NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 30 APRIL 2012

1 Accounting policies

11 Accounting convention

The financial statements are prepared under the historical cost convention

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company

12 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1 3 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold property are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows.

Freehold property

Nil

Fixtures, fittings & equipment

20% reducing balance

Motor vehicles

25% reducing balance

No depreciation is provided in respect of freehold property as the director considers that the economic life and residual value is such that the depreciation is not significant. The residual value of the property is regularly reviewed in order to identify any permanent diminution in value which would be charged to the profit and loss account.

14 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term

15 Investments

Unlisted trade investments are stated on an earnings based valuation taking into account share valuation discounts when appropriate

Investments in subsidiary companies are stated at cost

16 Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

17 Deferred taxation

The accounting policy in respect of deferred tax reflects the requirements of FRS19 - Deferred tax Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes

18 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Where exchange differences result from the translation of foreign currency borrowings raised to acquire foreign assets they are taken to reserves and offset against the differences arising from the translation of those assets. All other differences are taken to profit and loss account.
