# Strategic Report

The directors present their strategic report for the year ended 31 December 2017.

#### Fair review of the business

The loss for the year, after taxation, is £(3,983,360) (2016: £7,801,782).

The company's key financial and other performance indicators for continuing operations during the year were as follows:

	2017	2016	Change
	£'000	£'000	
Turnover (continuing operations)	-	-	- %
Operating (loss)/profit	(518)	1,337	-138 %
(Loss)/profit for financial year	(422)	1,337	-132 %
Shareholder's equity	155,165	159,686	-2 %

Operating result decreased by (138)% during the year. The decrease was due to a foreign exchange loss, severance payments and impairment loss on fixed assets in 2017.

Loss after tax decreased by (132)%. This decrease in profit after tax primarily arose from the aforementioned factors for 2017.

#### Principal risks and uncertainties

Financial risk

If the underlying investments decrease in value this could lead to impairments for the Company.

#### Litigation

Litigation or legal proceedings could expose us to significant liabilities and damage our reputation.

#### Laws and regulations

Changes in, or failure to comply with, the laws and regulations applicable to our business operations could increase our costs or reduce our net operating revenues.

S Roche Director

# **Directors' Report**

Registered No. 01724995

The directors present their report and the financial statements for the year ended 31 December 2017.

#### **Directors of the Company**

The current directors are shown on page 1.

#### Principal activities

The Company's activities continue to be that of an intermediate investment holding company. The Company directly holds 100% of the ordinary share capital of Beverage Services Limited and Coca-Cola International Sales Limited, both companies are incorporated in the United Kingdom. The Company up until December 2017 blended and sold ingredients.

#### **Future developments**

It is anticipated that Coca-Cola Holdings (United Kingdom) Limited will continue as an investment holding company.

#### Events since the balance sheet date

Details of important events since the year end are set out in Note 16 to the financial statements.

#### Going concern

The Company's business activities, together with the factors likely to affect its future development, its financial position, financial risk management objectives and its exposures to risk are described in the Strategic Report on pages 2.

During the year the Company has discontinued activities in Ruislip but continues to operate as an intermediate investment holding company.

After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

#### Political and charitable contributions

No charitable donations were made during the year (2016: £nil).

#### Company's policy for payment of creditors

It is the Company's policy that payments to suppliers are made in accordance with those terms and conditions agreed between the Company and its suppliers, providing that all terms and conditions have been complied with.

At 31 December 2017, the Company had an average of nil days purchases outstanding in trade creditors (2016:15 days).

# Research and development

Due to the nature of the Company, the Company does not currently incur expenditure on research or development activities. Should the nature of the business change, the Company will disclose the nature of such in accordance with Companies Act requirements.

### **Directors' Report**

#### Disabled employees

The Company gives full consideration to applications for employment from disabled persons where the candidate's particular aptitudes and abilities are consistent with adequately meeting the requirements of the job. Opportunities are available to disabled employees for training, career development and promotion.

Where existing employees become disabled, it is the Company's policy to provide continuing employment wherever practicable in the same or an alternative position and to provide appropriate training to achieve this aim

#### **Auditors**

A resolution to reappoint Ernst & Young LLP as auditors will be put to the members at the Annual General Meeting.

#### Disclosure of information to the auditors

The directors who were members of the board at the time of approving the directors' report are listed on page 2. Having made enquiries of fellow directors and of the Company's auditors, each of these directors confirms that:

- to the best of each director's knowledge and belief, there is no information (that is, information needed by the Company's auditors in connection with preparing their report) of which the Company's auditors are unaware; and
- each director has taken all the steps a director might reasonably be expected to have taken to be aware of relevant audit information and to establish that the Company's auditors are aware of that information.

S Roche Director

### Directors' responsibilities statement

The directors are responsible for preparing the Strategic Report, Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 'Reduced Disclosure Framework' ('FRS 101'). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- · select suitable accounting policies and apply them consistently;
- · make judgements and estimates that are reasonable and prudent;
- state whether UK Accounting Standards been followed, subject to any material departures disclosed and explained in the financial statements; and
- · prepare the financial statements on a going concern basis, unless they consider that to be inappropriate.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Independent Auditor's Report to the Members of Coca-Cola Holdings (United Kingdom) Limited

#### **Opinion**

We have audited the financial statements of Coca-Cola Holdings (United Kingdom) Limited for the year ended 31 December 2017, which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 18. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework'.

#### Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

# Independent Auditor's Report (continued) to the Members of Coca-Cola Holdings (United Kingdom) Limited

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have identified no material misstatements in the Strategic Report or Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit

#### Responsibilities of directors

As explained more fully in the Directors' responsibilities statement (set out on page 5), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors to the financial statements.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

# Independent Auditor's Report (continued) to the Members of Coca-Cola Holdings (United Kingdom) Limited

## Auditor's responsibilities for the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Ian Gibson

(Senior Statutory Auditor)

For and on behalf of Ernst & Young LLP, Statutory Auditor

Belfast

Date: 27 September 2018

#### Notes to the Financial Statements

for the Year Ended 31 December 2017

#### 1 Authorisation of financial statements & statement of compliance with FRS 101

The financial statements of Coca-Cola Holdings (United Kingdom) Limited (the "Company") for the year ended 31 December 2017 were authorised for issue by the board on 26 September 2018 and the balance sheet was signed on the board's behalf by S Roche. Coca-Cola Holdings (United Kingdom) Limited is a private limited company limited by shares, incorporated and domiciled in England.

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101). The financial statements are prepared under the historical cost convention.

The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 31 December 2017. The financial statements are prepared in Pound Sterling and are rounded to the nearest Pound (£).

The Company claims exemption from preparing group financial statements under section 400 of the Companies Act 2006 as it is included in the group financial statements of The Coca Cola Company, incorporated in Delaware, USA. Therefore these financial statements present information about the Company as an individual undertaking and not as a group.

#### 2 Accounting policies

#### **Basis of preparation**

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework.

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- (a) the requirements of paragraphs 45(b) and 46-52 of IFRS 2 Share based Payment;
- (b) the requirements of IFRS 7 Financial Instruments: Disclosures;
- (c) the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement;
- (d) the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - (i) paragraph 79(a)(iv) of IAS 1;
  - (ii) paragraph 73(e) of IAS 16 Property, Plant and Equipment;
- (e) the requirements of paragraphs 10(d), 10(f), 39(c) and 134-136 of IAS 1 Presentation of Financial Statements;
- (f) the requirements of IAS 7 Statement of Cash Flows;
- (g) the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors;
- (h) the requirements of paragraph 17 of IAS 24 Related Party Disclosures; and

#### Notes to the Financial Statements

for the Year Ended 31 December 2017 (continued)

#### 2 Accounting policies (continued)

(i) the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member.

#### Judgements and key sources of estimation uncertainty

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

The following estimates are dependent upon assumptions which could change in the next financial year and have a material effect on the carrying amounts of assets and liabilities recognised at the balance sheet date:

#### Estimation of useful lives of assets

The Company determines the estimated useful lives and related depreciation charges for its tangible fixed assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation charge will increase where the useful lives are less than previously estimated, or have been written down in value.

#### Provisions

The amount recognised as a provision is the best estimate of the amount required to settle the present obligation at the balance sheet date, after taking account of the risks and uncertainties surrounding the obligation.

# Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. Factors that management must estimate include, among others, the economic life of the asset, sales volume, pricing, cost of raw materials, delivery costs, inflation, cost of capital, marketing spending, foreign currency exchange rates, tax rates, capital spending and proceeds from the sale of assets. If the sum of the expected future cash flows (undiscounted and without interest charges) is less than the carrying amount, we recognize an impairment loss. The impairment loss recognized is the amount by which the carrying amount exceeds the fair value. We use a variety of methodologies to determine the fair value of property, plant and equipment, including appraisals and discounted cash flow models, which are consistent with the assumptions we believe hypothetical marketplace participants would use.

#### Taxation

Management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with an assessment of the effect of future tax planning strategies. Further details are contained in Note 9.

#### Trade and other debtors

Trade debtors, which generally have 30 day terms, are recognised and carried at the lower of their original invoiced value and recoverable amount. Where the time value of money is material, receivables are carried at amortised cost. Provision is made when there is objective evidence that the Company will not be able to recover balances in full. Balances are written off when the probability of recovery is assessed as being remote.

#### Notes to the Financial Statements

for the Year Ended 31 December 2017 (continued)

#### 2 Accounting policies (continued)

#### Income tax

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities based on tax rates and laws that are enacted or substantively enacted by the balance sheet date

Deferred income tax is recognised on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements, with the following exceptions:

- where the temporary difference arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss;
- in respect of taxable temporary differences associated with investments in subsidiaries, associates and joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future; and
- deferred income tax assets are recognised only to the extent that it is probable that taxable profit will be
  available against which the deductible temporary differences, carried forward tax credits or tax losses can be
  utilised.

Deferred income tax assets and liabilities are measured on an undiscounted basis at the tax rates that are expected to apply when the related asset is realised or liability is settled, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date.

