NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2010

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Land and buildings Freehold	0%
Plant and machinery	25% Reducing Balance
Motor vehicles	25% Reducing Balance

The directors consider that freehold properties are maintained in such a state of repair that their residual value is at least equal to their net book value. As a result, the corresponding depreciation would not be material and therefore is not charged in the profit and loss account. The directors perform annual impairment reviews in accordance with the requirements of FRS 15 and FRS 11 to ensure that the carrying value is not higher than the recoverable amount.

1.5 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.6 Stock

Stock is valued at the lower of cost and net realisable value
