**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

1. General information

The Company is a private company limited by shares, registered in England and Wales. The registered office is Three Cherry Trees Lane, Hemel Hempstead, Hertfordshire, HP2 7AH.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The presentation currency used in these financial statements is Pounds Sterling.

The Company has applied the exemption in FRS 102 paragraph 35.10(m) which allows a dormant company to retain its accounting policies applied under the entity's previous accounting framework for reported assets, liabilities and equity at the date of transition to this FRS, until there is any change to those balances or the company undertakes any new transactions.

The Company is exempt from preparing group accounts under s400 of the Companies Act 2006 as at 31 December 2017, its ultimate parent, Sopra Steria Group S.A., prepares and publishes consolidated accounts which include the results of the Company and are publicly available.

The preparation of financial statements in compliance with FRS 102 normally requires the use of certain critical accounting estimates and judgment in applying the Company accounting policies. The Directors consider that there are no areas of significant estimation or uncertainty in these financial statements.

2.2 Financial reporting standard 102 - reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 4 Statement of Financial Position paragraph 4.12(a)(iv);
- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

2. Accounting policies (continued)

2.3 Going concern

The Directors are satisfied that the Company has adequate resources for its foreseeable needs given that it is dormant and has positive net assets. For this reason the Directors have concluded that there are no material uncertainties in adopting the going concern basis in preparing the financial statements

2.4 Financial instruments

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Comprehensive Income.

Financial liabilities at amortised cost are initially recognised at fair value net of any transaction costs directly attributable to the issue of the instrument. Such interest-bearing liabilities are subsequently measured at amortised cost using the effective interest rate method, which ensures that any interest expense over the period to repayment is at a constant rate on the balance of the liability carried into the Statement of Financial Position.
