The Assignor hereby represents and warrants to the Assignee that:

- 2.1.1 the Assignor is the legal and beneficial owner of the Collateral and has not, prior to the date hereof, assigned or otherwise encumbered the Collateral or any of its rights, title and interest therein or any moneys payable thereunder (except as otherwise expressly permitted or required hereunder or under the Lease Agreement); and
- 2.1.2 the Assignor will, until the Secured Obligations have been paid and performed in full, remain the sole lawful owner of all rights, title and interest in and to the Collateral.

3. COVENANT TO PAY, DISCHARGE AND PERFORM THE SECURED OBLIGATIONS

The Assignor hereby expressly covenants with the Assignee that it will pay and perform in full or will procure the payment and performance in full of the Secured Obligations and further that such payment and performance of the Secured Obligations shall be made or procured by the Assignor in accordance with the terms applicable to the payment and performance thereof under this Assignment, the Lease Agreement or, as applicable, any other Operative Document to which the Assignor is a party.

4. ASSIGNMENT AND NOTICES

4.1 Assignment

As continuing security for the payment and performance of the Secured Obligations, the Assignor hereby assigns and agrees to assign, by way of security, to the Assignee

all the Assignor's rights to the benefits of and proceeds (present or future) in and to the Collateral including (without limitation) all moneys, proceeds and payments in connection with any of the same, and all other rights and benefits thereby accruing to the Assignor. For the avoidance of doubt this Assignment does not constitute an assignment of any policy or contract of insurances but only the benefit and proceeds thereunder insofar as the same relate to the Aircraft.

4.2 Re-assignment

Upon payment and performance in full of all the Secured Obligations, the Assignee shall re-assign all rights, title, benefit and interest (present and future) in and to the Collateral to the Assignor or to the Assignor's order and the Assignee shall execute any other document reasonably requested by the Assignor in order to give effect to such re-assignment.

4.3 Notice to Insurers

On execution of this Assignment, and on each occasion there is any change in the brokers through whom the Insurances are effected, the Assignor shall execute and forthwith deliver a notice of assignment to the insurer(s) or as the case may be, the brokers through whom the Insurances and Insurance Documents are effected in the form of Schedule 1 (*Form of Notice of Assignment of Insurances*) (or in such other form as the Assignee may reasonably require).

4.4 Notice of Requisition Compensation

The Assignor hereby undertakes to give notice of the assignment specified in clause 4.1 (*Assignment*) in respect of any Requisition Compensation to any relevant Government Entity reasonably requested by the Assignee upon any requisition of title to, or other compulsory acquisition of, the Aircraft.

5. ASSIGNOR'S COVENANTS

5.1 The Assignor hereby covenants with the Assignee that:

- 5.1.1 it will do or procure to be done any act or thing which the Assignee may from time to time reasonably require to be done for the purpose of enforcing the Assignee's rights granted pursuant to this Assignment in respect of the Collateral;
- 5.1.2 it will not, except as otherwise expressly permitted or required hereunder or under the Lease Agreement or with the prior written consent of the Assignee, release any party from any of its obligations under the Insurance Documents or waive any breach by any party of its obligations under the Insurance Documents or consent to or acquiesce in any such act or omission of such party as would otherwise constitute such breach;

- 5.1.3 it will perform its obligations under the Insurance Documents and use commercially reasonable efforts to procure that the other parties thereto shall perform their respective obligations under the Insurance Documents;
- 5.1.4 it shall indemnify the Assignee on demand for all reasonable Expenses incurred by the Assignee in connection with the protection, perfection, preservation, exercise, maintenance or enforcement of the security created by this Assignment;
- 5.1.5 it will not create or attempt to create or permit to subsist any Security Interest (other than as contemplated by this Assignment) in respect of the Collateral or sell, assign, discount, transfer or otherwise dispose of any of the same or attempt or agree so to do;
- 5.1.6 it will, subject to the terms of the notice of the assignment set out in Schedule 1, direct the insurers and any other debtor in respect of any part of the Collateral to pay all moneys arising from or in connection with the Collateral to such account or accounts as the Assignee may from time to time direct;
- 5.1.7 the Assignee shall not be under any obligation of any kind or assume any obligation with respect to the Collateral or under any liability whatsoever as a result of any failure by the Assignor to perform any of its obligations in connection therewith;
- 5.1.8 following the occurrence of an Event of Default which is continuing, the Assignor will not exercise any rights or powers conferred on it in respect of the Collateral unless and until lawfully requested to do so by the Assignee whereupon the Assignor agrees that it will do so at its own cost and expense, provided that the Assignee shall not be responsible in any way whatsoever in the event that the exercise by the Assignor of any of its rights or powers under the Collateral be thereafter deemed improper, and
- 5.1.9 it will not exercise any right of set-off, counterclaim or defense against the Assignee with respect to the Collateral.

