NOTES TO THE ABBREVIATED ACCOUNTS - YEAR ENDED 31 JULY 2012

1 ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year and also have been consistently applied within the same accounts

a) Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

b) Depreciation

Depreciation has been computed to write off the cost of tangible fixed assets over their expected useful lives using the following rates

Plant & Equipment - 15% reducing balance Motor Vehicles - 25% reducing balance

c) Stocks

Stock and Work in Progress have been valued at the lower of cost and net realisable value. Developments in progress are included at the site acquisition cost together with development costs incurred to the balance sheet date or at net realisable value if lower.

d) Deferred Taxation

Deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences to the extent that it is considered that a net liability may crystallise.

e) <u>Turnover</u>

The Company's turnover represents the value, excluding value added tax, of goods and services supplied to customers during the year
