## Directors' Report

The directors present their Directors' Report and the audited Financial Statements for the year ended 31 December 2017.

### Strategic Report

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006 and the Company is also exempt from preparing a Strategic Report.

### Change of Registered Office

On 21 June 2018, the Company changed its registered office address from The AkzoNobel Building, Wexham Road, Slough, SL2 5DS, United Kingdom to Suite 1, 3<sup>rd</sup> Floor, 11-12 St. James's Square, London, SW1Y 4LB, United Kingdom.

### Principal Activities

The principal activity of the Company is to employ a team of technical sales representatives who provide services for the wider Akzo Nobel group.

### Business Review

The Company made a profit of £152,000 for the financial year (2016: loss £88,000), and has net liabilities of £15,770,000 as at the 31 December 2017 (2016: £15,922,000).

### Going Concern

Akzo Nobel N.V., the Company's ultimate parent undertaking, has provided notification that it shall continue to provide financial and other support to the Company for a period of at least twelve months from the date of approval of these financial statements and thereafter for the foreseeable future to enable it to continue to trade. On this basis the directors, having made appropriate enquiries, consider that the Company has adequate resources to continue in operational existence for the foreseeable future, and it is therefore appropriate to adopt the going concern basis in preparation of the financial statements.

### Dividends

The directors did not pay an interim dividend during the year, (2016: £nil) nor do the directors recommend the payment of a final dividend (2016: £nil).

### Directors

The directors who held office during the year and up to the date of signing the financial statements were as follows:

J. Goddard	resigned 20 December 2017
M. Smalley	resigned 20 December 2017
L. Bowen	appointed 20 December 2017
P. Eason	appointed 20 December 2017
S. Hunt	appointed 20 December 2017

### Employee Involvement

The policy of providing employees with information about the Company will be continued through various media used by the Company to present such information. A Works Council meets on a regular basis which enables employee representatives to discuss business issues with senior management. An annual bonus scheme is in operation which rewards employees and is linked to the performance of the Company.

### Political Contributions

Neither the Company nor any of its subsidiaries made any political donations or incurred any political expenditure during the current or prior year.

## **Directors' Report** *(continued)*

### **Statement of directors' responsibilities in respect of the Financial Statements**

#### **Financial Risk Management**

Financial risk includes price risk, credit risk, liquidity risk and cash flow risk. These are addressed and managed at a group level as disclosed in the AkzoNobel Report 2017, pages 31 to 35 and may be obtained from Velperweg 76, PO Box 9300, 6800 SB Arnhem, The Netherlands.

An overall risk management program seeks to identify, assess and if necessary, mitigate these financial risks in order to minimise potential adverse effects on financial performance.

#### **Future Developments**

The directors are of the opinion that the Company is in a position to continue its principal activities in 2018.

The directors are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Statement of disclosure of information to auditors**

In the case of each director in office at the date the Directors' Report is approved:

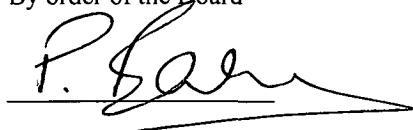

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

## Directors' Report *(continued)*

### Independent Auditors

PricewaterhouseCoopers LLP have been appointed as the Company's auditors, holding office until to the end of the next period for appointing auditors in accordance with section 485(4c) of the Companies Act 2006.

By order of the Board

A handwritten signature in black ink, appearing to read 'P. Sauer', is written over a horizontal line.

## **Independent auditors' report to the members of Akzo Nobel Pulp and Performance Chemicals Limited**

### **Report on the audit of the financial statements**

#### **Opinion**

In our opinion, Akzo Nobel Pulp and Performance Chemicals Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the Balance sheet as at 31 December 2017, the Statement of Comprehensive Income for the year ended, the Statement of Changes in Equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Independence**

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

#### **Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of

## **Independent auditors' report to the members of Akzo Nobel Pulp and Performance Chemicals Limited (*continued*)**

the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

### ***Directors' Report***

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 31 December 2017 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' Report.

### **Responsibilities for the financial statements and the audit**

#### ***Responsibilities of the directors for the financial statements***

As explained more fully in the Statement of directors' responsibilities in respect of the Financial Statements set out on page 2, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### ***Auditors' responsibilities for the audit of the financial statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

#### ***Use of this report***

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

## **Independent auditors' report to the members of Akzo Nobel Pulp and Performance Chemicals Limited (*continued*)**

### **Other required reporting**

#### **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

#### **Entitlement to exemptions**

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to: take advantage of the small companies exemption in preparing the Directors' Report; and take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

## Notes to the Financial Statements

### 1 General information

Akzo Nobel Pulp and Performance Chemicals Limited (the "Company") is a private company limited by shares and domiciled in the UK. The Company registration number is 1934005 and the registered office address is Suite 1, 3<sup>rd</sup> Floor, 11-12 St. James's Square, London, SW1Y 4LB, United Kingdom.

