The company is entitled to exemption from audit under Section 249A(1) of the Companies Act 1985 for the year ended 31 December 2005.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 December 2005 in accordance with Section 249B(2) of the Companies Act 1985.

The director acknowledges his responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Section 226A and which otherwise comply with the requirements of the Companies Act 1985 relating to financial statements, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies and with the Financial Reporting Standard for Smaller Entities (effective January 2005).

ON BEHALF OF THE BOARD:

Mr D Chapman - Director

Approved by the Board on 21 February 2006

The notes form part of these abbreviated accounts

# NOTES TO THE ABBREVIATED ACCOUNTS for the year ended 31 December 2005

#### 5. ULTIMATE PARENT COMPANY

Holme Steel Fabricators Limited is the ultimate parent company of Holme Steel Refractories (UK) Limited, registered in England under number 02793022. Holme Steel Refractories (UK) Limited is a 75% subsidiary company of Holme Steel Fabricators Limited. Holme Steel Refractories (UK) Limited is dormant and non-trading.

#### 6. BANK OVERDRAFT

The bank borrowings are secured by a right of set-off incorporated in mortgage debenture dated 19 August, 1991 and an unscheduled mortgage debenture dated 19 August, 1991 incorporating a fixed and floating charge over all current and future assets of the company.

The company meets its day to day working capital requirements through positive cash flow and its overdraft facility, which is not generally repayable on demand. The nature of the company's business is such that there can be unpredictable variation in the timing of cash inflows. The Director has considered projected cash flow information for the year from the date of his approval of these financial statements. On the basis of this cash flow information, the Director considers that the company will be able to operate within the agreed facility. However, the margin of agreed facilities over anticipated requirements is not always large and, inherently there can be no certainty in relation to these matters.

#### 7. CONTINGENT ASSET

The company has provided for an amount due from a former customer as a bad debt. Whilst this amount is considered to be irrecoverable at the balance sheet date, the company is still actively seeking to recover the indebtedness from that former customer. The company is also seeking to recover costs and damages relating to an alleged breach by that former customer of the company's intellectual property and other rights all arising from the company's contractual relationship with it. Whilst the company is confident that its claim will be successful, it cannot be certain of this, nor can it be certain of the amount, if any, that may be ultimately recovered or of the amount of unrecoverable legal costs that may be incurred in respect of the claim. Consequently, the company has not provided for any amounts recoverable or payable relating to its claim in this respect or with regards to any counterclaim that may ensue.
