Profit and loss account			<u>(144158)</u>		<u>(157724)</u>
			<u>£ (144154)</u>		<u>£(157720)</u>

The financial statements have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The directors consider that the company is entitled to exemption from the requirement to have an audit under the provisions of Section 249 A (1) of the Companies Act 1985. No shareholders have issued a notice under Section 249 B (2) requiring an audit. The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985, and for preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit for the year in accordance with the requirements of Section 226, and which otherwise comply with the requirements of the Act relating to the accounts so far as applicable to the company.

By order of the board

  
.....  
D J Barber  
Director

14th May 2002

The notes on pages 2 and 3 form an integral part of these accounts.

## CLAREMONT CONTROLS LIMITED

**NOTES TO ACCOUNTS  
FOR THE YEAR ENDED 30TH SEPTEMBER 2001**

**1. Accounting policies**

The Accounts have been prepared under the historical cost convention. A summary of the more important accounting policies adopted by the company within that convention is set out below.

**a. Going concern**

- (i) The accounts have been prepared on the going concern basis, notwithstanding the deficiency of assets, as the major creditor of £262612 is the holding company. The directors of that company have undertaken not to demand payment of this sum in the foreseeable future.
- (ii) The directors have assessed the anticipated level of future sales for a period in excess of one year from the date of signing the accounts, and have taken account of all information that could reasonably be expected to be available.
- (iii) On this basis, they consider that it is appropriate to prepare the financial statements on the going concern basis. This assumes that the anticipated level of future sales will be achieved. The financial statements do not include any adjustments that would result if the actual level of future sales is significantly lower than that presently anticipated.

**b. Turnover**

Turnover represents the invoiced value, excluding value added tax and trade discounts, of goods and services supplied.

**c. Fixed assets and depreciation**

The cost of fixed assets is their purchase cost, together with any incidental costs of acquisition. Depreciation is provided on vehicles on a reducing balance basis over their expected useful economic lives, and Computer and Office Furniture on a straight line basis. The following annual rates have been applied:-

Motor Vehicles	25%
Computer Equipment	20%
Furniture and Fittings	20%

**d. Stocks and work in progress**

Stocks, which consist of goods purchased for resale, are valued at the lower of cost and net realisable value.

Work in progress consists of expenditure incurred on specific projects and is valued at purchase price plus an appropriate allocation of attributable overheads. The costs of the specific projects are charged to the profit and loss account in relation to the total anticipated sales from the project.

## CLAREMONT CONTROLS LIMITED
