REPORT AND FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2009

DIRECTORS' REPORT

The Directors present their Report and the Financial Statements of the Company, together with the Auditors' Report, for the year ended 31 December 2009

This directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption

Principal activity and business review

The company is a wholly owned subsidiary of the Church Commissioners, its ultimate parent undertaking It owns a small number of properties in the UK both directly and through its share of The Ashford Great Park Partnership, a property trading and development partnership, which together form an integral part of the property holdings of the Church Commissioners The properties, four in number as at the date of this report, are properties which either have been or are expected to be developed or materially improved while in the ownership of the company The company is also engaged in the trade of dealing in the underwriting of issues of securities on a very small scale The directors are not aware, at the date of this report, of any likely changes in the company's activities in the next year

A full description of the results of the property investment activities of the Church Commissioners and their subsidiaries is contained in the annual report of the Church Commissioners This includes measurement of the total return (capital and income combined) of the property investments and comparison with external and independent benchmarks which reflect the activities of many property owners

The company seeks to help the Church Commissioners achieve its long term objective of an above average annual return of at least 5% per annum above inflation by exceeding the total return as measured against the IPD benchmark The total return for the company's property was 4 23% (2008 -10 0%), including -2 41% (2008 -14 1%) capital growth The UK property market had continued to see capital values fall in the first half of 2009 as concerns over the strength of the occupier market continued However, over the summer sentiment improved and institutional investor demand returned In the 4th quarter yields hardened considerably across all sectors, which resulted in a positive total return for the year

The company's results and financial position are described in the attached financial statements The amount due from the Church Commissioners is shown in note 7 The company considers that it would be fully supported by the Church Commissioners if it had any difficulty in meeting its liabilities to creditors Based on the figures in the attached financial statements, the company considers that such a possibility is extremely remote

The principal risk affecting the company relates to the market values of its properties Such properties are valued at the lower of cost and net realisable value At 31 December 2009 two of the four properties had a net realisable value below cost In the event of adverse market conditions which affect 1) their geographical locations, 2) their specific property type, or 3) the sector of the property market in which they operate, the properties might not be realisable at the figures at which they are currently stated

DIRECTORS' REPORT

Results and dividends

The Company's results are set out in the Profit and Loss Account on page 6 including charitable donations of £868,913 (2008 £1,638,289) The charitable donations were made to the ultimate parent undertaking, the Church Commissioners for England, to support the Church of England's ministry, particularly in areas of need and opportunity

The Directors do not recommend the payment of a dividend for the year (2008 £nil) The loss of £508,828 (2008 £709,789) has been transferred from reserves

Financial risk management

The Company is exposed to financial risk through its financial assets and liabilities The most important components of financial risk are interest rate risk, currency risk, credit risk, liquidity risk, cash flow risk and price risk Due to the nature of the Company's business and the assets and liabilities contained within the Company's balance sheet the directors consider that there are sufficient procedures in place to mitigate these risks

Directors

The Directors of the Company, who held office during the year, were

R L Carroll
Mrs R B K Jones (alternate Robert John Lines)
J W Cannon

Statement of Directors' responsibilities

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006 They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

DIRECTORS' REPORT

Auditors

Deloitte LLP were, by a resolution of the directors, re-appointed on 26 January 2010 for a one year period with effect from the year ended 31 December 2009

Information to auditors

Each director at the date of approval of this report confirms that

- so far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware, and
- the directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF CC PROJECTS

We have audited the financial statements of CC Projects for the year ended 31 December 2009 which comprise the Profit and Loss Account, the Balance Sheet, and the related notes 1 to 14 The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibility Statement, the directors are responsible for preparing the financial statements and for being satisfied that they give a true and fair view Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2009 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matters prescribed by the Companies Act

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF CC PROJECTS

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or

- the financial statements are not in agreement with the accounting records and returns, or

- we have not received all the information and explanations we require for out audit, or

- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2009

1 Accounting policies

Accounting conventions

The financial statements have been prepared on the historical cost basis of accounting and in accordance with applicable United Kingdom law and accounting standards The accounting policies set out below have been applied consistently throughout the year and preceding year

Going concern

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts

Turnover

Turnover is recognised on the accruals basis and comprises rental, service charge and other related income and sale proceeds from trading properties stated net of value added tax Turnover also comprises subunderwriting commission and proceeds from the sale of underwritten shares taken up and proceeds from the sale of trading properties and the Company's share of profit arising from its investment in partnership Commission is recognised as income in the year in which the outcome of the transaction is known All turnover relates solely to the United Kingdom

Trading properties

Trading properties are purchased or developed for resale and are treated as current assets They are included in the financial statements at the lower of cost and net realisable value Cost includes third party interest capitalised whilst the property was being developed Costs of concessions given to tenants as an incentive to sign a lease are spread on a straight-line basis over the shorter of the period of the lease and the period to the first rent review

Investment in partnership

The investment in The Ashford Great Park Partnership is such that the Company enjoys joint ownership of the partnership's assets and has joint and several liability in respect of all liabilities incurred by the partnership The partners have agreed to share the profits and losses of the partnership in accordance with the terms of the partnership agreement The investment in the partnership is accounted for using the equity method The profit and loss includes the Company's share of the partnership profits while the Company's share of the net assets of the partnership is shown in the balance sheet

Borrowing from the Company's ultimate parent undertaking made by way of capital advances was used to finance the acquisition and development of the Company's interest in the partnership's property

The Company recognises its share of the partnership's profits or losses on the basis of the profit sharing and distribution arrangements agreed between the partners

Taxation

Current UK corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date Deferred tax is measured on a non-discounted basis
