Abingworth Management Limited

Directors' report

The directors present their annual report and the audited financial statements for the year ended 30 June 2011

Business review and principal activities

The principal activities of Abingworth Management Limited (the "Company") are the management of investment funds focused on biotechnology, life sciences and related areas. The Company's clients are venture capital funds (known as the Abingworth Bioventures funds)

During the year to 30 June 2011, the Company made a profit before tax of £810,376 (2010 profit of £1,048,112) on turnover of £7,254,318 (2010 £7,731,518). The directors consider the results satisfactory.

Performance and development of the business

The directors monitor the business using a number of key performance indicators (KPI's). The most relevant KPI for this report is detailed below.

	Target	30 June 2011 Actual	Target	30 June 2010 Actual
Operating profit	£0.8 million	£0.8 million	£0.8 million	£1.0 million

Going Concern

The directors of the Company have acknowledged the latest guidance on going concern. While the current volatility in financial and world markets has created general uncertainty, the directors consider the Company's financial position to be sound. The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Principal risks, financial risks and uncertainties

The Abingworth Bioventures funds account for all of the Company's revenue. In common with most venture capital businesses, each new fund has a limited life of approximately 10 years. The level of management fees is agreed at the outset of the fund and, as this is based on fund commitments that are fixed for the life of the fund, is predictable for up to 10 years in advance.

The Company's only material financial assets are bank balances and treasury deposits with fixed terms of up to one month. Cash and deposits have been placed with major UK clearing banks with a high credit rating to minimise credit and liquidity risk. Management fees from the Abingworth Bioventures funds are paid quarterly in advance and therefore do not give rise to debtors with an associated credit risk.

The Company's only material financial liabilities are balances in respect of group relief payable to other group companies, which are non-interest bearing. These will be repayable when the timing differences giving rise to taxable losses in the other group companies reverse. The Company manages this liquidity risk by retaining sufficient cash and investments to enable it to repay the group relief balances at any time.

Abingworth Management Limited

Directors' report (continued)

Future prospects

The Company is a member of Abingworth LLP, a limited liability partnership, which was established in 2006 to raise and operate any new investment funds within the Abingworth group. The Company will continue to operate its existing venture capital funds and has retained the services of Abingworth LLP to enable it to do so. The directors do not expect the Company to take on new business, but the Company will continue to operate over the remaining life of Abingworth Bioventures II, III and IV.

Disclosures required under The Capital Requirements Directive

The "Pillar 3" disclosure statement for the Abingworth Management Holdings Limited group is included in the group financial statements.

Directors and their interests in shares

The directors of Abingworth Management Limited who served throughout the year and to the date of this report are

J F Abell
M F Bigham
S W Bunting
D F J Leathers
J J MacQuitty
D W Quysner

Dividends

The directors have paid an interim dividend for 2011 of £850,000 (2010 £2,500,000). There was no final dividend payment.

Indemnity

The directors have been covered by liability insurance throughout the year and the policy of insurance remains in force.

Disclosure of information to auditor

Each of the persons who is a director at the date of approval of this report confirms that

- 1 so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- 2 the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Auditor

A resolution to re-appoint Deloitte LLP as the Company's auditor will be proposed at the forthcoming Annual General Meeting.

Abingworth Management Limited

Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Abingworth Management Limited

We have audited the financial statements of Abingworth Management Limited for the year ended 30 June 2011 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 30 June 2011 of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Independent auditor's report to the members of Abingworth Management Limited (continued)

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Abingworth Management Limited

Notes to the accounts Year ended 30 June 2011

1. Accounting policies

The financial statements are prepared in accordance with applicable United Kingdom law and accounting standards. The particular accounting policies adopted are described below.

Consolidation

The Company has taken advantage of the exemption granted by virtue of Section 400 of the Companies Act 2006 from the requirement to prepare group accounts in the current and prior year. The results of the Company are included in the consolidated financial statements of Abingworth Management Holdings Limited, a Company registered in England and Wales. Therefore, these financial statements apply to the Company only.

Accounting convention

The financial statements are prepared under the historical cost convention.

Going concern

The Company's business activities, together with the factors likely to affect its future development and principal risks are set out in the Directors' Report on page 2. The Company funds its day-to-day working capital requirements using its cash reserves.

The Company's forecasts and projections show that the Company should be able to operate within its cash reserves and all its investments are readily realisable.

After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern bases in preparing the Annual Report and Accounts.

Turnover

Turnover represents amounts receivable for services provided in the period in the normal course of business, net of VAT. It is recognised in the year the services are provided.

Investments

Investments are recorded at cost less provision for any impairment.

Investments held as current assets are valued at the lower of cost and net realisable value.

Interest

Interest income is recognised on the accruals basis and relates to bank interest received and receivable.

Cash flow statement

The Company has taken advantage of the exemption granted within Financial Reporting Standard 1 (Revised), Cash Flow Statements, not to prepare a cash flow statement as its ultimate parent company produces consolidated accounts, which include a cash flow statement, which are publicly available and into which the Company's results are fully consolidated.

Foreign exchange

Transactions denominated in foreign currencies are translated into sterling at the rates ruling at the dates of the transactions or at a contracted rate, if appropriate.

Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated at the rates ruling at that date. All translation differences are recognised in the profit and loss account for the period.

Abingworth Management Limited

Notes to the accounts

Year ended 30 June 2011

1. Accounting policies (continued)

Taxation

The charge for taxation is based on the profit for the year and takes into account deferred taxation that arises because of timing differences between the treatments of certain items for taxation and accounting purposes

Current tax is provided at amounts expected to be paid (or received) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date

Deferred taxation is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not they will be recovered. Deferred tax assets and liabilities are not discounted

Dividends

Dividends are recognised as an appropriation of profit in the year in which they are approved by shareholders or, for interim dividends declared by the Directors, when paid

2. Turnover
