STATEMENT OF DIRECTORS'S RESPONSIBILITIES

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

QUANTUM ARTISTS LIMITED

We have audited the Financial Statements on pages 7 to 13 which have been prepared under the historical cost convention and the accounting policies set out on Page 9.

Respective responsibilities of Directors and Auditors

As described on page 5 the company's Directors are responsible for the preparation of Financial Statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the Financial Statements. It also includes an assessment of the significant estimate and judgements made by the Directors' in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so far as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the Financial Statements.

Opinion

In our opinion the Financial Statements give a true and fair view of the state of the company's affairs as at 31 December 1997 and of its Profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

The Notes on pages 9 to 13 form part of these Accounts.

NOTE: 1
ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION

These Accounts are prepared in accordance with the historical cost convention and include the results of the company's operations which are described in the Directors' Report and all of which are continuing.

The company has taken advantage of the exemption in the Financial Reporting Standard No.1 from the requirements to produce a Cash Flow Statement on the grounds that it is a 'small company'.

1.2 TANGIBLE FIXED ASSETS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful working life less its residual value using the reducing balance method.

Office Furniture and Equipment	10% p.a
Leased - Office Equipment	25% p.a

Improvement to Leasehold Property which was previously being amortised over a period of twenty years from 1989 on a straight line basis has been completely amortised over a two year period on a straight line basis, commencing in year ending 31 December 1994 as the Directors do not consider that it has any significant value.

1.3 LEASING

Assets obtained under finance leases are capitalised as Tangible Fixed Assets. Assets acquired by finance lease are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the Profit and Loss Account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

1.4 DEFERRED TAXATION

In compliance with Statement Accounting practice No.15, no provision is considered necessary for any potential Taxation Liability in respect of timing differences arising between results as computed for taxation purposes and results as stated in these accounts as, in the opinion of the Directors, they do not foresee any liability arising as a result of the reversal of timing differences for some considerable year ahead and there is no indication that, after this year, the situation is likely to change so as to create liabilities for which provision is considered necessary.

NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 1997 (CONTINUED)

NOTE: 1

ACCOUNTING POLICIES (CONTINUED)1.5 TURNOVER

Turnover represents the total income receivable by the company (exclusive of Valued Added Tax) in respect of services rendered.

1.6 FOREIGN CURRENCIES

Assets and Liabilities in Foreign Currencies are translated into Sterling at the rate of exchange ruling at the Balance Sheet date. Transactions in Foreign Currencies are converted into Sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating results for the year.
