#### 1 3 Tangible fixed assets and depreciation

In accordance with SSAP 19 i) investment properties are revalued annually and the aggregate surplus or deficit is transferred to a revaluation reserve, and ii) no depreciation or amortisation is provided in respect of freehold properties and leasehold investment properties with more than twenty years to run. The directors consider that this accounting policy results in the financial statements giving a true and fair view. #### 14 Investments

Fixed asset investments are stated at cost less provision for diminution in value

#### 15 Investment properties

Investment properties shown in the financial statements as freehold land and buildings, are held for the generation of rental income. These assets are revalued at the balance sheet date on the basis of open market valuation, the surplus/deficit being included in revaluation reserve.
