Notes to the Financial Statements for the year ended 31 December 2016

1 Principal accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of accounting

These financial statements were prepared in accordance with Financial Reporting Standard 102 *the Financial Reporting Standard* applicable in the UK and Republic of Ireland ("*FRS 102*") as issued in August 2014. The presentation currency of these financial statements is sterling. The financial statements are prepared on the historical cost basis.

FRS 102 grants certain first-time adoption exemptions from the full requirements of FRS 102, and the exemption for dormant companies was taken in the financial statements prepared at the date of transition such that the accounting policies for reported assets, liabilities and equity at the date of transition were retained. There has been no change in those balances and the Company has not undertaken any new transactions following the transition to FRS 102 and therefore the accounting policies at the date of transition have been retained in the current period.

The Company's ultimate parent undertaking, Carillion Plc, includes the Company in its consolidated financial statements. The consolidated financial statements of Carillion Plc are prepared in accordance with International Financial Reporting Standards as adopted by the EU and are available to the public and may be obtained from the registered office, as described in note 4.

Consolidated accounts

These financial statements present information about the company as an individual company and not about the group. The company is exempt under section 400 of the Companies Act 2006 from the obligation to prepare group financial statements and to deliver them to the Registrar of Companies as it is a wholly owned subsidiary of another body corporate.

Cash flow statement

Under FRS 102 the company is exempt from the requirement to prepare a cash flow statement on the grounds that Carillion plc, the company's ultimate Group undertaking, includes the company's cash flows in its own published consolidated cash flow statement.
