TRUSTEES' REPORT

For the year ended 31 March 2023

The members of the Board of Trustees, who are also directors of the charity for the purposes of the Companies Act 2006 present their report which includes the administrative information set out on pages 1 & 2 and the audited financial statements for the year ended 31 March 2023 which have been prepared in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective 1 January 2019.

Structure, Governance and Management

Community First was founded in 1965 as the Community Council for Wiltshire, incorporated as a company limited by guarantee (registered in England and Wales) in September 1983 and registered as a charity in November 1983. Since 2008 HRH the former Duchess of Cornwall and now Queen has been Patron of Community First.

We employ 22 Full Time, 12 Part time, 20 Sessional/variable contracted staff, 9 Trustees (as of May 2023).

Membership of the Charity is comprised of supporting groups and individuals drawn from local communities, statutory bodies and parish and town councils in Wiltshire and Swindon. Community First is a part of the Rural Community Action Network, which operates through Rural Community Councils in each of England's shire counties, supporting the work of the voluntary sector in rural communities and market towns. The network is known nationally as ACRE (Action with Communities in Rural England). The governing documents of the Charity are its Memorandum and Articles of Association. Governance of Community First is through a Board of Trustees elected by the membership at the AGM. The Board has final legal authority and is responsible for overseeing the operation of the entire charity and its activities. The President and Vice Presidents are elected annually, and Trustees are elected for a three-year term. Additional Trustees may be co-opted by the Board for a 12 month period until the next AGM. Trustees may be elected for two terms of three years - i.e. six consecutive years. A Trustee may be re-elected for an additional term of three years. All new Trustees take part in a formal induction programme and receive appropriate training.

The Board meets formally five times a year. It regularly reviews its structure, the individual and corporate responsibilities of Board members and the skills and expertise that they bring to the Charity, through its strategic planning process.

The two Board Committees involving Trustees and senior management staff have delegated responsibility for Finance and Human Resources.

The Finance Committee is chaired by a Trustee with financial knowledge and experience and holds responsibility for financial oversight and protecting the assets of the Charity, including the principal assets, its property at Beacon Business Centre in Devizes and Oxenwood Outdoor Education Centre. The Committee reviews all financial reports in advance of Board meetings and monitors the overall financial position of the Charity.

The Human Resources (HR) Committee has responsibility for the development of HR policies and all Human Resources related Governance issues. The Committee recognises that a strong well managed Human Resources function is central in supporting the staff team.

All Trustees play an important role in guiding the strategic development of the Charity, monitoring the operating environment and risk management, identifying growth opportunities, leading on policy development, deciding on future priorities and ensuring that the Charity is sustainable.

TRUSTEES' REPORT

For the year ended 31 March 2023

The Leadership Team comprises of seven Managers and the specialist accountancy services is outsourced to Monahans. The Leadership team holds responsibility for implementing Board policy, carrying out decisions of the Board, managing the assets of the Charity, strategic planning and development, advising Trustees on all matters pertaining to the effective running of the Charity, and for overall business management and development.

The staff team is organised into six teams (including Central Support) reflecting the strategic objectives of the Charity.

The Charity has four subsidiary companies, one of which, Community First Trading Ltd, undertakes insurance and bulk fuel agency work, generating a profit of £30,185 which was gift-aided to the Charity. The other three subsidiaries, Wiltshire Enterprises Ltd together with Wiltshire Community Jobs and Youth Action Wiltshire (companies limited by guarantee) were dormant during the year as activities were undertaken directly by the Charity.

In addition to its Trustees, none of whom receive remuneration, the Charity benefits greatly from the active involvement of many volunteers who contribute their time and skills on sub-committees of the Board of Trustees, and as fundraisers and ambassadors of the Charity.

Pay policy for senior staff

The senior management team comprises of the Trustees and key management personnel of the charity who are in charge of directing and controlling, running and operating the charity on a day to day basis. As mentioned above, all trustees give their time freely and no trustee received remuneration during the year. Details of trustee expenses are disclosed in note 11 to the accounts. The pay of senior staff is reviewed regularly and adjusted based on the circumstances of the charity.

