Directors' report

The directors present their annual report and financial statements for the year ended 31 December 2014.

Results and dividends

The profit for the year after taxation amounted to £14,708 (2013 – profit of £168,858). The directors have paid dividends of £nil (2013 – £120,000).

Principal activities, review of the business and future developments

The principal activity of the company during the year continued to be that of marketing of packaging machinery and accessories in the United Kingdom.

During 2015 the directors have planned to rationalise the UK operations of the Cermex SAS group and it is proposed that the company transfer its trade, assets and liabilities to Cermex SAS, another group undertaking at book value. Subsequently the company will cease to trade and the directors intend to wind up the company in the foreseeable future.

Going concern

The financial statements have been prepared on a break up-basis, and these financial statements incorporate the various adjustments necessary to reflect this basis of preparation.

Directors

The directors who served the company during the year were as follows:

M J Lane
M D G Daniel
M C G Bilhaud

Directors' liabilities

The company has granted an indemnity to one or more of its directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act 2006. Such qualifying third party indemnity provision remains in force at the date of approving the directors' report.

Disclosure of information to the auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the company's auditor, each director has taken all the steps that he/she is obliged to take as a director in order to make himself/herself aware of any relevant audit information and to establish that the auditor is aware of that information.

Directors' report (continued)

Small company exemptions

This report has been prepared in accordance with the special provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

On behalf of the Board

M C G Bilhaud

Director

Date 17/12/15

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report

to the members of Gebo Cermex UK Limited

We have audited the financial statements of Gebo Cermex UK Limited for the year ended 31 December 2014 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and the related notes 1 to 19. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). These financial statements have been prepared on a break up basis.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditor's report

to the members of Gebo Cermex UK Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies' exemption in not preparing the Strategic Report and to take advantage of the small companies' exemption in preparing the Directors' Report.

Rachel Wilden (Senior Statutory Auditor)

M C G Bilhaud

Director

Date 17/12/15

Registered No. 1927345

at 31 December 2014

1. Accounting policies

Basis of preparation

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards.

Going concern

The financial statements have been prepared on a break up-basis, and these financial statements incorporate the various adjustments necessary to reflect this basis of preparation.

Statement of cash flows

The directors have taken advantage of the exemption in FRS 1 (revised) from including a statement of cash flows in the financial statements on the grounds that the company is wholly owned and its parent publishes group financial statements.

Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied, exclusive of Value Added Tax and trade discounts.

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Motor vehicles – 25% straight-line Fixtures and fittings – 10% straight-line

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

Investments

Investments are held at cost and reviewed annually for impairment.

Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving stocks.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and loss account.

at 31 December 2014

1. Accounting policies (continued)

Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease and hire purchase are depreciated over the shorter of the lease term and their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the Profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Operating leases

Rentals under operating leases are charged on a straight-line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight-line basis over the period until the date the rent is expected to be adjusted to the prevailing market rate.

Pensions

The company operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

2. Turnover

Turnover is derived from commission on the sale of packaging machinery and accessories in the United Kingdom as well as the provision of installation and engineering services for those machines.

3. Operating profit

This is stated after charging:

		2014	2013
		£	£
Auditor's remuneration	 statutory audit of financial statements 	15,557	10,557
	 preparation of financial statements 	2,200	2,200
Depreciation of owned fix	ked assets	2,792	2,310
Operating lease rentals	premises	43,090	42,525
	- motor vehicles	14,708	10,030

at 31 December 2014

4.	Dir	ectors'	remune	ration

	2014	2013
	£	£
Remuneration	124,604	100,900

During the year retirement benefits were accruing to 2 directors (2013 – 2) in respect of money purchase pension schemes. The above remuneration include £8,901 (2013 – £7,397) in respect of defined contribution pensions.

One (2013 – 2) of the directors of this company are employed and remunerated by other companies within the Tetra Laval group. No specific recharge is made by these companies in respect of the qualifying services to Gebo Cermex UK Limited and therefore the directors' remuneration disclosed above do not include any amounts in respect of these directors of this company. The directors do not believe that it is practicable to apportion their remuneration between services as directors of this company (which they believe to be negligible) and services as an employee of their respective group companies.

5. Staff costs

•		2014	2013
		£	£
	Wages and salaries	235,801	178,659
	Social security costs	23,605	16,856
	Other pension costs	12,735	11,169
	•	272,141	206,684
	The average monthly number of employees during the year was made up as for	ollows:	
		No.	No.
	Sales, marketing and administration	6	4
6.	Interest receivable and similar income		
		2014	2013
		£	£
	Interest receivable on bank deposits	60	1_
7.	Interest payable and similar payable		
		2014	2013
		£	£
	Interest payable to HMRC	2,771	

at 31 December 2014

8. Tax

(a) Tax on profit on ordinary activities

The tax charge is made up as follows:

	2014	2013
	£	£
Current tax:		
UK corporation tax on the profit for the year	3,744	51,485
Under provision in respect of prior years	70	442
Total current tax (note 8(b))	3,814	51,927

(b) Factors affecting the current tax charge for the year

The tax assessed for the year differs from the standard rate of corporation tax in the UK of 21.50% (2013 – 23.25%). The differences are explained below:

	2014	2013
	£	£
Profit on ordinary activities before tax	18,522	220,785
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 21.50% (2013 – 23.25%)	3,982	51,333
Effects of:		
Accelerated capital allowances	(1,035)	(156)
Short-term timing differences	797	385
Other	_	(77)
Under provision in respect of prior years	70	442
Current tax for the year (note 8(a))	3,814	51,927

The company has no recognised or unrecognised deferred tax assets or liabilities.

(c) Factors that may affect future tax charges

The standard rate of UK corporation tax reduced from 21% to 20% on 1 April 2015. The Finance Act 2015, which received Royal Assent on 26 March 2015, states that this rate will not change for the year ending 31 December 2015.

In his budget of 8 July 2015, the Chancellor of the Exchequer announced tax rate changes, which, if enacted in the proposed manner, will have an effect on the company's future tax position. These additional changes will reduce the standard rate of UK corporation tax from 20% to 19% from 1 April 2017, and 18% from 1 April 2020.

There are no deferred tax liabilities and the company has not recognised any deferred tax assets, therefore the effect of the reduction in the tax rate to 20% on the company's balance sheet is £nil.

The above changes to the rates of corporation tax and capital allowances will impact the amount of future cash tax payments to be made by the company.
