#### Report of the Board of Management

The Board of Management has pleasure in presenting their report and the accounts for the year ended 31st March 1995.

General

The Trust is a company limited by guarantee without having a share capital and is referred to throughout the financial statements as 'the Trust'

Result for the year

The result for the year is shown on page 5. The balance on the uncommitted grant fund reduced by £2,450 (1994: reduction £48,277)

Review of the business

The principal activity of the Trust, a registered charity, is to aid conservation and restoration of buildings of architectural and historical interest in Greater London. During the year the Trust donated or committed a total of £114,853 for charitable purposes in accordance with its objects. The Board of Management are gratified by the interest shown in the Trust's activities and it is anticipated that the projects undertaken by the Trust will continue to stimulate such interest.

Directors

The members of the Board of Management are deemed to be directors for the purposes of company law. A list of the membership of the Board of Management is shown on page 1.

There are no directors' interests requiring disclosure under the Companies Act 1985

Auditor

The Trust's auditor, Derek Moore FCA, is willing to continue in office and a resolution proposing his reappointment and authorising the Board of Management to fix his remuneration will be put to the Annual General Meeting

By Order of the Board of Management

P R WISE Secretary London

18th May 1995

Statement of responsibilities of the Board of Management

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the Board of Management

P R WISE Secretary London

18th May 1995

#### Report of the Auditor to the members

I have audited the financial statements on pages 5 to 11 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

# Respective responsibilities of the Board of Management and Auditor

As described on page 3 the members of the Board of Management are responsible for the preparation of financial statements. It is my responsibility to form an independent opinion, based on my audit, on those statements and to report my opinion to you.

#### Basis of opinion

I conducted my audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the members of the Board of Management in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Trust's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In my opinion the financial statements give a true and fair view of the state of the Trust's affairs as at 31st March 1995 and of the result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

DEREK MOORE FCA

Chartered Accountant/Registered Auditor

## Notes to the Financial Statements

## Accounting Policies

The Trust has adopted the following accounting policies which should be read in conjunction with the financial statements set out on pages 5 to 11 which have been prepared under the historical cost convention.

#### Grants and donations

1

Where projects to which grants and donations have been specifically designated by donors and the Board of Management were either not started or only partly completed at 31st March 1995 they are carried forward as a 'Special Provision' until such time that they can be applied in accordance with the donors' and the Board of Management's wishes.

Grants and donations received are included in the accounts at the time of receipt.

#### Fixed assets

Office equipment is stated at cost less depreciation calculated at 20% per annum on cost.

#### 5 Grant Fund

Movements on the Grant Fund are shown on page 5. The Grant Fund represents the cumulative total of grants and donations received but not yet applied by the Board of Management to specific projects. A proportion of the interest received on the Grant Fund is needed to subsidise administration costs.

£32,500 of the Fund relates to Croydon projects (1994: £33,962)

6 London Boroughs Grant Scheme - revenue grant The grant has been applied to partly finance the administration costs necessary for the running of the Trust.
