STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The Directors are responsible for preparing the Directors' Report and the Financial Statements in accordance with applicable law and regulations

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law they have elected to prepare the Financial Statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these Financial Statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements, and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

1. Basis of Preparation

The Financial Statements have been prepared in accordance with applicable accounting standards and under the historical cost convention

The Company is an indirect wholly-owned subsidiary of The Vitec Group plc and is included in the consolidated financial statements of The Vitec Group plc, which are publicly available

Under FRS1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements

As the Company is an indirect wholly-owned subsidiary of The Vitec Group pic, the Company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with wholly owned subsidiaries which form part of the Group

2. Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Financial Statements

a) Going concern

The Directors have reviewed the current activity, future prospects and resources available to the Company On the basis of their assessment, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual Financial Statements.

b) Foreign currencies

Monetary assets and liabilities denominated in foreign currency are translated into Sterling at the year-end rates for the Group and the gains or losses on translation are included in the profit and loss account

c) Taxation

The charge for taxation is based on the loss for the year and takes account of taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is recognised on an undiscounted basis in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date where there is an obligation to pay more tax, or a right to pay less tax, in the future

3. Operating loss

All Directors' remuneration and audit fees are borne by the ultimate parent company
