2.2 The rights and remedies of the Security Agent in relation to any misrepresentation or breach of warranty on the part of the Borrower shall not be prejudiced by any investigation by or on behalf of the Security Agent into the affairs of the Borrower, by the performance of this Assignment or by any other act or thing which may be done by it in connection with this Assignment and which would, apart from this sub-clause, prejudice such rights or remedies.

3 Covenant to Pay, Discharge and Perform the Secured Obligations

The Borrower covenants with the Security Agent that it shall pay, discharge and perform all moneys, liabilities and obligations whatsoever which are now, or at any time hereafter may be, due, owing, payable or outstanding by it in any currency, actually or contingently, solely and/or jointly and/or severally with another or others, as principal or surety on any account whatsoever under or pursuant to this Assignment, the Facility Agreement or any other Finance Document or as a consequence of any breach, non-performance, disclaimer or repudiation by it of any of its obligations under or pursuant to this Assignment, the Facility Agreement or any other Finance Document.

4 Assignment

- 4.1 As continuing security for the payment, discharge and performance of the Secured Obligations the Borrower with full title guarantee HEREBY ASSIGNS AND AGREES TO

- 4.2 Upon the absolute, irrevocable and unconditional payment, discharge and performance in full to the satisfaction of the Security Agent of all the Secured Obligations the Security Agent shall, at the request and cost of the Borrower, re-assign the Assigned Property to the Borrower or to the Borrower's order and execute, sign, perfect, do and (if required) file, record, register and enrol every further deed, assurance, agreement, instrument, act and thing which may reasonably be required for the purposes of effecting and/or perfecting such release provided however that if there is any liquidator, administrator or similar officer of the Borrower who could be entitled to reclaim or recover any moneys paid to the Security Agent in payment or discharge of the Secured Obligations, the Security Agent may delay such re-assignment until such time as, in the Security Agent's reasonable opinion, such liquidator, administrator or similar officer is no longer so entitled.
- 4.3 Upon the removal of a Charged Asset from the Charged Property in accordance with clause 4.5 (*Conditions relating to the Charged Property*) of the Facility Agreement, the Security Agent shall, at the request and cost of the Borrower, re-assign the Assigned Property, to the extent that it relates to the Charged Asset so removed, to the Borrower or to the Borrower's order and execute, sign, perfect, do and (if required) file, record, register and enrol every further deed, assurance, agreement, instrument, act and thing which may reasonably be required for the purposes of effecting and/or perfecting such release provided however that if there is any liquidator, administrator or similar officer of the Borrower who could be entitled to reclaim or recover any moneys paid to the Security Agent in payment or discharge of the Secured Obligations, the Security Agent may delay such re-assignment until such time as, in the Security Agent's reasonable opinion, such liquidator, administrator or similar officer is no longer so entitled.
- 4.4 Any Requisition Compensation received by the Security Agent pursuant to the assignment set forth in clause 4.1 shall be applied in accordance with the provisions of

Clause 29.7 (*Application of Collateral Proceeds and Total Loss Proceeds*) of the Facility Agreement.

4.5 Any Insurance Proceeds received by the Security Agent pursuant to the assignment set forth in clause 4.1 shall be applied in accordance with the provisions of Clause 29.7 (*Application of Collateral Proceeds and Total Loss Proceeds*) of the Facility Agreement.

4.6 This Assignment does not constitute an assignment of any policies representing the Insurances but only of the benefit, rights, title, interest in the Insurance Proceeds and only insofar as the same relate to the Charged Assets.

5 Borrower's Undertakings

5.1 The Borrower undertakes with the Security Agent that, so long as any Secured Obligation remains outstanding:

5.1.1 it will do or permit to be done each and every act or thing which the Security Agent may from time to time reasonably require to be done for the purpose of enforcing the Security Agent's rights under this Assignment;

5.1.2 it will perform its obligations with respect to the Insurances;

5.1.3 it will pay to the Security Agent on demand all moneys whatsoever which the Security Agent shall or may reasonably expend in or about the protection, maintenance or enforcement of the security created by this Assignment, together with interest thereon at the rate provided in Clause 9.3 of the Facility Agreement from the date or dates falling five (5) Business Days after the date on which such demand was made until the date of payment thereof by the Borrower as well before as after judgment;

5.1.4 it will not create or attempt to create or permit to subsist any Security Interest in respect of the Assigned Property or the debts, revenues, claims, assets, rights, remedies, benefits and interests hereby assigned both present and future or any part thereof or interest therein or sell, assign, discount, transfer or otherwise dispose of any of the same or attempt or agree so to do, save in each case as contemplated by the this Assignment; and

5.1.5 not do, or cause or permit to be done, anything which may in any way depreciate, jeopardise or otherwise prejudice the value to the Security Agent of the Assigned Property; and

5.1.6 comply in all respects with all laws to which it may be subject, if failure to do so would impair this Assignment, or its ability to perform its obligations under this Assignment, or would impose any liability or obligation on the Security Agent.