6. APPLICATION OF MONEYS

All moneys received by the Assignee pursuant to this Assignment shall be applied in or towards satisfaction of the Secured Obligations in accordance with the terms of the Lease Agreement.

7. ASSIGNOR'S CONTINUING OBLIGATIONS

7.1 Continuing Obligations

It is further agreed and declared that notwithstanding anything herein contained:

- 7.1.1 the Assignor shall remain liable to perform all the obligations assumed by it under the Insurance Documents;
- 7.1.2 except as otherwise expressly set forth herein, the Assignee shall be under no obligation or liability of any kind whatsoever under the Insurance Documents or otherwise in respect of the Insurances by reason of this Assignment or anything arising out of it (including any failure by the Assignor to perform any of its obligations thereunder) and no exercise by the Assignee of any of its rights under this Assignment shall constitute or be deemed to constitute an assumption by the Assignee of any obligations of the Assignor; and
- 7.1.3 the Assignee shall not be under any obligation:
- (a) to assume or be under any obligation in any manner to perform or fulfil, any obligation of the Assignor in, under or pursuant to the Insurance Documents; or
 - (b) to make any payment under the Insurance Documents;
 - (c) to make any claim or take any other action to collect any moneys or to enforce any rights and benefits hereby assigned to the Assignee or to which the Assignee may at any time be entitled hereunder (provided however, that the Assignor reserves the right to make any claim under or in respect of the Insurances subject otherwise to the terms hereof); or
 - (d) to make any enquiry as to the nature or sufficiency of any payment received by it under this Assignment.

7.2 No Moneys Recoverable

In the event of any circumstances whereby further performance of any Insurance Document, or any provision of the Lease Agreement or any other Operative Document relating to Insurances becomes impossible or unlawful no moneys previously paid to the Assignee in accordance with the terms of and pursuant to this Assignment shall be recoverable from it.

8. ENFORCEMENT OF SECURITY

If at any time after the occurrence of an Event of Default but only so long as the same is continuing, any of the Secured Obligations becomes due and payable, and has not been paid, the Assignee shall be entitled, without notice, immediately to put into force and exercise all the powers and remedies possessed by it according to applicable law as assignee by way of security of the Collateral as and when it may see fit and to the extent not in conflict with the Insurances, and in particular:

- 8.1.1 to recover and collect, pursuant to all powers, remedies, rights and privileges of the Assignor with respect to the Collateral, to give a good receipt therefor on

behalf of the Assignor and to permit the brokers through whom collection or recovery of any Insurances forming part of the Collateral is effected to charge and retain the usual brokerage therefor;

- 8.1.2 to take over or institute all such proceedings in connection with all or any of the Collateral as the Assignee, in its absolute discretion, thinks fit, and to discharge, compound, release or compromise all or any of the Collateral or claims in respect thereof;
- 8.1.3 to take possession of all or any of the Collateral;
- 8.1.4 to set off any monies comprised in the Collateral against all or any of the Secured Obligations; and
- 8.1.5 to implement any contracts included in the Insurance Documents, or to agree with any other party thereto to determine the same, on such terms and conditions as the Assignee and such party may agree.