### 2 Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below and have, unless otherwise stated, been applied consistently to all years presented in these financial statements.

#### 2.1 Basis of preparation

These financial statements were prepared in accordance with the Companies Act 2006 and Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101") under historical cost convention in pound sterling. The amendments to FRS 101 (2013/14 Cycle) issued in July 2015 and effective immediately have been applied.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006.

The financial statements are prepared on the historical cost basis.

The Company's ultimate parent undertaking, Akzo Nobel N.V. includes the Company in its consolidated financial statements. The consolidated financial statements of Akzo Nobel N.V. are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from Velperweg 76, PO Box 9300, 6800 SB Arnhem, The Netherlands.

The Company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- Statement of Compliance with IFRS;
- Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital;
- Disclosures in respect of transactions entered in to between two or more wholly owned members of a group;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs; and
- Disclosures in respect of the compensation of Key Management Personnel.

As the consolidated financial statements of Akzo Nobel N.V. include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

## Notes to the Financial Statements *(continued)*

### 2 Accounting policies *(continued)*

#### 2.2 *Going concern*

Akzo Nobel N.V., the Company's ultimate parent undertaking, has provided notification that it shall continue to provide financial and other support to the Company for a period of at least twelve months from the date of approval of these financial statements and thereafter for the foreseeable future to enable it to continue to trade. On this basis the directors, having made appropriate enquiries, consider that the Company has adequate resources to continue in operational existence for the foreseeable future, and it is therefore appropriate to adopt the going concern basis in preparation of the financial statements.

#### 2.3 *New standards, amendments and IFRIC interpretations*

No new accounting standards, or amendments to accounting standards, or IFRIC interpretations that are effective for the year ended 31 December 2017, have had a material impact on the Company.

#### 2.4 *Foreign currency translation*

##### *(a) Functional and presentation currency*

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in 'Pounds Sterling' (£), which is also the Company's functional currency.

##### *(b) Transactions and balances*

Transactions in foreign currencies are translated to the Company's functional currency at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined.

Foreign exchange differences arising on translation are recognised in the statement of comprehensive income.

#### 2.5 *Investments in subsidiaries and associated undertakings*

Investments in subsidiaries are held at cost less accumulated impairment losses. Investments are annually reviewed and considered for impairment, if events or changes in circumstances indicate that the carrying amount may not be recoverable.

#### 2.6 *Debtors*

Amounts receivable are amounts due from group companies for services performed in the ordinary course of business. If collection is expected in one year or less (or in the normal operating cycle of the business if longer), they are classified as current assets. If not, they are presented as non-current assets.

Amounts receivable are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

#### 2.7 *Creditors*

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers or group companies.

Creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

#### 2.8 *Borrowings*

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the income statement over the period of the borrowings using the effective interest method.

## Notes to the Financial Statements *(continued)*

### 2 Accounting policies *(continued)*

#### 2.9 Borrowing costs

Borrowing costs are recognised in the statement of comprehensive income in the period in which they are incurred.

#### 2.10 Current and deferred tax

The tax expense for the year comprises current and deferred tax. Tax is recognized in the income statement, except to the extent that it relates to items recognised in other comprehensive income or directly in shareholders' funds. In this case, the tax is also recognised in other comprehensive income or directly in shareholders' funds, respectively.

The current tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the balance sheet date in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill; or arise from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income taxes assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

#### 2.11 Employee benefits

##### *Defined contribution plans*

A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an expense in the statement of comprehensive income in the periods during which services are rendered by employees.

##### *Defined benefit plans*

Some of the Company's employees are members of group wide defined benefit pension plans. As there is no contractual agreement or stated group policy for charging the net defined benefit cost of the plan to participating entities, the net defined benefit cost of the pension plan is recognised fully by the legally sponsoring employers, which are Akzo Nobel UK Limited and Imperial Chemical Industries Limited. The Company then recognises a cost equal to its contribution payable for the period. The contributions payable in respect of active members by the participating entities are determined following each triennial valuation conducted by a qualified independent actuary, and charged as a percentage of salary costs.

## Notes to the Financial Statements *(continued)*

### 2 Accounting policies *(continued)*

#### 2.12 Revenue recognition

##### *Sales of services*

Turnover represents the amounts (excluding value added tax) derived from the provision of UK services to the Akzo Nobel group. Revenue is recognised in the accounting period in which the services are rendered, by reference to stage of completion of the specific transaction and assessed on the basis of the actual service provided as a proportion of the total services to be provided.

#### 2.13 Leases

Leases in which substantially all of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to the income statement on a straight-line basis over the period of the lease.

### 3 Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### 3.1 Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

##### *(a) Impairment of debtors*

The Company makes an estimate of the recoverable value of amounts receivable. When assessing impairment of amounts receivable, management considers factors including the credit rating of the receivable, the ageing profile of receivable and historical experience.

