NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2011

1. ACCOUNTING POLICIES

1a. Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1b. Tangible fixed assets - Investment properties

Interests in land and buildings held for investment potential (any rental being negotiated at arm's length) are included in the accounts at the director's valuation (being an approximation of the open market value) not subject to depreciation charges. The aggregate surplus or deficit arising from revaluations is transferred to the investment revaluation reserve.

This is not in accordance with Schedule 4 to the Companies Act 1985 which requires all fixed assets to be depreciated but is in accordance with Statement of Standard Accounting Practice 19 - Accounting for Investment Properties.

The departure from the provisions of the Act is required in order to give a true and fair view because the current value of investment properties is of prime importance.

1c. Taxation

Corporation tax payable is provided on taxable profits at the current rate.
