DIRECTORS' REPORT FOR THE YEAR ENDED 31ST JULY 1996

The Directors present their Report and the Financial Statements for the year ended 31st July 1996.

1. Statement of Directors' Responsibilities

Company law requires the Directors to prepare Financial Statements for each financial year which give a true and fair view of the state of the affairs of the Company and of the profit or loss of the Company for that period. In preparing those Financial Statements, the Directors are required to:

- select suitable accounting policies then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the Financial Statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

2. Results and Dividends

The Accounts for the year ended 31st July 1996 disclosing a Net Loss of £8,585 are attached and it is proposed that this be carried to reserves leaving a deficit of £1,557.

The Directors do not recommend the payment of any dividend.

3. Review of Business

The Directors are disappointed with the results, but at least take some comfort from the improvement on the previous year showing some recovery in fortunes, which they hope will continue during the current year.

4. Principal Activity

The Company's principal activity continues to be the sale of motor vehicles.

5. Fixed Assets

Movements in Fixed Assets are as shown on the Accounts and the Notes attached thereto.

6. <u>Directors</u>

The Directors had the following interest in the Share Capital of the Company:

	1996	1995
Mrs. E. E. Swain (Company Secretary)	500	500
D. G. Swain, Esq. (Chairman)	9,501	9,501
R. S. Thomson, Esq.	9,999	9,999

No Contract or Arrangement has subsisted during the year in which any Director is interested.

7. Auditor

The Company's Auditor, John Redwood of Lower Hawkerland, Aylesbeare, Exeter has indicated his willingness to continue in office as Auditor and a Resolution proposing his reappointment will be submitted to the Annual General Meeting.

D. G. SWAIN, ESQ. (CHAIRMAN)

AUDITOR'S REPORT TO THE MEMBERS OF D. G. SWAIN LTD. T/A SWAINS FAMILY CAR CENTRE ON THE ACCOUNTS FOR THE YEAR ENDED 31ST JULY 1996

I have audited the financial statements on pages 3 to 9 which have been prepared under the historical cost convention and the accounting policies set out on page 5.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described on pages la and lb the Company's Directors are responsible for the preparation of financial statements. It is my responsibility to form an independent opinion, based on my audit, on those statements and to report my opinion to you.

BASIS OF OPINION

I conducted my audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In my opinion the financial statements give a true and fair view of the state of the Company's affairs as at 31st July, 1996 and of its loss for the period then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31ST JULY 1996

1. ACCOUNTING POLICIES

(a) DEPRECIATION OF FIXED ASSETS

(i) Freehold Buildings.

The freehold site was revalued on 6th May, 1992.

The revalued figure has been depreciated at 2% on the straight line method of depreciation. The portion of depreciation relating to original cost has been charged to the Profit and Loss Account whilst the portion relating to the revaluation surplus has been debited to the revaluation reserve. The Directors are aware that the accounting treatment of depreciation in respect of the revalued element is not in accordance with SSAP 12. However, they are of the opinion that the application of the above accounting policy more accurately complies with the requirement to show a true and fair view of the Company's results and Balance Sheets.

(ii) Plant and Equipment.

Plant and Equipment has been depreciated at the rate of 15% on the reducing instalment method in order to write off the cost of these assets over their effective useful lives.

(b) TURNOVER

The turnover of the Company represents the value of sales excluding Value Added Tax. There were no exports.

(c) ACCOUNTING CONVENTION

The Accounts have been prepared under the 'historical cost convention', with the exception of the freehold premises at Pocombe Bridge which have been revalued at 6th May, 1992. The Accounts include the results of the Company's operations which are described in the Directors' Report and all of which are continuing.

(d) STOCK IN HAND

This has been valued at the lower of cost and net realizable value as valued by the Directors after making due allowance for any obsolete or slow moving items. Cost comprises FIFO invoiced cost in respect of goods for direct resale, and invoiced cost plus a proportion of direct expenses in respect of vehicles.

(e) CASH FLOW STATEMENT

The Company has taken advantage of the exemption available from producing a Cash Flow Statement under Financial Reporting Standard 1.

(f) DEFERRED TAXATION

Provision is made for taxation deferred as a result of material timing differences between the incidence of income and expenditure for taxation and accounts purposes, using the liability method, only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the near future.

(q) PENSIONS

The Company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Company to the fund in respect of the year.

12. EXTRAORDINARY ITEM

The Investment Property at 3, Chantry Meadow was jointly owned by the Company and an ex-employee. The premises were sold and the Company has been liable for the employees outstanding mortgage commitment. The total amount outstanding was £19,206 and this debt has been written off during the year ended 31st July, 1995. The one off occurrence of this item and its unusual nature, in the opinion of the directors, warrants its treatment as an extraordinary item.
