AUDITOR'S REPORT TO KNIGHT FARM MACHINERY LIMITED

UNDER SECTION 449 OF THE COMPANIES ACT 2006.

We have examined the abbreviated accounts on pages 2 to 6 together with the full financial statements of Knight Farm Machinery Limited for the year ended 31 March 2012, prepared under s 396 of the Companies Act 2006

This report is made solely to the company, in accordance with section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with s 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you

Basis of opinion

We conducted our work in accordance with Bulletin 2008/4 "The special auditor's report on abbreviated accounts in the United Kingdom" issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with s 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2012

1 Accounting policies

The accounts have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents income receivable for goods and services provided in the period, exclusive of Value Added Tax

Income from sales is recognised on the despatch of finished goods to the customer

Royalties in respect of design work are included within turnover when the related sales occur

Depreciation of fixed assets

A full year's depreciation is charged in the year of acquisition of an asset but none in the year of disposal

Depreciation has been computed to write off the cost of fixed assets less their estimated residual value over their expected useful lives at the following rates -

Leasehold improvements
Leasehold premises
Plant and machinery
Fixtures and fittings
Computer equipment
Motor vehicles

Evenly over the period of the lease 2% per annum on cost 15% per annum reducing balance 15% per annum reducing balance 33 1/3% per annum straight line 25% per annum reducing balance

Stocks

Stocks and work in progress are valued consistently at the lower of cost (on first in first out basis) or net realisable value. Cost, where appropriate, includes a proportion of directly attributable overheads.

Work in progress is valued at cost multiplied by the level of completion for each machine at the year end. Cost is calculated by ducting the estimated gross margin from the agreed sales price for each item.

Debtors

Debtors are shown after providing for any amounts which in the opinion of the directors may not be collected in full

KNIGHT FARM MACHINERY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2012

Deferred taxation

Deferred tax assets and liabilities have arisen from timing differences between the recognition of gains and losses in the financial statements and their recognition in a tax computation. Full provision is made for all liabilities, and provision is made for assets to the extent that they are considered more likely than not to be recoverable in the foreseeable future. Provision is made using tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based upon rates enacted at the balance sheet date.

Foreign exchange

Transactions in foreign currencies have been translated at the rate prevailing at the date of the transaction, the closing balances of monetary assets and liabilities denominated in a foreign currency have been translated at the rate prevailing on the Balance Sheet date. All profits and losses arising on exchange have been recognised in the Profit and Loss Account

Leasing

Leasing rentals payable on agreements which transfer substantially all the risks and rewards associated with ownership to the lessee (finance leases) are capitalised within Fixed Assets, and the obligation to pay future rentals included in creditors as a liability. The interest charges implicit in such a lease are written off to the Profit and Loss Account in proportion to the balance outstanding during the year.

All other leasing rentals (operating leases) are written off to the Profit and Loss Account on a straight line basis over the lease term

Pension costs

Pension costs are recognised in the profit and loss account as they fall due
