REPORT OF THE TRUSTEES

Governance of the Charity

The Charity is constituted as a Company Limited by Guarantee, therefore it is governed by its Articles of Association. The current Articles of Association were approved by the Charity Commission and subsequently adopted by the Trust in January 2015. Further minor amendments were adopted by the Trust at an EGM on 19th March 2016; again following notification to and approval from the Charity Commission. No further amendments have taken place or are planned at present.

The Directors of the Company are also Trustees of the Charity. For the purpose of Charity Law, their responsibilities include all the responsibilities of Directors under the Companies Acts and of Trustees under Charity Law and under the Company's Act are known as members of the Board.

At the Annual General Meeting one third of the Directors retire on rotation but are eligible for reappointment.

The Trustees of the Charity meet a minimum of four times each year. At these meetings they set the strategic direction of the Trust, and review and manage key risks.

In March 2016, the Board of Trustees introduced a Senior Management Team consisting of senior employees. The Senior Management Team is chaired by the Chief Executive and there are terms of reference for the Senior Management Team which set out their powers and their accountability to the Board of Trustees.

In 2018 the Senior Management Team consisted of the Chief Executive, the Operations Manager, the Finance Officer, the 3 registered Home Managers, and the Deputy Manager of the day services, the Personnel Officer attended the meetings in an advisory capacity. The Senior Management Team met monthly.

REPORT OF THE TRUSTEES

Introduction

The Trustees present their Annual Report and Accounts for the year ended 31 January 2019. The Board of the Trustees are satisfied with the performance of the Charity during the year and the position at 31 January 2019. They consider that the Charity is in a satisfactory situation to continue its activities throughout the forthcoming year, and that the Charity's assets are adequate to fulfil its obligations.

Objectives and Activities of the Charity

The Charity is a non-profit making company incorporated on 11 September 1985, limited by guarantee and having no share capital. It was registered as a charity in September, 1985. The purpose of the Charity is to provide care to those people with a learning disability who need a level of support which might not otherwise be available to them in the family home and to further assist them to pursue a more independent life style. The majority of this care is provided in residential homes. In addition the Trust has a Community and Day service, which is accessed by adults with learning disabilities who are not residents. Since 1985, the Charity has opened 4 residential homes in the Somerset area. This development has been a gradual response to the demand for places, the changing needs of its residents, and the resources available to the Charity to purchase property suitable to its purpose. The Charity currently provides accommodation and support for 31 people. In addition, the Trust continues to develop a day programme of activities and support to other individuals that do not live in the Trust's accommodation that reside in its local area.

When places become available these are open to anyone with a learning disability whose care needs can be met by the service. All the Trust's current residents are in receipt of financial support from their Local Authority in order to meet the fees charged by the Charity. The level of residential fees is negotiated with the Local Authority using their costing model thereby ensuring that the fee charged is appropriate to the needs of the individual and is value for money. Currently, our service is provided to residents from 16 different Local Authorities throughout England and Wales. Day care residents are funded in different ways including from their own individual resources and from Local Authority Direct Payments schemes.

Skilled staff teams are employed at each home to assist and enable residents to live an ordinary life. All residents have their own personal care plan which aims to maximise their physical, intellectual and social potential. Educational, work and leisure opportunities are provided in the local community to enable residents to live a life as ordinary as possible, commensurate with each individual's degree of disability. The homes are subject to regular inspections by the regulator for care homes, the Care Quality Commission and the local authority where the home is situated.

ORCHARD VALE TRUST LIMITED
YEAR ENDED 31 JANUARY 2019
REPORT OF THE TRUSTEES

Historically, people with a learning disability were viewed by society as a minority group who had little or no rights to full citizenship. They were thought to be incapable of achieving any measure of self-dependency so that even the most personal of tasks were done for them by their carers, usually within a large institutional setting. Since 1985 Orchard Vale Trust has striven to extend the rights of people with learning disabilities through practical involvement within local community settings. The focus of our work for greater social integration has been achieved through the setting up of residential homes in ordinary neighbourhoods. Daily contact between other members of the local community and the residents gradually breaks down society's stereotyped images of how a person with a learning disability might behave. We believe people with learning disabilities are full and participative members of our society with the same rights as all of us.

During the year, the Trust has remained focused on delivering its high-quality services. Staff levels at each home are carefully monitored. The Trust only uses external agency staff when necessary and it has developed a working relationship with local care agencies which mean that a regular, core team are used who are familiar with both the residents within the residential homes that they work in and with the processes and procedures within the Trust. This means there is excellent continuity of care staff for service users.

The Trust keeps its overall staffing levels under continuous review and this has resulted in an increase of hours for the post of Human Resources, which is now a full time post. This reflects an increase in the number of staff as the Community and Day Service services continue to develop.

The Trust continues to operate in a changing world. To ensure it is equipped for the challenge, the Trust continues to provide a major in-house training programme covering essential and additional skills for staff. It continues to provide resources and support to ensure staff follow the Person-Centred Planning approach that was embedded into the organisation by a year's training.