#### Foreign currencies

The Company's functional currency and presentation currency is Pounds Sterling. Transactions in foreign currencies are initially recorded in the functional currency by applying the spot exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

#### Investments

Investments in subsidiaries, associates and joint ventures are accounted for at cost less any provision for impairment.

#### Notes to the Financial Statements

for the Year Ended 31 December 2017 (continued)

#### 2 Accounting policies (continued)

#### Revenue recognition

Revenue is recognised to the extent that the Company obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discount, rebates, VAT and other sales taxes or duty.

Interest income is recognised as interest accrues using the effective interest method.

#### Interest-bearing loans and borrowings

All loans and borrowings are initially recognised at fair value less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method.

Gains and losses arising on the repurchase, settlement or otherwise cancellation of liabilities are recognised respectively in interest income and interest expense.

#### Called up share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

#### Share premium reserve

The share premium reserve is used to record the excess of proceeds over the nominal value on the issue of shares.

#### Profit and loss account

Profit and loss account is accumulated profits of the Company.

# **Cash-settled transactions**

The cost of cash-settled transactions is measured initially at fair value at the grant date using a Black-Scholes model. This fair value is expensed over the period until the vesting date with recognition of a corresponding liability. The liability is remeasured to fair value at each reporting date up to and including the settlement date, with changes in fair value recognised in profit or loss for the period.

# Notes to the Financial Statements

for the Year Ended 31 December 2017 (continued)

#### 3 Turnover

The whole of the Company's turnover is attributable to one continuing activity, the blending and selling of ingredients.

Turnover, all of which results from continuing operations, arises worldwide. An analysis of turnover by geographical market is as follows:

	2017 £	2016 £

Discontinued Operations		
Wages and salaries	269,173	587,389
Social welfare costs	49,308	76,347
Pension costs	76,897	117,457
Redundancy costs	268,952	
Share-based payment expenses	79,721	
	744,051	781,193

# Notes to the Financial Statements

for the Year Ended 31 December 2017 (continued)

# 5 Staff costs and directors' remuneration (continued)

The average number of employees (including directors) during the year was made up as follows:

2017	2016
No.	No.
6	9

All employees are employed in the production division (2016: production).

#### Directors' remuneration

In the current and previous year, none of the directors received any remuneration for their services as a director, or for the management of the affairs of the Company.

#### 6 Interest receivable and similar income

Interest receivable and similar income	<b>2017</b> £ 29,994	<b>2016</b> £ 57,961
	29,994	57,961
7 Interest payable and similar charges		
Tutamat assable and similar shares	2017 £	2016 £
Interest payable and similar charges	35,312 35,312	84,139 84,139
8 Taxation		
Tax charged/(credited) in the profit and loss account	2017 £	2016 £
Current income tax		
UK corporation tax on profits for the period	180,304	1,981,393
UK corporation tax adjustment to prior periods	(52,056)	(57,847)
Total current tax	128,248	1,923,546
Deferred tax		
Increase/(decrease in deferred tax provision	374,120	(17,881)
Impact of rate change on opening balance	-	(25,123)
Adjustments in respect of previous periods	10,611	16,259
Total deferred tax	384,731	(26,745)
Tax expense in the profit and loss account	512,979	1,896,801

# Notes to the Financial Statements

for the Year Ended 31 December 2017 (continued)

# 8 Taxation (continued)

The deferred tax included in the balance sheet is as follow:	31 December 2017	31 December 2016
Deferred tax liability Accelerated capital allowances	· 	384,731
Net liability disclosed in the balance sheet		384,731
	,	£
Net deferred tax liability at 1 January 2016		411,476
Deferred tax charge in the income statement		(26,745)
Net Deferred tax asset 31 December 2016		384,731
Deferred tax charge in the income statement		(384,731)
Net Deferred tax assets 31 December 2017		-

# Reconciliation of the total tax charge

The tax on profit before tax for the year is the same as the standard rate of corporation tax in the UK of 19.25% (2016 - 20%).

The differences are reconciled below:

	2017 £	2016 £
(Loss)/profit before tax	(4,496,339)	9,698,585
Corporation tax at standard rate	(865,565)	1,939,717
Total tax (credit)/charge reported in the income statement	(865,565)	1,939,717

The main UK corporation tax rate was reduced from 20% to 19% with effect from 1 April 2017. A further reduction in the rate to 17% was substantively enacted with effect from 1 April 2020. Deferred tax has therefore been recognised at a rate of 17%, being the substantively enacted rate at the balance sheet date.

#### **HMRC** enquiry

The 2016 financial statements made reference to an enquiry by HMRC with regards to the Company's corporation tax position. The enquiry has been resolved in full and is now closed.
