1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Going concern

The financial statements have been prepared on a going concern basis. The Director confirms his ongoing financial support to the Company.

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Asset class	Depreciation method and rate
Plant & machinery	25% on cost
Office equipment	25% on cost

Stock

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.