9. CONTINUING SECURITY AND OTHER PROVISIONS

9.1 Continuing Security

It is declared and agreed that:

- 9.1.1 the security created by this Assignment shall:
 - (a) be a continuing security for the payment, discharge and performance in full of the Secured Obligations and the performance of the Assignor's obligations under the Operative Documents and accordingly the security so created shall not be satisfied by any intermediate payment, performance or satisfaction of any part of the Secured Obligations;
 - (b) be in addition to and shall not in any way discharge, impair, prejudice or affect, the security created by any deposit of documents, or any guarantee, lien, bill, note, mortgage or other security now or hereafter held by the Assignee or any right or remedy of the Assignee thereunder, and shall not be in any way discharged, impaired, prejudiced or affected thereby, or by the invalidity or unenforceability thereof, or by the Assignee releasing, discharging, modifying or refraining from perfecting or enforcing any of the same or granting time or indulgence or compounding with any person liable;
 - (c) not be discharged, impaired, prejudiced or otherwise affected by any amendment, modification, variation, supplement, novation, restatement or replacement of all or any part of the Secured Obligations or any Operative Document; and

- (d) not be discharged, impaired, prejudiced or otherwise affected by any other act, fact, matter, event, circumstance, omission or thing (including, without limitation the invalidity, unenforceability or illegality of any of the Operative Documents and/or Secured Obligations or the bankruptcy, liquidation, winding-up, insolvency, dissolution, administration, reorganisation or amalgamation of, or other analogous event of or with respect to the Assignor or any other person) which, but for this provision, might operate to discharge, impair, prejudice or otherwise affect the rights of the Assignee under this Assignment or under any other Operative Document or which, but for this provision, might constitute a legal or equitable discharge of the security hereby created; and

9.1.2 all the rights and powers vested in the Assignee by this Assignment may be exercised from time to time and as often as the Assignee may deem expedient, subject in each case, to the terms hereof and of the Lease Agreement.

9.2 **No Waiver**

No failure or delay on the part of the Assignee to exercise any right, power or remedy under this Assignment shall operate as a waiver thereof, nor shall any single or partial exercise by the Assignee of any right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy, nor shall the giving by the Assignee of any consent to any act which by the terms of this Assignment requires such consent prejudice the right of the Assignee to withhold or give consent to the doing of any other similar act. The remedies provided in this Assignment are cumulative and are not exclusive of any remedies provided by law.

9.3 **Not Liable to Account**

The Assignee shall not be liable as assignee in respect of the security created hereunder to account or be liable for any loss upon the lawful realisation thereof or for any neglect or default of any nature whatsoever in connection therewith for which any assignee may be liable as such.

9.4 **Conditional Settlement**

Any settlement or discharge between the Assignee and the Assignor and/or any other person shall be conditional upon no security or payment to the Assignee by the Assignor or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, liquidation, winding-up, insolvency, dissolution, administration, reorganisation, amalgamation or other analogous event or proceedings for the time being in force.

10. **POWER OF ATTORNEY**

The Assignor hereby irrevocably appoints and constitutes the Assignee as the Assignor's true and lawful attorney with full power (in the name of the Assignor or on its behalf) to ask, require, demand, receive, compound and give good discharge for any and all moneys and claims for moneys due and to become due under or arising out of the Collateral hereby assigned, to endorse any cheque or other instrument or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Assignee may deem to be necessary or advisable and as its act and deed or otherwise to execute, seal and deliver and otherwise perfect and do all such deeds, assurances, agreements, instruments, acts and things which may be required for the full exercise of all or any of the rights, powers or remedies hereby conferred, or which may be deemed proper in connection with all or any of the purposes aforesaid provided that such power shall only be exercisable by the Assignee if there shall have occurred an Event of Default which is continuing, but the exercise of such power by the Assignee shall not put any person dealing with the Assignee upon enquiry as to whether any Event of Default has occurred nor shall any person be in any way affected by notice that no Event of Default has occurred and the exercise by the Assignee of such power shall as between the Assignee and any such person be conclusive evidence of its right to exercise the same.

11. **FURTHER ASSURANCE**

The Assignor further undertakes that at any time and from time to time upon the request of the Assignee it will execute, perfect, do, and (if required) register every such further assurance, document, act or thing which in the reasonable opinion of the Assignee may be reasonably necessary to:

- 11.1.1 perfect or give effect to any assignment or security created or intended to be created by this Assignment; or
- 11.1.2 facilitate the exercise, or the proposed exercise, of any of the Assignee's powers following the occurrence and during the continuation of an Event of Default.