Risks

Trustees, in conjunction with the Leadership team, have identified and reviewed the major risks to which the Charity might be exposed. It has designed a number of management and financial strategies which seek to mitigate the effects of such threats to Community First. The financial risks and asset and property management. Risks are set out in the Business Plan and this is reviewed annually.

Responsibilities of the Members of the Board of Trustees

Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- comply with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the

For the year ended 31 March 2023

Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statements as to disclosure of information to auditors

So far as the Trustees are aware at the time the report is approved:

- there is no relevant audit information of which the charity's auditors are unaware, and
- the Trustees have taken all steps they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Objectives and Activities

Community First's Vision is Vibrant Communities, Brighter Futures with a mission to Connect Communities, Encourage Enterprise, Tackle Disadvantage and Inspire Innovate and Deliver Excellence.

Public benefit

The Charity's activities described above demonstrate the delivery of public benefit. The Trustees confirm that they have referred to the Charity Commission's general guidance when reviewing the Charity's objectives and activities.

Generation of funds - Fundraising and Publicity

Fundraising remains a crucial aspect for our sustainability with a target of for the next 12 months, of £443,820 in 2023/24. While we have a significant amount of unsecured income built into the restricted service budgets, the targets are pragmatic and realistic and costs will be cut if targets are not met.

Employees and volunteers

Community First is committed to providing equality and fairness for all in its employment and to not discriminate on the grounds of any protected characteristic as defined in the Equality Act 2010.

The Trustees would like to express their gratitude for the hard work, dedication and commitment of the excellent staff teams working in all parts of the Charity.

Key Achievements

The organisation has managed the effect of the pandemic effectively and adapting its delivery and working arrangements over the past 12 months. We are now operating a hybrid model in the office with a blend of office and home working mix. We will continue to follow government guidance.

Oxenwood Outdoor Education Centre – The Centre is slowly resuming normal activity after the Pandemic. This was the area of most concern having had its main source of income from schools residentials, wiped out almost overnight during Covid 19 pandemic. Traded bookings are now returning, and the calendar shows a strong calendar of booking for the next 12 months and beyond. We finished the year with a small surplus for the year.

Central Services and Strategic Development - Financially, the organisation remains in a healthy position with a consolidated budgeted income of £2,389,076 at the end of March 2023/2024 and expenditure of £2,520,702. We ended the year with £221,390 free reserves which equates to 4.85 months of central running cost, which is well within the reserves minimum level of 3 months. The forecast figure of £196,571 equates to 4.2 months on reserve – still comfortably within the reserves policy.

TRUSTEES' REPORT

For the year ended 31 March 2023

The organisation has worked hard to advocate for the VCSE sector within the new Integrated Care System development. We have a seat both on the VCSE system wide partnership and have alongside Wessex Community Action developed a Wiltshire 'Place' based VCSE Leaders Alliance.

Community Development – Through the Rural Youth Project, we have engaged & consulted with 645 young people across 8 villages/towns & 4 community board areas, to seek their views on local youth work needs & the team have provided positive activities for 385 young people from these areas.

Local Councils Support - 226 Councils are in the WALC Membership and 33 In-house training events delivered.

Link schemes – we continue ongoing support for 21 Community Transport groups and 42 Link Schemes

The Link Audit 2022/2023 showed the network includes 1,620 active volunteers, with an Economic value of Link volunteer hours £1,262,102. Volunteers donated 101,130 hours and undertook 34,125 tasks and journeys. Community First continues to provide support to the network around governance, networking and volunteer recruitment.

Village Halls and Community Buildings - We have continued to support Village Halls and Community Centres through the Wiltshire Village Halls Association offering support to access government grants and financial support and advice on interpreting safety guidance including webinars on a number of topics. The village halls service increased its membership to 185 members, (3 new members in 2022/23). Get Out Get Active Programme, delivered in partnership with Wiltshire & Swindon Sports Partnership supported 42 inactive people to become active, conducted 128 listening's and 25 volunteers were identified and received Community Organising training. 6 Halls were supported to access the Jubilee Funds and 3 halls have been granted an award. The amount awarded was £47,960.

