AUDITORS' REPORT TO WILLIAM FINCH (BUILDING MATERIALS) LIMITED

PURSUANT TO PARAGRAPH 24 OF SCHEDULE 8 TO THE

COMPANIES ACT 1985

We have examined the abbreviated accounts on pages 3 to 6 together with the financial statements of WILLIAM FINCH (BUILDING MATERIALS) LIMITED prepared under section 226 of the Companies Act 1985 for the year ended 30th September 1995.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with Schedule 8 to the Companies Act 1985. It is our responsibility to form an independent opinion as to the company's entitlement to the exemptions claimed in the directors' statement on page 3 and whether the abbreviated accounts have been properly prepared in accordance with that Schedule.

Basis of opinion

We have carried out the procedures we considered necessary to confirm, by reference to the audited financial statements, that the company is entitled to the exemptions and that the abbreviated accounts have been properly prepared from those financial statements. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled under sections 246 and 247 of the Companies Act 1985 to the exemptions conferred by Section A of Part III of Schedule 8 to that Act, in respect of the year ended 30th September 1995, and the abbreviated accounts on pages 3 to 6 have been properly prepared in accordance with that Schedule.

On. January 1990 we reported, as auditors of WILLIAM FINCH (BUILDING MATERIALS) LIMITED, to the members on the financial statements prepared under section 226 of the Companies Act 1985 for the year ended 30th September 1995 and our report was as follows:

"We have audited the financial statements on pages 4 to 10 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

AUDITORS' REPORT TO WILLIAM FINCH (BUILDING MATERIALS) LIMITED

PURSUANT TO PARAGRAPH 24 OF SCHEDULE 8 TO THE

COMPANIES ACT 1985

Respective responsibilities of directors and auditors

As described on page 1 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Going concern

As disclosed in note 1(a) the financial statements have been prepared on a going concern basis. This basis may not be appropriate because the company had net liabilities of £24,289 at 30th September 1995.

Should the company be unable to continue trading, adjustments would have to be made to reduce the values of assets to their recoverable amount, to provide for any further liabilities which might arise, and to reclassify fixed assets and long term liabilities as current assets and liabilities, our opinion is not qualified in this respect.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30th September 1995 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985."

Statement by the directors

In preparing these financial statements, we rely on sections 246 and 247 of the Companies Act 1985 as entitling us to deliver abbreviated financial statements and we do so on the grounds that this company is entitled to the benefit of those sections as a small company.

NOTES TO THE FINANCIAL STATEMENTS AT 30TH SEPTEMBER 1995

1 ACCOUNTING POLICIES

(a) Basis of accounting and going concern

These financial statements have been prepared under the historical cost convention, and going concern basis which is dependent upon the continued support of the company's bankers and debenture holder.

(b) Depreciation

Depreciation is calculated to write off the cost or valuation, less estimated residual values, of tangible fixed assets over their estimated useful lives to the business. The annual depreciation rates and methods are as follows:

Computer Equipment - at 20% p.a. reducing balance method Motor Vehicles - at 25% p.a. reducing balance method Fixtures and Fittings - at 15% p.a. reducing balance method

(c) Deferred taxation

Provisions are made so that the deferred taxation account represents corporation tax, calculated on the liability method, in respect of the excess of tax allowances given for fixed assets over the depreciation provided.

(d) Assets leased

Where the company enters into operating and/or finance leases, its policy is to regard leases as finance leases where their term give rights approximating to ownership.

Assets held under finance leases (including hire purchase contracts) are capitalised at the fair value of the asset at the inception of the lease, with an equivalent liability categorised as appropriate under creditors due within and after one year. Assets are depreciated over the shorter of the lease term and their useful economic life; in the case of assets held under hire purchase agreements they are depreciated over their useful economic life. Finance charges are allocated to accounting years over the life of each lease to produce a constant rate of charge on the outstanding balance.

Rentals under operating leases are charged on a straight-line basis over the lease term.