##### *(b) Deferred tax asset recognition*

Deferred tax assets are only recognised on losses to the extent that future probable taxable profits will be available against which the deferred tax asset can be utilised. This is based upon future taxable profit forecasts of the Company.

### 4 Turnover

Analysis of turnover by geography:	2017	2016
	£000	£000
United Kingdom	12	12
Europe	1,932	1,647
Total turnover	<u>1,944</u>	<u>1,659</u>

	£000	£000
Rendering of services	1,944	1,659
Total turnover	<u>1,944</u>	<u>1,659</u>

## Notes to the Financial Statements *(continued)*

### 5 Administrative expenses

	2017 £000	2016 £000
Audit of these financial statements	11	10

### 6 Remuneration of directors

	2017 £000	2016 £000
Directors' emoluments in respect of qualifying services	69	67
Company contributions to defined benefit pension schemes (see note 18)	29	26

	2017	2016
Retirement benefits are accruing to the following number of directors under: Defined benefit pension schemes	-	1

One of the directors provides services, and receives remuneration for services from a wholly owned subsidiary of the ultimate parent company.

### 7 Staff numbers and costs

The monthly average number of persons employed by the Company (including directors) during the year, analysed by category, was as follows:

	2017 Number	2016 Number
Administration	3	3
Sales, marketing and distribution	8	8
	11	11

The aggregate payroll costs of these persons were as follows:

	2017 £000	2016 £000
Wages and salaries, including other termination benefits	926	937
Social security costs	131	93
Other pension costs (note 18)	399	252
	1,456	1,282

### 8 Other operating income

	2017 £000	2016 £000
Release of unutilised provisions	-	-

## Notes to the Financial Statements *(continued)*

### 9 Interest receivable and similar income

	2017	2016
	£000	£000
Receivable from group undertakings	2	-

### 10 Interest payable and similar expenses

	2017	2016
	£000	£000
Interest payable to group undertakings	(300)	(299)

### 11 Tax on loss

#### Recognised in the statement of comprehensive income

##### *Analysis of credit in year*

	2017	2016
	£000	£000
<i>UK corporation tax</i>		
Current credit tax on loss for the year	377	332
Current tax credit on loss for the financial year	377	332
<i>Deferred tax (note 15)</i>		
Origination and reversal of temporary differences	-	(31)
Impact of change in the UK tax rate	-	(8)
Total deferred tax	-	(39)
Tax credit on loss	377	293

#### Reconciliation of effective tax rate

	2017	2016
	£000	£000
Loss before taxation	(225)	(381)
Tax using the UK corporation tax rate of 19.25% (2016: 20%)	43	76
Reduction in tax rate on deferred tax balances	-	(8)
UK to UK transfer pricing adjustment	338	230
Non-deductible expenses	(4)	(5)
Total tax credit	377	293

## Notes to the Financial Statements *(continued)*

### 11 Tax on loss *(continued)*

#### *Factors that may affect future current and total tax charges*

In the Summer 2015 Budget Statement this rate was reduced from 20% to 19% effective 1 April 2017, with a further reduction to 18% effective 1 April 2020, and in the March 2016 Budget Statement it was announced this rate would reduce from 18% to 17% effective 1 April 2020. All of these changes have been substantively enacted at the balance sheet date.

As a result of these changes, the effective current tax rate applicable for 2016 was 20% and the rate applicable for 2017 was 19.25%. The rate applied to deferred tax balances is 17% as these balances are not expected to be utilised until after this rate takes effect.

#### *UK to UK transfer pricing adjustment*

The transfer pricing adjustment, relates to an allocation of the top up contributions to the defined benefits scheme, of which the Company is a participating entity.

### 19 Post-retirement benefit provisions

#### Defined benefit plans

The company is a participant in two group wide defined benefit schemes – Akzo Nobel (CPS) Pension Scheme ("CPS") and ICI Specialty Chemicals Pension Fund ("the ISCPF"). As the legally sponsoring entities for these schemes, the financial statements of Akzo Nobel UK Ltd and Imperial Chemical Industries Limited respectively identify and disclose the information on the plans as prescribed by IAS19, and these financial statements are available from the companies' registered office at The AkzoNobel Building, Wexham Road, Slough, SL2 5DS or from Companies House. The contributions payable in respect of active members by the participating entities are determined following each triennial valuation conducted by a qualified independent actuary, and charged as a percentage of salary costs. The charge recognised by the Company in respect of active members in 2017 was £321,000 (2016: £304,000). The group-wide policy is that funding deficits are not charged to non-sponsoring entities.

#### Defined contribution plans

The Company operates a defined contribution pension plan.

The total expense relating to this plan in 2017 was £78,000 (2016: £69,000)
