Statement of Directors' responsibilities

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors confirm that they have complied with the above requirements in preparing the financial statements

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Directors' report

Directors' declaration in relation to relevant audit information

Having made enquiries of fellow Directors and of the Company's auditors, each of the Directors confirms that

- (a) to the best of his knowledge and belief, there is no relevant audit information of which the Company's auditors are unaware, and
- (b) he has taken all steps that a Director might reasonably be expected to have taken in order to make himself aware of relevant audit information and to establish that the Company's auditors are aware of that information

Independent auditors' report to the members of International Cigarette Consultants (Ivory Coast) Limited

Report on the financial statements

Our opinion

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2013 and of its results for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

This opinion is to be read in the context of what we say below

What we have audited

The financial statements for the year ended 31 December 2013, which are prepared by International Cigarette Consultants (Ivory Coast) Limited, comprise

- the Profit and loss account,
- the Balance sheet, and
- the related notes

The financial reporting framework that has been applied in their preparation comprises applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

In applying the financial reporting framework, the Directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events

What an audit of financial statements involves

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) (ISAs (UK & Ireland)). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed,
- the reasonableness of significant accounting estimates made by the Directors, and
- the overall presentation of the financial statements

In addition, we read all the financial and non-financial information in the Directors report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report

Independent auditors' report to the members of International Cigarette Consultants (Ivory Coast) Limited

Opinion on matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion

- we have not received all the information and explanations we require for our audit, or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns

We have no exceptions to report arising from this responsibility

Directors' remuneration

Under the Companies Act 2006 we are required to report if, in our opinion, certain disclosures of Directors' remuneration specified by law have not been made. We have no exceptions to report arising from this responsibility

Responsibilities for the financial statements and the audit

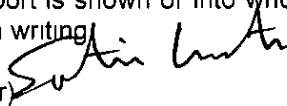

Our responsibilities and those of the Directors

As explained more fully in the Statement of Directors' responsibilities set out on page 3, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and ISAs (UK & Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

1 Accounting policies

Basis of accounting

The financial statements are prepared on the going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom

The principal accounting policies have been applied consistently throughout the year and a summary is set out below

Cash flow statement

The Company is a wholly owned subsidiary of British American Tobacco p l c The cash flows of the Company are included in the consolidated cash flow statement of British American Tobacco p l c which is publicly available Consequently the Company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS1 (revised 1996) 'Cash flow statements'

Foreign currencies

Transactions arising in currencies other than sterling are translated at the rate of exchange ruling on the date of the transaction Monetary assets and liabilities expressed in currencies other than sterling are translated at rates of exchange ruling at the end of the financial year Other exchange differences are taken to the profit and loss account in the year

Taxation

Taxation provided is that chargeable on the profits of the year, together with deferred taxation

The current income taxation charge is calculated on the basis of taxation laws enacted or substantially enacted at the balance sheet date

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more taxation in the future or a right to pay less taxation in the future have occurred at the balance sheet date

A net deferred taxation asset is recognised as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits against which to recover carried forward taxation losses and from which the future reversal of underlying timing differences can be deducted

Deferred taxation is measured at the average taxation rates that are expected to apply in the periods in which the timing differences are expected to reverse based on taxation rates and laws that have been enacted or substantively enacted by the balance sheet date Deferred taxation is measured on an undiscounted basis

Notes to the financial statements for the year ended 31 December 2013

Accounting policies (continued)

Future changes to accounting policies

On 22 November 2012, the Financial Reporting Council issued FRS 100 Application of Financial Reporting Requirements and FRS 101 Reduced Disclosure Framework. These were followed on 14 March 2013 by the publication of FRS 102 The Financial Reporting Standard applicable in the UK and Ireland. These standards will be applicable to all companies and entities in the UK and Republic of Ireland, other than listed groups, for accounting periods beginning on or after 1 January 2015. Early adoption is permissible.

FRS 100 sets out the overall financial reporting framework for companies in the UK and Ireland. FRS 101 applies to the individual financial statements of subsidiaries and ultimate parents, allowing them to apply the same accounting policies as in their listed group accounts, but with fewer disclosures. FRS 102 is a single financial reporting standard that applies to the financial statements of entities that are not applying EU-adopted IFRS, FRS 101 or the FRSE. The primary statements of entities applying FRS 101 or FRS 102 would continue to follow the requirements of the Companies Act 2006.

The Directors are evaluating the impact of these requirements for the Company, and are likely to adopt the accounting requirements of the reduced disclosure framework under FRS 101 in the Company's reporting for 2015, but do not currently anticipate any material impact from doing so.
