STRATEGIC REPORT

The Directors present their Strategic Report together with the audited Financial Statements ('Accounts') of UBS UK Holding Limited ("the Company") for the year ended 31 December 2018 ('the year') which have been prepared in accordance with the provisions of the Companies Act 2006.

Principal Activities and Business Review

During the year, the Company continued to carry out investment holding activities, including the provision of funding in the form of share capital.

The Company continues to undertake a trustee role over an account at UBS AG London Branch held for the purposes of receiving insurance proceeds in connection with former client money balances held by three UK subsidiaries of UBS AG. The Company also continues to retain its investments in 1000 shares of Saudi Riyal 10 each fully paid in the issued share capital of UBS Saudi Arabia and in its remaining two subsidiaries, S.G. Securities U.K. Limited (Co No: 292689) and S.G. Warburg & Company Limited (Co No: 1121735) ('SGW&CL').

Principal Risks and Uncertainties

Risks associated with the business continue to be managed according to UBS Group AG guidelines. As a wholly-owned direct subsidiary of UBS AG the Company operates in line with UBS Group AG and UBS AG group policies, including environmental and ethical standards.

Going Concern

For the purposes of the revised guidance to Directors of UK companies issued in 2016 by the UK Financial Reporting Council on Going Concern and Liquidity Risk, the Directors have, on the basis of their assessment of the Company's financial position and of the enquiries made of the direct parent UBS AG and its ultimate parent UBS Group AG, reasonably concluded that the Company will be able to continue in operational existence for the foreseeable future. Accordingly, the Directors shall continue to adopt the going concern basis in the preparation of its financial statements.

Key Performance Indicators

Given the limited scope and nature of the business, and that the Company is a wholly-owned subsidiary of UBS Group AG, through its immediate parent UBS AG, the Directors are of the opinion that key performance indicators or other forms of performance measurement are not necessary in providing an understanding of the development, performance or position of the Company and its business for the purposes of the Companies Act 2006. The parent company maintains an oversight of the Company's performance under the UBS Investment Bank business and governance management structures.

Future Developments

The Directors have no plans or intentions, at this time, to develop further the activities of the Company.

Approved by the Board of Directors on 27 June 2019 and signed on their behalf by:

Directors' Responsibilities

The following statement, which should be read in conjunction with the statement on auditors' responsibilities on page 7, is made by the Directors to explain their responsibilities in relation to the preparation of the financial statements and Directors' Report.

The Directors are responsible for preparing the financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each accounting reference period. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including Financial Reporting Standard 101 'Reduced Disclosure Framework'. The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- select suitable and appropriate accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

REPORT OF THE DIRECTORS (Continued)

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of Information to Auditors

Each of the Directors at the date of Board approval of this Report and the Accounts has confirmed that:

- as far as he/she is aware, there was no relevant audit information of which the auditors were unaware; and,
- he/she has taken all the steps they ought to have taken as a Director in order to make himself/herself aware of any relevant audit information and to establish that the auditors have been made aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

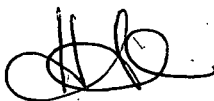

Political Contributions

There were no contributions for political purposes made by the Company during the year (2017: £Nil).

Auditors

Ernst & Young LLP have indicated their willingness to continue in office and, in the event the Company dispenses with the holding of annual general meetings, as permitted by the Companies Act 2006 ('the Act'), shall continue in office in accordance with Section 487 of the Act or, if annual general meetings are continued with, until the conclusion of the next annual general meeting and in which case a resolution of their re-appointment will be proposed.

Approved by the Board of Directors on 27 June 2019 and signed by order of the board:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF UBS UK HOLDING LIMITED

Opinion

We have audited the financial statements of UBS UK Holding Limited (the 'company') for the year ended 31 December 2018 which comprise the Income Statement, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 10, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework'.

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including FRS 101 'Reduced Disclosure Framework'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the

UBS UK HOLDING LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF UBS UK HOLDING LIMITED (CONTINUED)

financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on pages 4 and 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES

Basis of preparation and change in accounting policy

The financial statements have been prepared under the historical cost convention and in accordance with UK Generally Accepted Accounting Practice ("UK GAAP"), and Financial Reporting Standard 101 ("FRS 101") for all periods presented.

The Company has taken advantage of the following exemptions under FRS 101:

- (a) the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of paragraph 79(a)(iv) of IAS 1
- (b) the requirements of paragraphs 10(d), 10(f), 38A-38D, 111 and 134-136 of IAS 1 Presentation of Financial Statements.
- (c) the requirements of IAS 7 Statement of Cash Flows.
- (d) the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors.
- (e) the requirements of paragraph 17 and 18A of IAS 24 Related Party Disclosures.
- (f) the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member.

The Company's financial statements for the year ended 31 December 2018 were approved by the Board of Directors on 27 June 2019 and the balance sheet was signed on the Board's behalf by Matthew J Cartledge.

The company's financial statements are presented in sterling, which is also the company's functional currency.

Investment income

Investment income comprises dividends and distributions which are recognised when the right to receive payment is established.

Group Accounts

The Company is exempt from the requirement to prepare consolidated accounts under Section 401 of the Companies Act 2006.

Debtors

Debtors are amounts due in the ordinary course of business. If collection is expected in one year or less, they are classified as current assets. If not, they are presented as non-current assets. Debtors are measured at fair value upon initial recognition. At each balance sheet date debtors are reviewed to determine whether there is an indication of impairment. If such indication exists, the recoverable amount is estimated.

Creditors

Creditors are obligations to pay for services that have been acquired in the ordinary course of business. Creditors are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Creditors are recognised initially at fair value and subsequently measured at amortised cost.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES (CONTINUED)

Foreign currencies

The Company's presentational and functional currency is Sterling. Transactions denominated in foreign currencies are initially recorded in the functional currency at the exchange rate ruling at the date of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate ruling on the balance sheet date. Non-monetary items denominated in a foreign currency, measured at fair value are translated into the functional currency using the exchange rate ruling at the date when the fair value was determined.

Current tax

Current tax liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

Interest receivable and interest payable

Interest is recognised on an accruals basis.

Fixed asset investments

Investments in subsidiaries are included at historical cost, less a provision if, in the opinion of the directors, there has been a permanent diminution in value.

Other fixed asset investments include Equity instruments accounted for as financial instruments at fair value not held for trading and carried at fair value which are now classified at fair value through profit or loss. Where there is not a quoted market price in an active market and whose fair value cannot be reliably measured these instruments are held at cost.

The historical cost of fixed asset investments denominated in currencies, other than sterling, are determined with reference to the exchange rate at the date of purchase.

Determination of fair value

Fair values are obtained from quoted market prices, dealer price quotations, and discounted cash flow models, which incorporate current market and contractual prices for the underlying instrument, time to expiry, yield curves and volatility of the underlying.

Balances with UBS AG

The Company has a banking relationship with UBS AG, the parent undertaking. Transactions include, inter alia, current accounts and deposits. In these financial statements, such balances are treated as bank accounts and not as amounts owed to and by group undertakings.

2. AUDITORS' REMUNERATION

During the year, fees of £2,794 (2017: £2,346) in connection with the audit of the Company's annual accounts were paid by UBS AG on the Company's behalf. In accordance with their normal practice, no recharge will be made to the Company.