Minibus Driver Awareness Scheme (MIDAS) Training- MiDAS training generate an income of £26,202. The service supported 39 different organisations and trained a total of 153 drivers.

Community Grants and Landfill - The grants support we provide remain essential to building the fabric of communities. Our grant programmes including the Bradenstoke Solar Panel Grants Scheme and the Landfill Communities Fund awarded £406,993.

Building Bridges - Programme delivery was extended by a month and ended in late February 2023. Over the last six and a half years, Building Bridges has supported a total of 1,942 participants. We are very proud that over two-thirds (68%) of our participants have achieved a positive outcome with the programme, far exceeding targets:

- 309 (16%) have moved into education
- 294 (15%) young people who were NEET or At Risk on joining have also re-engaged with education
- 218 (11%) who were unemployed on joining having moved into employment
- 496 (26%) who were economically inactive on joining moving into employment or job search

Our aim was to support those who were furthest from the world of work, facing multiple barriers and challenges and the demographics of those we have supported demonstrate that we achieved this:

- 84% of our participants were classed as being disadvantaged
- 67% were economically inactive
- 59% had disabilities or long-term health issues
- 47% lived in a jobless household (over half of these also have dependent children)
- 46% lacked basic skills in maths and English

TRUSTEES' REPORT

For the year ended 31 March 2023

- 23% were long-term unemployed
- 19% are from areas of multiple deprivation (against regional average of 7%)
- 10% were ex-offenders
- 5% were homeless

The age of people supported ranged from 15 to 74 years old on joining, with 54% of participants being under 25 and 14% being over 50.

In addition to the main programme targets:

- 67% gained new skills
- 60% reported increased confidence, wellbeing and self-esteem
- 53% reported increased confidence in gaining and sustaining employment
- 28% volunteered for the first time
- 23% accessed debt, benefit and other financial support
- 15% undertook work experience opportunities
- 13% accessed travel training support

Throughout the programme, we monitored the success of support into five key target demographic groups:

- 84% of participants were disadvantaged and 46% of these gained outcomes
- 59% of participants were disabled or had long-term health conditions and 45% of these gained outcomes
- 46% of participants lacked basic skills in maths & English and 47% of these gained outcomes
- 10% of participants were ex-offenders and 40% of these gained outcomes
- 5% of participants were homeless and 47% of these gained outcomes

Youth Action Wiltshire

Young Carers - 447 young carers received respite sessions, equating to an average of 5.6 places attended by each of the 447 young carers. 167 young carers received 165 new young carers referrals. 14 Safeguarding referrals, inclusive of MASH & CAMHS have been made for young carers. 146 young carers have accessed structured 1:1 mentoring or coaching programmes with our Young Carers Support Workers. 10 young carers have been referred to our internally funded 'Talking Therapy' counselling provision. An additional 40 young carers have benefited from 1:1 support sessions through our Targeted Splash & Project Inspire services.

Splash – supported 501 young people 'facing challenge in their lives', including 302 new referrals engaged with and benefited from Splash 1:1 & group work provision. - 46 face to face day groups and 3 residential projects were delivered (2 three day residential and 1 two day residential).
- 43 young people left the project during the year due to the completion of the Building Bridges funding. 74% of these into a place in Education, Employment or Training (EET) with a further 16% into supported job searching activities.
- 72% of young people engaging with Project Inspire reported an increase in their self-assessed mental health
- 93% of those young people that engaged gained new skills or built their current skills.
- 87% of young people stated that their involvement with the Building Bridges Programme has helped them to build confidence in applying for a job and develop skills that will help them get a job

Youth Club – We have undertaken remote & face to face training for 56 voluntary Youth Leaders covering Emergency first aid, food hygiene, Health & Safety & Risk Management, Listening & Community Organising & 'How To Run' arts & group work sessions, along with residential Leadership training for 20 new Young Leaders. 6 young leaders from 2021-22 continued their personal development and leadership skills throughout 2022-23

Governance, volunteer recruitment & fundraising support has been provided for 8 groups & Winterslow youth club has received intensive support during its set-up & launch.