12. **PROTECTION OF THIRD PARTIES**

No purchaser or other person dealing with the Assignee, any Financing Party or with its attorneys or agents shall be concerned to enquire (i) whether any power exercised by it or him has become exercisable, (ii) whether any money remains due on the security hereby created, (iii) as to the propriety or regularity of any of his, its or their actions, or (iv) as to the application of any money paid to the Assignee or any Financing Party. In the absence of bad faith on the part of such purchaser or other person, such dealings

shall be deemed so far as regards the safety and protection of such purchaser or other person to be within the powers hereby conferred and to be valid accordingly.

13. **DELEGATION**

The Assignee may, at the expense of the Assignee, at any time(s):

- 13.1.1 delegate to any appropriately licensed and/or experienced person(s) all or any of its rights, powers and discretions vested in it by this Assignment (including, for the avoidance of doubt, the power conferred pursuant to clause 10 (*Power of Attorney*)) on such terms as agreed between Assignee and such person; provided that any such delegation and the exercise by any person of any power or discretion of Assignee hereunder shall, in all cases, be subject to the provisions of and shall be exercised in conformity with all of the terms, conditions and limitations set forth in this Assignment and the Lease Agreement and under no circumstances whatsoever shall any such delegation result in any increase in or additional obligation, cost, expense or liability on the part of Assignor or diminish or restrict in any manner Assignor's rights hereunder. Notwithstanding such delegation, Assignee shall remain primarily liable for all of its obligations hereunder; and
- 13.1.2 employ agents, managers, employees, advisers and others on such terms as the Assignee sees fit for any of the purposes set out herein.

14. **INDEMNITY**

14.1 **Indemnity**

The Assignor will indemnify the Assignee, each Financing Party and every attorney appointed pursuant hereto in respect of all liabilities and expenses reasonably incurred by it, him or them in good faith in the exercise of any rights, powers or discretions vested in it, him or them pursuant hereto.

14.2 **No Liability**

Without prejudice to the Assignee's duties at law, neither the Assignee nor any Financing Party shall be liable for any losses arising in connection with the exercise of any of its rights, powers and discretions in good faith hereunder and, in particular (without limitation), neither the Assignee nor any Financing Party in possession shall be liable to account as Assignee in possession or for anything except actual receipts.

15. **NOTICES**

15.1 **Notices**

All notices required to be given by one party to the other hereunder shall be given in accordance with the provisions of clause 18 (*Notices*) of the Lease Agreement *mutatis mutandis*.

15.2 **English Language**

All documents, notices, communications, evidence, reports, opinions and other documents given or to be given under this Assignment, unless made in the English language, shall (unless expressly provided to the contrary) be accompanied by an English translation and the English version of all such documents, notices, communications, evidence, reports, opinions and other documents shall, to the extent permitted by applicable law, govern in the event of any conflict with the non-English version thereof.

16. **LAW AND JURISDICTION**

The provisions of clause 20 (*Law and Jurisdiction*) of the Lease Agreement shall apply to this Assignment *mutatis mutandis*.

17. **ASSIGNMENT**

The provisions of clause 19 (*Assignment*) of the Lease Agreement shall apply to this Assignment *mutatis mutandis*.

18. **MISCELLANEOUS**

18.1.1 Section 93 and Section 103 of the Law of Property Act 1925 shall not apply to this Assignment.

18.1.2 A person who is not a party to this Assignment has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Assignment.

18.1.3 Each provision this Assignment is severable and distinct from the others and, if any provision is or at any time becomes to any extent or in any circumstances invalid, illegal or unenforceable for any reason, it shall to that extent or in those circumstances, be deemed not to form part of this Assignment but (except to that extent or in those circumstances in the case of that provision) the validity, legality and enforceability of that and all other provisions of this Assignment shall not be affected or impaired, it being the parties' intention that every provision of this Assignment shall be and remain valid and enforceable to the fullest extent permitted by law.

18.1.4 The provisions of this Assignment shall not be varied otherwise than by an instrument in writing executed by or on behalf of all parties hereto.

18.1.5 This Assignment may be entered into in the form of any number of counterparts, each executed by at least one (1) of the parties and, provided that all the parties shall so enter into this Assignment, each of the executed counterparts, when duly exchanged or delivered, shall be deemed to be an original, but, taken together, they shall constitute one instrument.
