Independent auditor's report to the shareholders of Nuvisan Pharma Services UK Ltd (formerly AAI (Great Britain) Limited)

We have audited the financial statements of Nuvisan Pharma Services UK Ltd (formerly AAI (Great Britain) Limited) for the year ended 31 December 2008, set out on pages 5 to 13 These financial statements have been prepared under the accounting policies set out therein

This report is made solely to the company's shareholders in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of director and auditor

The director's responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the director's responsibilities statement

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the director's report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding director's remuneration and other transactions is not disclosed

We read the director's report and consider the implications for our report if we become aware of any apparent misstatements within it

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Due to the matters described in the Basis for disclaimer of opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion

Independent auditor's report to the shareholders of Nuvisan Pharma Services UK Ltd (formerly AAI (Great Britain) Limited)

Basis for disclaimer of opinion on financial statements

In seeking to form an opinion on the financial statements we considered the implications of the significant uncertainties within the financial statements concerning the following matters

- we did not receive relevant audit information to confirm the value of turnover, administrative expenses, prepayments, accruals or amounts owed by group undertakings,
- we have not been able to obtain sales or purchase invoices, therefore we cannot confirm whether there are any trade debtor balances or any further trade creditor balances at 31 December 2008,
- we have not been able to agree other operating income of £210,720 to supporting documentation, and
- we have not been able to obtain wages records for three months of the year under review and were unable to agree a number of net wages payments amounting to £12,235 to supporting documentation

There is potential for the uncertainties to interact with one another such that we have been unable to obtain sufficient appropriate audit evidence regarding the possible effects of the uncertainties taken together

Going concern

In forming our opinion we have considered the adequacy of the disclosures made in Note 1 to the financial statements concerning the reliance on the support of the parent company, PS Pharma Services Verwaltungsgesellschaft mbH. The financial statements have been prepared on a going concern basis, the validity of which depends on the continuation of this support. The financial statements do not include any adjustments that would result from a withdrawal of this support. In view of the significance of this matter we consider that it should be brought to your attention, however, our opinion is not qualified in this respect.

Disclaimer of opinion on financial statements

As a result of the possible impact of the uncertainties, described in the Basis for disclaimer of opinion on financial statements paragraph, to the financial statements, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

Notwithstanding our disclaimer of an opinion on the financial statements, in our opinion the information given in the directors report for the financial year for which with financial statements are prepared is consistent with the financial statements

Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.
