Clauses 1.2 (*Construction*) to 1.6 (*Miscellaneous*) of the Debenture will be deemed to be set out in full in this deed, but as if references in those clauses to the "Debenture" and other similar expressions were references to this deed.

2. ACCESSION OF NEW CHARGORS

2.1 Accession

2.6 Property Restricting Charging

- (a) There shall be excluded from the charge created by Clause 2.3 (*Specific Security*) and Clause 2.4 (*Security Assignment*) of this deed and from the operation of clause 4 (*Further Assurance*) of the Debenture:
 - (i) any Intellectual Property in which a New Chargor has an interest under any licence or other agreement which prohibits either absolutely or conditionally (including requiring the consent of any third party) that New Chargor from creating any charge over its interest in that Intellectual Property until the prohibition on the granting of Security has ceased;
 - (ii) any licence, contract or agreement in respect of Trading Receivables to which a New Chargor is a party which prohibits either absolutely or conditionally (including requiring the consent of any third party) that New Chargor from creating any charge over its interest in that contract or agreement until the prohibition on the granting of Security has ceased; and

- (c) For all Material Intellectual Property, Trading Receivables or Insurance Policies referred to in Clause 2.6(a), each relevant New Chargor undertakes to apply for the relevant consent or waiver of prohibition or condition within 20 Business Days of the date of this Deed and, in respect of any lease, licence or agreement which provides that the relevant third party will not unreasonably withhold its consent to charging, to use its all reasonable endeavours to obtain such consent as soon as possible and to keep the Security Agent informed of the progress of its

negotiations, provided that such endeavours to procure consent will not jeopardize the commercial relationship with such third party or be unduly onerous for the relevant New Chargor.

- (d) Promptly upon receipt of the relevant waiver or consent, the formerly excluded Material Intellectual Property, Trading Receivables or Insurance Policy shall stand charged to the Security Agent under Clause 2.3 (*Specific Security*). If reasonably required by the Security Agent, at any time following receipt of that waiver or consent, the relevant New Chargor will forthwith execute a valid fixed charge or legal assignment in such form as the Security Agent shall reasonably require.

5. DESIGNATION AS A FINANCE DOCUMENT

This deed is designated as a Finance Document.

6. FAILURE TO EXECUTE

Failure by one or more parties ("**Non-Signatories**") to execute this deed on the date hereof will not invalidate the provisions of this deed as between the other Parties who do execute this deed. Such Non-Signatories may execute this deed on a subsequent date and will thereupon become bound by its provisions.

7. NOTICES

The New Chargers confirm that the address details for notices in relation to Clause 23 (*Notices*) of the Debenture are those set out under its signature below.
