevocably paid for the purposes of this Instrument.

15. NOTICES

All notices, requests, demands and other communications to be given under this Instrument shall be made as set out in paragraph 18 (*Notices*) of part 1 (*General Common Terms*) of the Common Terms.

17. GOVERNING LAW AND JURISDICTION

17.1 This Instrument shall be governed by, and construed in all respect in accordance with, the law of Scotland.

17.2 For the benefit of the Issuer, the Chargor irrevocably agrees that the Court of Session in Edinburgh is to have jurisdiction to settle any disputes which may arise out of or in connection with this Instrument and that, accordingly, any suit, action or proceedings arising out of or in connection with this Instrument ("**Proceedings**") may be brought in that court. The Chargor irrevocably waives any objection to Proceedings in that court on the grounds of venue or on the ground that the Proceedings have been brought in an inconvenient forum.

17.3 Nothing in this Clause 17 shall affect any right any person may have to take Proceedings in any other jurisdiction nor shall the taking of Proceedings in any jurisdiction preclude any person from taking Proceedings in any other jurisdiction.

17.4 The Chargor irrevocably consents to any process in any Proceedings anywhere being served by mailing a copy by registered or certified prepaid post to it in accordance with the terms of
