**Notes to the Abbreviated Accounts**

For the year ending 31 December 2009

**1 Accounting policies****Basis of accounting**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), subject to the departures referred to below. As stated below, the directors have not included any depreciation provision for freehold land and buildings. This is a departure from the requirement under Financial Reporting Standards that all tangible fixed assets are depreciated over their useful working lives. In the opinion of the directors a departure from this requirement is necessary for the financial statements to give a true and fair view.

**Turnover**

Turnover represents service charges that are accounted for on the basis of the amounts invoiced during the periods up to 31 December 2008 only.

**Depreciation**

Depreciation is not provided in respect of freehold land and buildings. The directors consider that the freehold property is maintained in such a state of repair that its residual value is at least equal to its net book value. As a result, the corresponding depreciation would be immaterial and therefore is not charged to the income and expenditure account.

**Fixed Assets**

All fixed assets are initially recorded at cost.

**Financial Instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

**Taxation**

The company operates for the purpose of the management and administration of the property at 19 Sheffield Terrace, London, W8 7NQ and accordingly it is considered that these activities do not give rise to any liability to taxation. As the company has been granted dormant status for corporation tax purposes from the year ended 31 December 1997 no corporation tax is payable. A provision for deferred taxation is not required.

**Maintenance contributions and service charges**

With effect from 1 January 2009 and in accordance with section 42 of the Landlord and Tenants Act 1987 the amounts received and expended by the managing agents on behalf of the company have been accounted for separately and have not been included in these financial statements.

**Depreciation**

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Fixtures & Fittings	25% reducing balance
