1 Accounting policies

Hazell Carr (SG) Services Limited (the "Company") is a company incorporated and domiciled in the UK.

These financial statements have been prepared in accordance with International Financial Reporting Standards as adopted by the European Union (IFRSs as adopted by the EU), IFRIC Interpretations and the Companies Act 2006 applicable to companies reporting under IFRS.

The company has taken advantage of the exemption under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it is included by full consolidation in the consolidated financial statements of its parent, Xafinity Group Holdings (Reading) Limited.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed at the end of this section.

The comparative information present is the year ended 31 March 2015.

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Xafinity Group Holdings (Reading) Limited. The directors have received confirmation that Xafinity Group Holdings (Reading) Limited intends to support the company for at least one year after these financial statements are signed.

These financial statements were authorised for use by the Board on 30 June 2016.

Functional and presentation currency

These financial statements are presented in British Pounds which is the Company's functional currency.

Measurement convention

The financial statements are prepared on the historical cost basis.

Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

New standards and interpretations not yet adopted

a) New and amended standards adopted by the company

There are no IFRSs or IFRIC interpretations that are effective for the first time for the financial year beginning on or after 1 April 2014 that would be expected to have a material impact on the company.

b) New standards and interpretations not yet adopted

A number of new standards and amendments to standards and interpretations are effective for annual periods beginning after 1 April 2014, and have not been applied in preparing these financial statements. None of these is expected to have a significant effect on the financial statements of the company.
