For the financial year ended 30th November 1996 the company was entitled to exemption from sudit under section 249(1) Companies Act 1985, and no notice has been deposited under section 249d(2). The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 (of the Act) and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the year and of its profit or loss for the financial year in accordance with the requirements of section 226 and which otherwise comply with the requirements of the Companies Act 1985, so far as applicable to the company.

The directors have taken advantage of the exemptions conferred by Part III of Schedule 8 to the Companies Act 1985 and have done so on the grounds that, in their opinion, the company qualifies as a small company.

In the preparation of the company's annual accounts, the directors have taken advantage of special exemptions applicable to small companies provided by Part 1 of Schedule 8, and have done so on the grounds that, in their opinion, the company qualifies as a small company.

Signed on behalf of the Board of Directors.

T.H. Harris-Touchet, Director.

ALEBOURNE INVESTMENTS LIMITED.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th NOVEMBER 1996

1. ACCOUNTING POLICIES

BASIS OF PREPARATION OF FINANCIAL STATEMENTS.

The financial statements are prepared under the historical cost convention and include the results of the company's operations which are described in the Directors' Report and all of which are continuing.

The company has taken advantage of the exemption in Financial Reporting Standard No.1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

TURNOVER,

Turnover comprises income from the supply of professional services in connection with property development (1995). This market being particularly volatile, no income arose from this source during the year. Expenditure incurred where projects have not come to fruition has been written off, while costs, including the relevant share of overneads, of ongoing projects, have been carried forward as work in progress.

TANGIBLE FIXED ASSETS AND DEPRECIATION,

Tangible fixed assets are stated at cost or valuation less depreciation,

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value over their expected useful lives on the following bases:

Caravan/Site Office 10% reducing balance basis Freehold Property Nil.
Office Equipment 25% reducing balance basis.

No depreciation is provided on freehold property as the property is maintained in good order, thereby maintaining its residual value.

STOCK AND WORK IN PROGRESS

Stock is valued at the lower of cost and net realisable values. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.