The Trust continues to successfully provide the Care Certificate and all new staff are required to undertake this as mandatory training. Specialist training has been given in a number of areas such as medication administration, infection control, COSHH, and specialist epilepsy training, dysphagia, lone working, and speech and language.

The Trust has continued to invest in its IT systems to ensure all staff have access to appropriate and secure IT into the future to enable them to work effectively. A new element of this is the development of the Trust's website which offers the opportunity to develop portals for Staff, Service Users, Family and Friends thus providing greater access to a wider range of Trust information securely. The Trust is also making wider use of social media to share the developments and opportunities provided; this includes recruitment and developments in Community and Day Services.

Included in this year's accounts, is a funeral fund that has been set up to provide funeral arrangements for residents whose families participate in the scheme. At 31 January 2019 the bank account of the fund held £18,101.

ORCHARD VALE TRUST LIMITED
YEAR ENDED 31 JANUARY 2019
REPORT OF THE TRUSTEES

All four homes are regularly inspected by CQC. It is possible to access the individual reports via our web-site. All four homes are rated Good and it is pleasing to see a significant number of very positive comments from Inspectors.

The Community and Day Services continue to grow with groups on the site at East Court and groups in the immediate community. The Community and Day Services activities have broadened their focus to look at work readiness for adults with learning disabilities and working in partnership with other organisations within the locality.

The quality assurance programme within the Trust continues to operate.

The Trust maintains its vehicle fleet, ensuring that there are a range of vehicles which meet the changing needs of service users.

The Trust during the financial accounting period has had three resident vacancies. These are the first vacancies in Trust accommodation for many years. In April 2018 a new resident joined one of the homes in the Trust and a second joined another home in May 2018, leaving only one vacancy within the Trust. Appropriate financial arrangements have been put into place to reflect the vacancy that exists, which include appropriately adjusted staffing levels and carefully managed capital expenditure.

The Trust received a donation from the charity, Life With Arts, for a building at the East Court Site. The building is a wooden studio which has allowed for the development of a wider range of community and day service activities to take place.

Trustees have met regularly during the year and have overseen the work of the Trust, ensuring its financial viability. Trustees have also looked at Community and Day Services and Fundraising as well as the changing needs of residents as they mature in age. Trustees have considered the work of the Trust going forward and have developed a strategy to develop the opportunities provided by the day services and to extend the work of the Trust in the communities in the Mendip and East Somerset area.

The Trust has a policy that cash reserves should never be less than £200,000. The Trustees are therefore satisfied that the year end cash balances of over £600,000 are adequate to cover their target.

REPORT OF THE TRUSTEES

Public Benefit

The Trustees give due regard to the public benefit guidance set out by the Charity Commission and believe that the Charity meets its obligation in this respect because: -

- Its purpose is the relief of those in need by reason of their disability;
- The benefit provided is to that section of the public who are people with learning disabilities. Those who use our service benefit because they receive high quality care and support which enables them to gain access to the facilities available to any citizen;
- When available, residential places and day service places are open to all adults with a learning disability providing that their needs can be met within the service provided;
- The fees charged are reasonable and necessary for the Charity to fulfil its aims and are agreed with Local Authorities and other funders who are the Purchasers of the service.
- The fees charged for residential care are directly related to the level of support provided to meet the needs of individual service users and are not dependent upon their ability to pay. No financial contribution is required from residents other than the contributions which are set out in the rules relating to residential care provision or the state benefit rules;
- There is no third-party funding for the residential services provided.
- Day care services are charged in a transparent rate depending on the service needed. The charges are aligned with the amount the local authority provides to local families to purchase such care.

The Trustees will continue to review the activities of the Charity to ensure that these are consistent with the legal objects set out in its constitution.

Fund Raising Activities – Revenue

Whilst basic care and accommodation costs are funded by Local Authority contracts, the Charity relies on donations and fund-raising projects to finance the provision of the extra quality of service for which the Charity is well known. The Trust has appointed a Fundraiser to manage regular fund-raising projects such as the Gold Bond runners in the London Marathon; one sponsored Golf Day, and in addition to develop the restricted funds income through applications for grants for specific projects, particularly in relation to the development of Community and Day Services. The Trust Board approve the Fundraising Strategy on an annual basis and the Trust conducts an annual Fundraising Audit, to ensure that activities are both compliant and transparent.

The arrangements for administering the London Marathon are managed by an organisation which specialises in recruiting runners. The process continues to be successful and all the Bond places including some held over from previous years were filled and in 2018 the net income from the 2018 Marathon currently stands at £4,349 after expenses.

ORCHARD VALE TRUST LIMITED
YEAR ENDED 31 JANUARY 2019
REPORT OF THE TRUSTEES

The Trust is grateful for all those who have supported it during the last 12 months including some significant generous donations from charitable trusts and individuals. This includes donations from Wedmore Community Power Cooperative, Melhuish and Saunders, Epoch Wealth Management, the Big Lottery Funds for All and Waitrose.

Fund Raising Activities – Capital

Any major building improvement or a new home requires considerable capital funding. This is raised in the main part by funds from the Trust's activities and appeals to Grant Making Trusts.