6 Extent of Security Agent's Liability

6.1 It is further agreed and declared that notwithstanding the assignment herein before contained:

6.1.1 the Security Agent shall not be obliged to make any enquiry as to the nature or sufficiency of any payment received by it under this Assignment or to make any claim or take any other action to collect any moneys or to enforce any rights and benefits hereby assigned to the Security Agent or to which the Security Agent may at any time be entitled hereunder; and

6.1.2 the Borrower shall remain liable to perform all the obligations assumed by it with respect to the Insurances and the Security Agent shall be under no obligation of any kind whatsoever thereunder or be under any liability whatsoever in the event of any failure by the Borrower to perform any of its obligations thereunder.

7 Notice of Assignment

7.1 Upon execution of this Assignment, and upon each addition of a Charged Asset owned by the Borrower to the Charged Property, in accordance with clause 4.5 (*Conditions relating to the Charged Property*) of the Facility Agreement the Borrower undertakes to deliver to brokers through whom the Insurances or part thereof are effected (the **Insurance Parties**) a notice of the assignment pursuant to clause 4.1 substantially in the form set out in Schedule 1 (*Notice of Assignment*) and shall use reasonable endeavours to obtain the countersignature by or on behalf of the relevant Insurance Party of each such notice by way of acknowledgement of receipt of such Notice of Assignment.

7.2 Following service of a Notice of Assignment in accordance with clause 7.1, should the insurers and/or brokers through whom all or any part of the Insurances are effected at any time change, the Borrower shall ensure that the Security Agent is promptly informed of such change and shall deliver a further Notice of Assignment to such new Insurance Parties and shall use reasonable endeavours to obtain the countersignature by or on behalf of such Insurance Parties of each such notice by way of acknowledgement of receipt of such Notice of Assignment.

7.3 The Borrower undertakes to give notice of the assignment pursuant to clause 4.1 in respect of any Requisition Compensation to any relevant Government Entity reasonably requested by the Security Agent, and in such form as the Security Agent may reasonably require, upon any Compulsory Acquisition of a Charged Asset and shall use reasonable endeavours to obtain the countersignature by or on behalf of the relevant Government Entity of each such notice by way of acknowledgement of receipt of such notice.

8 Power of Attorney

For the purpose of securing the interest of the Security Agent in the Assigned Property and the performance of the Secured Obligations, the Borrower irrevocably appoints and constitutes the Security Agent as the Borrower's true and lawful attorney with full power (in the name of the Borrower or otherwise) to ask, require, demand, receive, compound and give good discharge for any and all moneys and claims for moneys due and to become due under or arising out of the property hereby assigned, to endorse any cheque or other instrument or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Security Agent may deem to be necessary or advisable and otherwise to do any and all things which the Borrower itself could do in relation to the Assigned Property, provided that such power shall only be exercisable by the Security Agent if and for so long as there shall have occurred an Enforcement Event, but the exercise of such power by the Security Agent shall not put any person dealing with the Security Agent upon enquiry as to whether any Enforcement Event has occurred nor shall any person be in any way affected by notice that no Enforcement Event has occurred and the exercise by the Security Agent of such power shall be conclusive evidence of its right to exercise the same.

9 Further Assurance and Other Matters

- 9.1 The Borrower further undertakes that, at any time and from time to time upon the request of the Security Agent, it will at its own expense execute, perfect, do, and (if required) register every such further assurance, document, act or thing which the Security Agent may reasonably specify with a view to:
- 9.1.1 maintaining, perfecting or giving effect to or ensuring the priority of any assignment or security created or intended to be created by this Assignment; or
 - 9.1.2 facilitating the exercise, or the proposed exercise, of any of the Security Agent's powers following the occurrence of an Enforcement Event.

