ABS Industrial Resources Limited Strategic Report for the Year Ended 31 December 2014

The directors present their Strategic Report for the year ended 31 December 2014

Review of the business

Fair review of the business

The performance of the group by activity measured by sales value is set out below

		2014		2013
	£	%	£	%
Haulage & Packaging	1,604,950	2 27	1,517,321	2 31
Speciality Alloys	68,990,929	97 73	64,095,341	97 69
	70,595,879	100	65,612,662	100

The financial year to December 2014 saw a continuation of the difficult trading conditions seen in 2013 Whilst metal prices (Ni, Co and Mo) have stabilised somewhat, market demand has remained stagnant

The board has focused its attention during these challenging times on supporting suppliers and customers to ensure a strong base for future growth. During the year the business has consolidated its position within ELG Haniel which it was acquired by in 2013, leveraging the groups place as a world leading metal recycling business. Together, ABS and ELG provide an excellent market offering for all their stakeholders

Principal risks and uncertainties

The management of the business and the execution of the company's strategy are subject to a number of risks. The key business risks are considered to be

- Global economic recovery, the business buys and sells material globally, and demand and production of scrap is key to business success.
- Metal price movements, the business holds a large quantity of inventory, and movements in metal prices can effect the margins of the business,
- Currency movements, the business holds a large quantity of inventory, and movements in currencies can effect the margins of the business

As part of its management control, the Board continuously reviews business risks Furthermore, an external BSI audit of management systems is performed each year as part of the company's ISO9001 accreditation

Approved by the Board on 20 Mg 2015

and signed on its behalf by

Mr R A Hannam Director

ABS Industrial Resources Limited Directors' Report for the Year Ended 31 December 2014

The directors present their report and the financial statements for the year ended 31 December 2014

Directors of the company

The directors who held office during the year were as follows

Mr R A Hannam

Mr A Jones

Mr D Orlov

Mr M Ridgeway

Principal activity

The principal activity of the company is the sourcing, processing and supply of primary and secondary alloys and metals. The company also provides haulage services

Disclosure of information to the auditors

The directors of the company who held office at the date of the approval of this Annual Report as set out above each confirm that

- · so far as they are aware, there is no relevant audit information (information needed by the company's auditors in connection with preparing their report) of which the company's auditors are
- they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information

Reappointment of auditors

In accordance with section 485 of the Companies Act 2006, a resolution for the re-appointment of Hawsons Chartered Accountants as auditors of the company is to be proposed at the forthcoming Annual General Meeting

Approved by the Board on 20 May 2015

and signed on its behalf by

Mr R A Hannam

Director

ABS Industrial Resources Limited Statement of Directors' Responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- · select suitable accounting policies and apply them consistently,
- · make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of ABS Industrial Resources Limited

We have audited the financial statements of ABS Industrial Resources Limited for the year ended 31 December 2014, set out on pages 7 to 23 The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities (set out on page 4), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report and Strategic Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2014 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- · have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Independent Auditor's Report to the Members of ABS Industrial Resources Limited

..... continued

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- · certain disclosures of directors' remuneration specified by law are not made, or
- · we have not received all the information and explanations we require for our audit

Christopher Hill (Senior Statutory Auditor)

ABS Industrial Resources Limited Notes to the Financial Statements for the Year Ended 31 December 2014

1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards

Exemption from preparing group accounts

As a wholly owned subsidiary of a company established under the law of an EEA state (see note 25), the company is exempt under section 400 of the Companies Act 2006 from preparing and delivering to the Registrar of Companies consolidated financial statements. These financial statements therefore present information about the company as an individual undertaking and not about its group

Turnover

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers. Revenue is recognised upon despatch of goods.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows

Asset class

Land and buildings Motor vehicles Plant and machinery Fixtures and fittings

Depreciation method and rate

4% straight line 20% - 25% reducing balance 25% reducing balance

25% reducing balance

Fixed asset investments

Fixed asset investments are stated at historical cost less provision for any diminution in value

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.

Deferred tax

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes, which have arisen but not reversed by the balance sheet date, except as required by FRS19

Deferred tax is measured at the rates that are expected to apply in the periods when the timing differences are expected to reverse, based on the tax rates and law enacted at the balance sheet date

Foreign currency

Transactions in foreign currencies are recorded at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the closing rates at the balance sheet date. All exchange differences are included in the profit and loss account.

Notes to the Financial Statements for the Year Ended 31 December 2014 continued

Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term

Assets held under finance leases, which are leases where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet as tangible fixed assets and are depreciated over the shorter of the lease term and their useful lives. The capital elements of future obligations under the leases are included as liabilities in the balance sheet. The interest element of the rental obligation is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding. Assets held under hire purchase agreements are capitalised as tangible fixed assets and are depreciated over the shorter of the lease term and their useful lives. The capital element of future finance payments is included within creditors. Finance charges are allocated to accounting periods over the length of the contract and represent a constant proportion of the balance of capital repayments outstanding.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.

Pensions

The company operates a defined contribution pension scheme. Contributions are recognised in the profit and loss account in the period in which they become payable in accordance with the rules of the scheme.

2 Turnover

During the year 81 33% of the company's turnover related to exports (2013 - 77 93%)

An analysis of turnover by geographical location is given below

	2014 £	2013 £
Sales - UK	13,181,629	14,481,604
