5. OUTCOME TO CREDITORS

5.1 Secured creditors

As previously advised the Companies do not have any secured creditors.

5.2 Preferential creditors – WCL1 only

A distribution of 100 pence in the pound was made to the preferential creditors of WCL1 on 16 December 2010, a total of £44,880.33

A further preferential distribution of £2,274.96 was made on 25 May 2011 following an updated claim.

To my knowledge there are no preferential creditors of the other companies.

5.3 *Prescribed Part*

The legislation requires that if the Company has created a floating charge after 15 September 2003, a "Prescribed Part" of the Company's net property (that is the money that would otherwise be available to the charge holder) shall be made available to unsecured creditors. The Prescribed Part is calculated at 50 per cent of net realisations up to £10,000 and 20 per cent of the property that exceeds this amount up to a limit of £600,000.

The Companies have not granted a floating charge to any creditor after the 15 September 2003 and consequently there will be no prescribed part in these Liquidations.

5.4 *Unsecured creditors*

WCL1

A first interim dividend of 7.94 pence in the pound was distributed to the unsecured creditors of WCL1 on 13 May 2011.

A second interim distribution was made to the unsecured creditors of WCL1 on 5 April 2012 of 4.3 pence in the pound.

A third interim distribution of £280,000 was made to the unsecured creditors of WCL1 on 2 September 2013 of 2.5 pence in the pound.

A fourth interim distribution of £25,000.00 was made to the unsecured creditors of WCL1 on 8 September 2014 of 0.2 pence in the pound.

A fifth and final distribution of £32,192.17 was made to the unsecured creditors of WCL1 on 11 September 2015 of 0.29 pence in the pound. As the same time, an additional £2,506.48 was paid in respect of catch up dividends to certain creditors.

Total distributions to unsecured creditors amounted to £1,698,129.19.

There will not be any further dividend declared to non-preferential unsecured creditors as the funds realised have been used to make payments to preferential creditors, to pay prior dividends to non-preferential unsecured creditors, and to meet the expenses of the Liquidation.

AWHL1

A first interim distribution of £90,000 was made to the unsecured creditors of AWHL1 on 2 September 2013 of 4.3 pence in the pound.

A second interim distribution of £18,000.00 was made to the unsecured creditors of AWHL1 on 8 September 2014 of 0.8 pence in the pound.

A third and final distribution of £2,000.00 was made to the unsecured creditors of AWHL1 on 11 September 2015 of 0.095 pence in the pound.

This brings the total amount distributed to £108,698.40.

There will not be any further dividend declared to non-preferential unsecured creditors as the funds realised have been used to pay prior dividends to non-preferential unsecured creditors, and to meet the expenses of the Liquidation.

WL1

A first interim distribution of £425,000 was made to the unsecured creditors of WL1 on 2 September 2013 of 11 pence in the pound.

A second interim distribution of £21,000.00 was made to the unsecured creditors of WL1 on 8 September 2014 of 0.5 pence in the pound.

A third and final distribution of £61,500 was made to the unsecured creditors of WL1 on 11 September 2015 of 0.19 pence in the pound.

This brings the total amount distributed to £443,321.52, after accounting for HMRC's claim withdrawal for the sum of £64,178.48.

There will not be any further dividend declared to non-preferential unsecured creditors as the funds realised have been used to pay prior dividends to non-preferential unsecured creditors, and to meet the expenses of the Liquidation.

WBSL1

A first interim distribution of £5,000.00 was made to the unsecured creditors of WBSL1 on 2 September 2013.

A second interim distribution of £3,000.00 was made to the unsecured creditors of WBSL1 on 8 September 2014 of 0.1 pence in the pound.

This brings the total amount distributed to £8,000.00.

There will not be any further dividend declared to non-preferential unsecured creditors as the funds realised have been used to pay prior dividends to non-preferential unsecured creditors, and to meet the expenses of the Liquidation.

6. INVESTIGATIONS

I undertook an initial investigation into the Companies affairs to establish whether there were any potential asset recoveries or conduct matters that justified further investigation, taking account of the public interest, potential recoveries, the funds likely to be available to fund an investigation, and the costs involved.

Final directors' conduct reports were submitted for the Companies to the Insolvency Practitioners Compliance Unit on 26 February 2010. These reports are not on public record.