10 Security

- 10.1 This Assignment and the security created hereby shall be held by the Security Agent as a continuing security for the payment, discharge and performance of the Secured Obligations, and the security, covenants and provisions contained in this Assignment shall remain in force as continuing security to the Security Agent notwithstanding any settlement of account or any other act, event or matter whatsoever, except the release by the Security Agent in accordance with clause 4.2 or 4.3 of the security created by this Assignment and the reassignment of the Assigned Property to the Borrower or such other person as the Borrower may direct. The security so created shall not be satisfied by any

intermediate payment or satisfaction of any part of the Secured Obligations, shall be in addition to, and shall not in any way be prejudiced or affected by, any collateral or other security now or hereafter held by the Security Agent for all or any part of the Secured Obligations. Every power and remedy given to the Security Agent hereunder shall be in addition to, and not a limitation of, any and every other power or remedy vested in the Security Agent, and all the powers so vested in the Security Agent may be exercised from time to time and as often as the Security Agent may deem expedient. No delay or omission of the Security Agent in the exercise of any right or power vested in it hereunder shall impair such right or power or be construed as a waiver of or an acquiescence in any default by the Borrower.

- 10.2 The Security Agent shall have all the powers conferred on mortgagees by Section 101 of the Law of Property Act, 1925. Sections 93 and 103 of the Law of Property Act, 1925 shall not apply to this Assignment.

11 Enforcement of Security

- 11.1 When, and at any time after, an Enforcement Event occurs, the Security Agent shall be entitled, without further notice, immediately to put into force and exercise all the powers and remedies possessed by it according to law as assignee by way of security of the Assigned Property as and when it may see fit, and in particular:

- 11.1.1 to recover and collect, pursuant to all powers, remedies, rights and privileges of the Borrower with respect to the Assigned Property, and to give a good receipt therefor on behalf of the Borrower;
- 11.1.2 to take over or institute all such proceedings in connection with all or any of the Assigned Property as the Security Agent in its absolute discretion thinks fit, and to discharge, compound, release or compromise all or any of the Assigned Property or claims in respect thereof;
- 11.1.3 to set-off any monies comprised in the Assigned Property against such or any of the Secured Obligations; and
- 11.1.4 to implement any contracts included in the Assigned Property, or to agree with any other party thereto to determine the same on such terms and conditions as the Security Agent and such party may agree.

12 Protection of Third Parties

No purchaser or other person dealing with the Security Agent or with its attorneys or agents shall be concerned to enquire (a) whether any power exercised by it or him has become exercisable, (b) whether any money remains due on the security hereby created,

(c) as to the propriety or regularity of any of his, its or their actions, or (d) as to the application of any money paid to him, it or them. In the absence of bad faith on the part of such purchaser or other person, such dealings shall be deemed so far as regards the safety and protection of such purchaser or other person to be within the powers hereby conferred and to be valid accordingly. The remedy of the Borrower in respect of any impropriety or irregularity whatever in the exercise of such powers shall be in damages only.

13 Failure to Exercise

The Security Agent shall not be liable in respect of any loss or damage which arises out of the exercise, or the attempted or purported exercise in good faith of, or the failure to exercise, any of its powers under this Assignment, unless such loss or damage is caused by its or his gross negligence, fraud or wilful default.

14 Delegation

14.1 The Security Agent may at any time(s):-

- 14.1.1 delegate to any person(s) all or any of its rights, powers and discretions hereunder on such terms (including power to sub-delegate) as the Security Agent sees fit; and
- 14.1.2 employ agents, managers, employees, advisers and others on such terms as the Security Agent sees fit for any of the purposes set out herein.

15 Liability

Without prejudice to the Security Agent's duties at law, the Security Agent shall not be liable for any losses arising in connection with the exercise of any of its rights, powers and discretions in good faith hereunder (unless such losses are caused by its gross negligence, fraud or wilful default) and, in particular (without limitation) the Security Agent shall not be liable to account as Security Agent in possession or for anything except actual receipts.

16 Notices

Save as otherwise expressly provided in this Assignment, every notice, request, demand or other communication under this Assignment shall be given in the same manner as is provided in Clause 31 (*Notices*) of the Facility Agreement.

17 Law, Jurisdiction and Other Provisions

- 17.1 This Assignment and any non-contractual obligations connected with it shall be governed by, and construed in accordance with, English law.

- 17.2 The courts of England shall have jurisdiction to determine any claim arising out of or in connection with this Assignment any non-contractual obligations connected with it.
- 17.3 This Assignment may be entered into in the form of two or more counterparts, each executed by one or more of the parties, and provided all the parties shall so execute this Assignment, each of the executed counterparts, when duly exchanged or delivered, shall be deemed to be an original but, taken together, they shall constitute one instrument.
- 17.4 Each of the provisions of this Assignment are severable and distinct from the others and if at any time one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions of this Assignment shall not in any way be affected or impaired thereby.
- 17.5 All certificates, instruments and other documents to be delivered under or supplied in connection with this Assignment or the Insurances shall be in the English language or shall be accompanied by a certified English translation upon which the recipient shall be entitled to rely.
- 17.6 A person who is not a party to this Assignment has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Assignment.
