REPORT OF THE AUDITORS

TO SQUAREZONE LIMITED UNDER SECTION 247B OF THE COMPANIES ACT 1985

We have examined the abbreviated financial statements on pages 5 to 7, together with the full financial statements of the company for the year ended 30th November 1998 prepared under Section 226 of the Companies Act 1985.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated financial statements in accordance with Section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated financial statements prepared in accordance with Sections 246(5) and (6) of the Act to the Registrar of Companies and whether the financial statements to be delivered are properly prepared in accordance with those provisions and to report our opinion to you.

Basis of opinion

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated financial statements and that the abbreviated financial statements to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated financial statements prepared in accordance with Sections 246(5) and (6) of the Companies Act 1985, and the abbreviated financial statements on pages 5 to 7 are properly prepared in accordance with those provisions.

NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30th NOVEMBER 1998

1. Accounting Policies

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property

Plant and machinery

Fixtures and fittings

Motor vehicles

Computer equipment

- 2% on cost

- 33% on reducing balance

- 25% on reducing balance

- 33% on reducing balance

Investment properties are shown at their open market value. The surplus or deficit arising from the annual revaluation is transferred to the investment revaluation reserve unless a deficit, or a reversal, on an individual investment property is expected to be permanent, in which case it is recognised in the profit and loss account for the year.

This is in accordance with SSAP 19 "Accounting for investment properties" which unlike Schedule 4 to the Companies Act 1985, does not require depreciation of investment properties. Investment properties are held for their investment potential and not for use by the company and so their current value is of prime importance. The departure from the provisions of the Act is required in order to give a true and fair view.

Stocks

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future.

Pensions

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.
