DIRECTORS' REPORT FOR THE YEAR ENDED 30 JUNE 2001

The directors present their report and the financial statements of the company for the year ended 30 June 2001.

Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- follow applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2001

1. ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention.

The effect of events in relation to the year ended 30 June 2001 which occurred before the date of approval of the financial statements by the Board of Directors, have been included in the statements to the extent required to show a true and fair view of the state of affairs at 30 June 2001 and of the results for the year ended on that date.

Depreciation

Depreciation has been computed to write off the cost of tangible fixed assets over their expected useful lives using the following rates:

New Buildings	- 5% Reducing Balance
Plant & Machinery	- 20% Reducing Balance
Lease & Hire Purchase Vehicles	- 25% Reducing Balance
Motor Vehicles	- 20% Reducing Balance

Stocks

Stocks are stated at the lower of cost and net realisable value.

Deferred Taxation

Deferred taxation represents the tax relieved on Capital Allowances in advance of depreciation.

Leasing

Tangible fixed assets acquired under finance leases or hire purchase contracts are capitalised and depreciated in the same manner as other tangible fixed assets. The related obligations, net of future finance charges, are included in creditors. The interest is charged to the profit and loss account over the period of the lease.

Pension Costs

The Company operates a defined contribution scheme and the contributions are charged against profits as they are paid.

2. TURNOVER

The company's turnover represents the value, excluding Value Added Tax, of goods and services supplied to customers during the year.
