## Notes to the abbreviated accounts for the year ended 30 June 2008

#### 1. Accounting policies

#### 1.1. Accounting convention

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

#### 1.2. Turnover

Turnover represents commissions and other income receivable from overseas aircraft manufacturers for aircraft delivered during the year.

#### 1.3. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Plant and machinery

25% straight line

Fixtures, fittings

and equipment

15% reducing balance

Motor vehicles

25% straight line

#### 1.4. Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

#### 1.5. Investments

Fixed asset investments are stated at cost less provision for permanent diminution in value.

#### 1.6. Stock

Stock is valued at the lower of cost and net realisable value.

#### 1.7. Pensions

The pension costs charged in the financial statements represent the contribution payable by the company during the year.

## 1.8. Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Deferred tax assets are recognised only to the extent thathe directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

## 1.9. Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange prevailing at the accounting date. Transactions in foreign currencies are recorded at the rate of exchange prevailing at the date of the transactions. All exchange differences are taken to the profit and loss account.
