NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2009

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

The turnover shown in the profit and loss account represents rents receivable during the year. Turnover is confined to the UK.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant & Machinery - 20% per annum of net book value

Investment properties

The financial statements have not been revised to incorporate the market value of investment properties in accordance with the requirements of Financial Reporting Standard for Smaller Entities (effective April 2008).

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Investments

Fixed asset investments are stated at cost, less any permanent diminution in value.