Financial Review

The year's total incoming resources of £2,300,961 were 8% higher than 2021/22 and the year's total resources expended of £2,327,031 were 17% higher than in 2021/22. An analysis of incoming resources and resources expended is shown in the charts on page 9.

TRUSTEES' REPORT
For the year ended 31 March 2023

Chart removed for Companies House purposes

Chart removed for Companies House purposes

The changes in operating income and the expenditure resulted in a £26,070 reduction in funds (2021/22: surplus of £150,298).

TRUSTEES' REPORT

For the year ended 31 March 2023

The increase in operating income was due to a number of factors. Grant funding increased due to the generosity of several funders – including Wiltshire Council and the Underwood Trust. The Charity also benefited from three legacies totalling £84,419. The higher expenditure was partly caused by an additional £153,022 expenditure in relation to the Charity's adventure centres – Oxenwood and Linkenholt as well as an increase in grants payable from £370,896 to £414,117 and some one-off central investment.

The net movement in funds for the year was a deficit of £26,070 (2021/22: £150,298 surplus). Unrestricted free reserves (i.e. excluding designated funds) increased from £199,153 to £221,390.

The designated fund representing property and fixed assets is not freely available to spend and has been excluded from the calculation of free reserves. Similarly, the Strengthening Communities fund was created from a legacy and the Trustees feel a moral obligation to spend this gift on an identifiable project which would otherwise not have funding. Trustees identified the funds for use of the Oxenwood Developments. A further £40,000 is being held in a future investment fund to match the costs to invest in the charity's infrastructure – including replacement vehicles and further capital repair to the Charity's outdoor educational projects.

The reserves policy agreed by Trustees is:

General or "free" reserves, defined as all unrestricted and undesignated funds readily available for spending are to be maintained at a level designed to protect the Charity's work against risks relation to:

- Income reliability
- Expenditure flexibility
- Specific known liabilities

Reserves should cover 3-6 months of expenditure on central costs (around £38,000 per month) as well as central service redundancy costs (as 31 March 2023 this was around £36,000). Community First also owns assets that could be used if readily available funds were not enough to cover any large liabilities.

Designated funds are set aside by Trustees for particular purposes as described in note 17 of the financial statements. These funds include the book value of property and fixed assets in use of the Charity's activities and the Strengthening Communities fund.

Plans for the Future

The key Strategic Priorities for the next financial year include:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COMMUNITY FIRST

Opinion

We have audited the financial statements of Community First ('the charitable company') for the year ended 31 March 2023 which comprise the Statement of Financial Activities (including Income and Expenditure Account), the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs at 31 March 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and the Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions related to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COMMUNITY FIRST

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under Section 151 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COMMUNITY FIRST

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of laws and regulations that affect the charitable company, focusing on those that had a direct effect on the financial statements or that had a fundamental effect on its operations. Key laws and regulations that we identified included the Companies Act, the Charities Act, data protection legislation and employment legislation.
- We enquired of the trustees, reviewed correspondence with the Charity Commission and reviewed trustees' meeting minutes for evidence of non-compliance with relevant laws and regulations. We also reviewed controls the trustees have in place to ensure compliance.
- We gained an understanding of the controls that the trustees have in place to prevent and detect fraud. We enquired of the trustees about any incidences of fraud that had taken place during the accounting period.
- The risk of fraud and non-compliance with laws and regulations and fraud was discussed within the audit team and tests were planned and performed to address these risks. We identified the potential for fraud in the following areas: misappropriation of cash and other assets, undisclosed related party transactions outside the normal course of business and misstatement of the investment property valuation
- We reviewed financial statements disclosures and tested to supporting documentation to assess compliance with relevant laws and regulations discussed above.
- The engagement partner considers the engagement team collectively had the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations.
- We enquired of the trustees about actual and potential litigation and claims
- We obtained independent confirmations from your bank regarding balances at the year-end in addition to any outstanding charges
- We performed analytical procedures to identify any unusual or unexpected relationships that might indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud due to management override of internal controls we tested the appropriateness of journal entries and other adjustments throughout the period and assessed whether the judgements made in making accounting estimates were indicative of a potential bias. We also carried out a review for transactions outside the normal course of business.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COMMUNITY FIRST