Employment Policies

The Charity is an equal opportunities employer and is fully committed to a policy of treating all of its existing employees and job applicants equally. The Equal Opportunities Forum, involving all staff, meets on a quarterly basis.

The Trust is currently reviewing its existing terms and conditions of employment to ensure that they remain current and appropriate.

Recruitment, Appointment and Training of Trustees

Nominations for new Trustees are considered by the Trust Board. A decision is taken regarding the nominee's suitability for the role in terms of their personal skills and experience, their interest in people with learning disabilities and what they can contribute to the work of the Charity. If felt appropriate the candidate then attends an information event and is also interviewed by a sub-group of existing Trustees and asked to attend a Trust Board Meeting. A majority decision by the existing Trustees is needed in order to appoint the nominee. An Induction pack is issued to new Trustees and training will be made available if required. One third of trustees resign each year but can offer themselves for re-election. A chairperson and vice-chairperson is elected from the trustees for a two-year term. These arrangements were introduced following the last major review of the Articles of Association.

In January 2019 Sir Peter Coulson stepped down as a long standing member of the Board of Trustees. The Board of Trustees thanked him for the contribution to the Board over several terms. The Board of Trustees welcomed a new Trustee; appointed following the process described above. The new Trustee is John Fox.

Risk Management

Reviews of the major risks to which the Charity may be exposed are undertaken on an ongoing basis by the Senior Management Team using an agreed matrix model and reviewed by the Council of Management. Mitigating action taken as and when necessary.

REPORT OF THE TRUSTEES

Future Plans – 2019

The Trust expects to continue to operate its four residential homes into the future. It also continues to work in developing a more comprehensive Community and Day care programme to meet an emerging local need. In August 2018 the Trust formed a wholly owned subsidiary called the Orchard Vale Social Enterprises CIC under company number 11528772, to operate a café and to provide garden maintenance services. As at 31 January 2019 there was cash in the CIC bank account from sales of £7,328, and there had been expenditures on the projects of £11,212. These figures do not form part of the results shown in these accounts of Orchard Vale Trust Limited. However, within the restricted funds is £9,600 of Big Lottery Funding that will help these activities, and more funding has been received within the current year.

During the year the Trust will undertake on-going maintenance work at all of its homes to ensure the facilities remain suitable for use.

The bungalow purchased with a generous donation in 2013 will continue to be successfully commercially let to provide an appropriate return on the investment. This will ensure that it will be available for the Trust's future use whilst not creating an ongoing financial liability. It also ensures the integrity of the neighbouring Trust property, and consideration is being given to using it in the future for residents who are ageing or becoming infirm.

The Trust continues to develop its IT infrastructure and capacity using donated software and support from the Microsoft Community Programme.

The Trust has conducted a detailed review of staff training needs and a new staff development training programme has been put into place which commenced in January 2019.

There is an ongoing focus on developing and providing further training of the Senior Management Team and Central Services Team, this includes the Senior Management Team working with an external facilitator who has experience of working with a wide range of charities and care organisations. A new Chief Executive joined Orchard Vale Trust in January 2018. The Trust ensured a successful transition between Chief Executives with an 8 week handover period. The Trust appointed a new manager to one of the residential homes in January 2019.

REPORT OF THE TRUSTEES

Future Plans -2019 and Beyond

The Board of Trustees has agreed a strategy for 2018-2020, which is revised annually to ensure its relevance. Whilst the Charity expects to continue to operate into the future along similar lines it will be developing its community outreach work and the breadth of offer in Community and Day Services. This will include developing work readiness programmes, new training and skills development opportunities and social enterprise projects.

The Trust will continue to keep under review all its residents' and service users' needs with a view to adapting its services to meet the future care needs of a population, which includes those who are ageing and young adults who have only recently left their family homes, ensuring the high quality personalised services it provides continue. It is expected that the health care demands of some of the Trust's residents will continue to lead to increased demands on our services.

The Trust has conducted surveys of all individuals who access the Trust's services, family members, staff and professionals. The results of all the surveys are analysed and considered in detail and key actions for development are identified. The Trust will continue to conduct surveys of all key stakeholders on a regular basis.

Results and State of Affairs

The results for the year and the state of affairs of the Trust are satisfactory and there has been no material change since the date of the balance sheet. There was an excess of income over expenditure for the year of £49,732. This surplus has increased reserves which now stand at £2,298,624 of which £32,701 is restricted funds. As in previous years the Charity could not have continued to develop without its significant donation income.

Auditors

Knight Goodhead Limited have signified their willingness to continue in office and their reappointment will be proposed at the forthcoming Annual General Meeting.

Statement of Directors and Trustees Responsibilities

Company law requires the trustees or directors to prepare the report of the trustees and accounts for each financial period which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period.

In preparing those accounts the Trustees are required to: -

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

As far as the Trustees are aware, there is no relevant audit information of which the auditors are unaware. Each Trustee has taken all the steps that they ought to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This report has been prepared in accordance with the small company's regime in Part 15 of the Companies Act 2006, and in accordance with the Charities Statement of Recommended Accounting and Reporting by Charities.

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ORCHARD VALE TRUST LIMITED FOR THE YEAR ENDED 31 JANUARY 2019

OUR RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
