#### **Abacus Building Design Limited**

#### Notes to the Abbreviated Accounts for the Year Ended 31 March 2015

#### 1 Accounting policies

#### Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008).

#### Going concern

At the balance sheet date, the company has net current liabilities of £64,150. The company has received assurance from the directors that they will continue to give financial support to the company from twelve months from the date of signing these financial statements therefore the directors consider it appropriate to prepare the accounts on a going concern basis.

#### **Turnover**

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers.

#### Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

#### **Asset class**

Computer equipment Fixtures and Fittings

#### Depreciation method and rate

Straight line - 33% Reducing balance - 10%

#### Fixed asset investments

Fixed asset investments are stated at historical cost less provision for any diminution in value.

#### Work in progress

Work in progress is valued at the lower of cost and net realisable value, after due regard for obselete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs. Costs includes all direct costs and an appropriate proportion of fixed and variable overheads.

#### Deferred tax

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes, which have arisen but not reversed by the balance sheet date, except as required by the FRSSE.

Deferred tax is measured at the rates that are expected to apply in the periods when the timing differences are expected to reverse, based on the tax rates and law enacted at the balance sheet date.

#### Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

#### Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.