Due to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

We are not responsible for preventing fraud or non-compliance with laws and regulations and cannot be expected to detect all fraud and non-compliance with laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities.

This description forms part of our auditor's report.

David Owen & Co is eligible for appointment as auditor of the charitable company by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
For the year ended 31 March 2023

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year unless otherwise stated.

(a) Basis of accounting

The financial statements of the charity, which is a public benefit entity, have been prepared in accordance with the Charities SORP (FRS 102) Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) and the Charities Act 2011. The accounts have been prepared under the historical cost convention, modified to include certain items at fair value and on a going concern basis. The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The financial statements have been prepared in Sterling.

The financial statements have been consolidated to include the results of Community First Trading Ltd, a wholly owned subsidiary of Community First.

No separate Statement of Financial Activities or Income and Expenditure Account have been presented for the Charity alone as permitted by paragraph 408 of the Companies Act 2006.

(b) Fund accounting

General reserves are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of designated funds is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of the various restricted funds is set out in the notes to the financial statements. It is the Charity's policy to transfer funds from general reserves to eliminate deficits incurred by services funded from restricted funds which will not be recoverable from future restricted income.

Endowment funds are restricted funds received for the specific purpose of establishing a donor advised fund with The Community Foundation to be invested where only the income generated can be expended to benefit Youth Action Wiltshire services. The funds have been invested with The Community Foundation's other endowment funds.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March 2023

(c) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Donations are accounted for when received and related gift aid when receivable. Legacies are accounted for when received or when entitlement arises, it is reasonably certain they will be received and amounts can be measured with sufficient reliability.

Membership income is included in the Statement of Financial Activities in the year of receipt.

Grants receivable are recognised in full in the Statement of Financial Activities in the year to which they relate.

Income from government grants are recognised at fair value when the charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Rental income is included when receivable.

Trading income is included when receivable. This includes insurance administration fees, oil bulk-buying commission, and branding and design work.

(d) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Support costs, which include management and administration costs incurred in the Charity's office and governance costs, which are the costs associated with the governance arrangements of the Charity, have been allocated to the Charity's activities based on office space occupied, time spent and resources managed.

Governance costs include those costs associated with meeting constitutional and statutory requirements of the charity and include the audit fees and costs linked with the strategic management of the charity.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March 2023

Expenditure directly attributable to a specific activity category (e.g. charitable activities, governance costs) has been included in the relevant category. Where costs are attributable to more than one activity, they are apportioned across activities based on the time spent by staff on those activities and their use of shared resources.

(e) Tangible fixed assets

Tangible fixed assets with an individual cost of £1,000 or more are capitalised and included at cost or valuation.

Depreciation is not charged on freehold land. Depreciation on other tangible fixed assets is charged

- | | |
|----------------------------------|------------------------------|
| • Freehold & leasehold buildings | 2% of cost per annum |
| • Office equipment | 20% of cost per annum |
| • Fixtures & fittings | 10% to 20% of cost per annum |
| • Motor vehicles | 20% of cost per annum |

(f) Investments

Investment properties are valued at market value. Fixed asset investments are valued at cost.

(g) Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks and other short term liquid investments.

(h) Debtors and creditors receivable / payable

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

Creditors and provisions are recognised when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due can be measured or reliably estimated. Creditors and provisions are normally recognised at the settlement amount.

(i) Irrecoverable VAT

Due to partial exemption and the receipt, for VAT purposes, of non-business income, some VAT input tax is irrecoverable. This is allocated in the accounts as part of support cost.

COMMUNITY FIRST

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March 2023

(j) Financial Instruments

The charity has only financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of investments which are measured at fair value.

(k) Leases

Operating lease rentals are charged to the income and expenditure account as incurred.

(l) Pension schemes

A defined contribution scheme with Royal London (previously known as Scottish Life) is in place for staff who are not members of the Wiltshire Pension Fund and who wish to be members of and contribute to a pension scheme. All eligible staff were auto-enrolled into this scheme as from November 2014. The rate of employer contribution is 7.0%.

(m) Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

(n) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 2023

Community First holds unlisted investments, stated at cost, in two wholly-owned subsidiaries. Both companies are registered in England. Wiltshire Enterprises Ltd was dormant throughout the year. The wholly owned subsidiary, Community First Trading Limited, earns insurance commissions from the sale of insurance policies to Village Halls, Playing Fields and Parish Councils. It also receives subscriptions from a Bulk Oil Buying Scheme. It is the policy of the directors to pay over the whole of its profits each year to the Charity and its accounts have been consolidated in these financial statements. Youth Action Wiltshire

COMMUNITY FIRST

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March 2023

Tackles disadvantage and supports young people through difficulties, including SPLASH programmes which support young victims of crime, those struggling with challenges who may be out of education, employment and training (EET) and young carers who may have significant caring responsibilities for a family member. We also support a network of youth clubs across the county.

Community Development

Strengthens communities and includes a range of services which supports local communities and volunteers and brings people together to take action around their common concerns. Services include support to the Wiltshire Village Halls Association, The Wiltshire and Swindon Local Councils Network, (WALC), community organising and youth voice, Community Led Housing through the partnership Homes of Our Own. Community First administers the Landfill Communities Fund and the Wiltshire Community Transport Development Fund and other grant programmes to improve community facilities. We also support local community transport services and LINK schemes and volunteers.

Tackling Disadvantage

The Building Bridges Programme tackles disadvantage and is a partnership of organisations in Wiltshire and Swindon who are helping people overcome their barriers to employment and education. The programme is jointly funded by The National Lottery Community Fund and the European Social Fund. The transfers in the year represent transfers from Youth Action Wiltshire fundraised income, which is applied to other projects helping young disadvantaged people.

ENDOWMENT FUNDS

The Charity has been fundraising to establish an endowment fund in relation to Youth Action Wiltshire. During the year £1,035 (2022: £1,540) was received and passed to the Wiltshire Community Foundation who hold the fund for the benefit of the Charity.

	<u>£ 1,256</u>	<u>£ 5,622</u>

19. PENSION COMMITMENTS

On 30 September 2019 Community First purchased Oxenwood Field Study Centre and the staff were TUPE'd across. These staff members were and remain members of the Wiltshire Pension Fund. Community First make employers contributions to this scheme. The pension came over as a new fund with no associated deficit. Wiltshire Council have agreed to act as guarantor and cover any future deficit arising on the fund and therefore no potential deficit on this fund is disclosed in these accounts. The cost of the employers contributions in the year was £21,793.

A defined contribution scheme with Royal London is in place for staff who are not members of the Wiltshire Pension Fund and who wish to be members of and contribute to a pension scheme. All eligible staff were auto-enrolled into this scheme as from 31 October 2014. The rate of employer contribution is 7.0%.

The cost of employers contributions in the year was £60,836.

There were outstanding pension contributions at the balance sheet date of £2,154 (2022: £8,821).

20. RELATED PARTIES

Various Trustees, officers and employees (and members of their families) of Community First have in their personal capacities, links with organisations which to some degree either fund or are funded by Community First. This is a large, diverse organisation reaching into the community and links are inevitable.

The Trustees monitor these links and the Company Secretary maintains a register of declared interests in order to foster a policy of transparency. The Trustees strive to promote fairness and consider that no transactions have been influenced by interests other than the Charity's. Inspection of the register can be arranged by contacting the Company Secretary.
